FUTURE

President

Howard L. Bevis

A prominent figure in the minds of all Ohio State students is Dr. Howard Landis Bevis. As seventh president of the University, Dr. Bevis has performed his administrative duties with ease and informality, characteristic of a true leader. Seeing the University through a trying war, he is now successfully planning the return to a peace time program. The secret to the efficient administration in the past years has been Dr. Bevis' keen insight to the future, and his every effort has been well met by an admiring University.

Vice-Presidents

Harvey H. Davis

Vice-President Harvey H. Davis has made rapid advancement since he came to the Ohio State University in 1928 as a faculty member, and is maintaining his brilliant record. Starting with the rank of assistant professor in the School of Administration, Dr. Davis was made associate professor in 1933, full professor in 1935, in 1937 chairman of the department of Education, and in 1942 vice-president of the University.

As well as having served in World War I, Dr. Davis has been efficient in his University career and a prominent figure in community activities through World War II.

Bland L. Stradley

Preparing and giving speeches, meeting and talking to young people seem to occupy a large portion of Vice-President Bland L. Stradley's time. He spends his small amount of leisure hours tending his farm and livestock or with his special friends, the Boy Scouts of central Ohio.

Dr. Stradley seems especially interested in young people, in talking and working with them, which is one reason he enjoyed the position as Dean of the College of Arts and Sciences.

He has been a great helper in his role as a vice-president of the Ohio State University.

Carl E. Steeb

Upon the shoulders of Mr. Carl Steeb, the Secretary of the Board of Trustees and retiring University Business Manager, falls the great task of keeping the records straight.

Through his tireless efforts and astuteness, the work is carried on very smoothly and the

records of this institution are a silent tribute to his efficiency.

Mr. Steeb has been associated with Ohio State University throughout most of his life. He graduated with the class of 1899 and has since held various positions in the school.

Since 1911, Mr. Steeb has been a member of the board of overseers of the Ohio Union. He has also held the office of treasurer of that organization for many years. In addition he became an ex-officio member of the Development Fund which is concerned with securing important and valuable equipment for the University.

During his time off from his many and varied duties, Mr. Steeb enjoys fishing which he lists as one of his favorite pastimes. His interest in his fraternity, Sigma Alpha Epsilon, has continued through the present day.

Mrs. Christine Conaway

Dean of Women

"Full house" would be an appropriate slogan for busy Dean Christine Y. Conaway, Dean of Women, especially this year. Dean Conaway is in direct charge of all women students on campus and campus activities which include the paramount problem of housing conditions for OSU's women students. Aside from her responsibilities as Dean of Women, Mrs. Conaway heads the lists of other university activities.

Charming and understanding, Dean Conaway has devoted much time to guiding the women of the university along the path to graduation and success.

Eleanor R. Collins

Mary M. Gordon

Kathryn L. Hopwood

Mrs. Christine Y. Conaway, Dean of Women, is ably assisted in her work by Miss Mary Gordon, whose particular responsibility is in connection with housing. Miss Gordon assumed her present position of Assistant Dean of Women in 1941.

Miss Eleanor Collins has returned to the Dean of Women's Office after having served eighteen months with the Red Cross overseas, as a personnel supervisor. Miss Collins is the advisor to Pleiades, and also does personal and vocational counselling.

Assistant Dean of Women, Miss Kathryn Hopwood, came to the University in 1943. Her special field of endeavor is that of advising V.I.C. Oberlin College is her Alma Mater, as she obtained both her A.B. and M. A. Degrees there.

Dean of Women's Assistants

Dean of Men

In his sixteen years as Dean of Men, Joseph A. Park has devoted himself to the welfare of the Ohio State University's men students. Dean Park has been confronted with the numerous problems of the returning service men and the securing of adequate living conditions for them. The Dean of Men's office supervises the social and extra-curricular activities of the men at the University, counsels with them on social, financial, and personal questions. He is a most capable organizer, whose quiet manner enhances the efficiency of his work.

*Joseph A. Park
Dean of Men*

Dr. Founta D. Greene manages scholarships, part time placement, and approves loans of the Student Employment Office.

An invaluable man of campus is Lester G. Brailey, Assistant Dean of Men and advisor of the Office of Fraternity Affairs.

As Auditor, Mr. Armstrong's duties include advising sororities, fraternities and organizations on bookkeeping and finance.

Mr. Wrigley, formerly Assistant Dean of Men in charge of housing, has recently become manager of Baker Hall in addition to his being coach of Varsity Baseball.

In Memoriam

Dr. Albert D. Frost 1890 - 1945

Albert D. Frost began as an instructor in ophthalmology in 1924, and in 1933 was made chairman. He served prominently on the staffs of University Children's, Mt. Carmel, and White Cross Hospitals here.

Professor John Younger 1883 - 1945

John Younger entered the department of Industrial Engineering in 1925, and remained to become an honorary member of the American Society of Tool Engineers. His book "Routing" was published in 1929.

Dean Arthur L. Martin 1902 - 1946

For twenty years Arthur L. Martin held a prominent place as a member of the Law faculty and in 1940 he became dean of the college. He assisted government agencies and law organizations and was president of the Faculty Club.

Professor Herbert S. Shumway 1884 - 1945

Starting as an instructor in the Starling-Ohio Medical School, Herbert S. Shumway became an associate professor in the School of Dentistry. He was a member of Psi Omega, Omicron Kappa Upsilon, and the Columbus Dental Society.

Guy Cooper 1899 - 1945

Guy Cooper was an outstanding member of the Department of Industrial Engineering. He held a position in the testing laboratory of the State Highway Department.

Professor George A. Loomis 1888 - 1945

George A. Loomis joined the Ohio State Engineering Experiment Station in 1930 as a senior research engineer. He became an assistant professor and an associate.

Professor Francis N. Maxfield 1878 - 1945

Coming to Ohio State as Professor of Clinical Psychology, he also became the consulting psychologist of Children's Hospital. He was an active participant in many organizations pertaining to the Study of Mental Science.

Professor William M. Barrows 1946

William M. Barrows, Professor Emeritus of the Department of Entomology and Zoology, will long be remembered. After graduating from Harvard and teaching in the East he came to Ohio State in 1909. He was a member of the Academy of Science and the American Society of Zoologists.

Professor Horace Judd 1869 - 1945

Well remembered as an authority on hydraulic engineering, Horace Judd received his Bachelor's degree from Ohio State in 1897 and his Master's degree in 1899. He later returned to become a Professor of Mechanical Engineering.

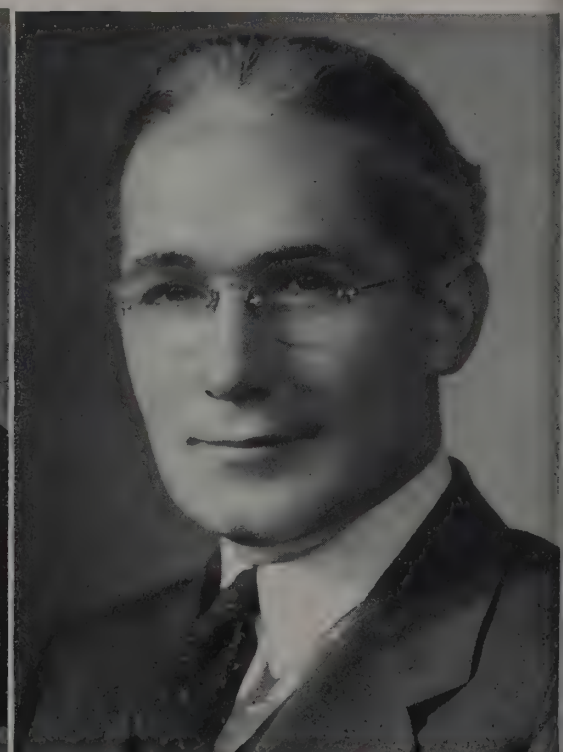

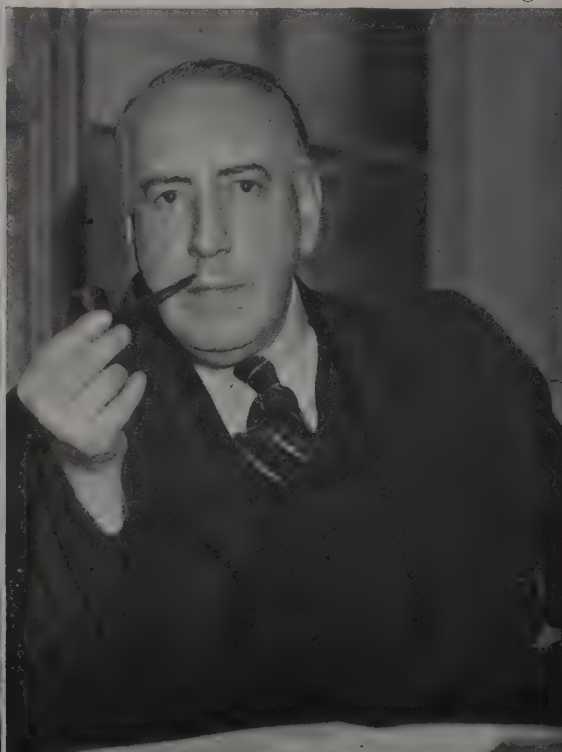

Dr. Herman W. Koerper 1945

Dr. Koerper became an instructor in Obstetrics shortly after completing his medical studies at the University of Vienna. In 1925 he was elevated to the position of Assistant Professor and Associate Professor in 1940.

Association Records Gains Transition: War to Peace

THOMAS F. PATTON, LLB '26
Association President

IN A YEAR that brought Victory in World War II, The Ohio State University Association made several notable gains, solidified others, continued to grow and was prepared for the months or years ahead of transition from war to peace. Through the efforts and co-operation of alumni in the field, the tempo of alumni club activity was stepped up; work of reactivating alumnae clubs and organizing new ones was undertaken; the Development Fund enjoyed the best year in its seven years of operation; and the alumni MONTHLY took down top national honors.

More than 30 alumni clubs held meetings during the year, the majority with guest speakers from the campus. All elected officers and laid plans for regular peace time activities. It was expected that some 100 alumni clubs would be in operation by the end of '46. Several alumnae clubs were revived and groundwork was laid for new alumnae clubs in many of the larger cities.

The Alumni Advisory Board, officially advisory to President Bevis, gave valuable thinking and recommendations upon the University's two most pressing transition problems, housing and enrollment.

Alumni and friends of the University gave a total of \$278,000 in 8923 gifts and pledges during the year through the Development Fund. This amount sent the total given the University through the Fund in the last seven years over the \$1,000,000 mark.

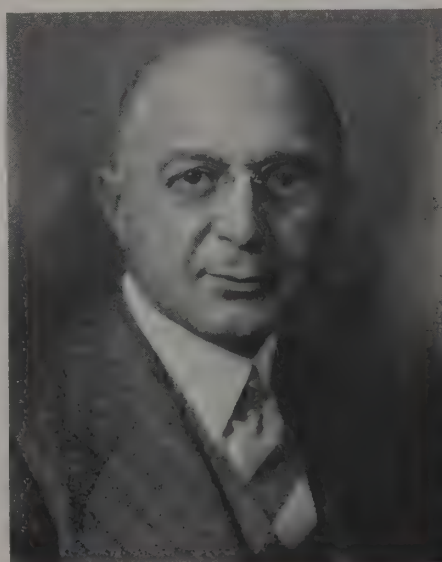

Of the amount given, \$25,000 was allocated to the University's War Memorial Scholarship project looking toward an eventual endowment total of \$100,000. The Fund has more than quadrupled the Student Loan Fund, provided scholarships and fellowships and inspired and aided research in many fields. In the present eighth year of its operation, the Fund's Board of Directors has voted to allocate more than 50 per cent of all undesignated gifts and pledges toward the support of "enterprises in the field of the humanities."

Members of the Association, in effect, gave officers and employees in the alumni office a tremendous vote of confidence in deciding, by a vote of more than two to one, to increase annual association dues to \$4 annually.

The alumni MONTHLY won new concrete evidence during the year that it continues as one of the best alumni publications in the nation. The American Alumni Council conferred its top "Magazine of the Year" award, for publication year 1944-45, upon the Ohio State alumni magazine. A Memorial Edition in March, '46, honoring the University's 635 dead of World War II, received national attention and praise.

THE

By receiving diplomas, representative of their accomplishments of four industrious years, the graduates of 1946 accepted the challenge of the future, in application of the knowledge and experience acquired at Ohio State. Contributing to the growth and betterment of the University as a whole, this year's outstanding graduates have provided an unforgettable senior class. Guiding the undergraduates in scholastics and in extra-curricular activities, William Sergeant, president of the class, typified the influence of these graduates. Campus leaders Felice Marcus and Warren Amling, secretary and treasurer respectively, provided additional inspiration for underclassmen.

Other members of the senior cabinet included Dorothy Mossbarger, chairman of Commencement; Mildred Rankin, Invitations Chairman; John Redd, Class Day Chairman; Paul Samuelson, Memorial Chairman; and Richard Seibert, Class Jewelry Chairman.

During their last year on this campus, the 1946 graduates undertook several projects for student and campus benefit. Among these was an advancement of a program first begun in 1944, but later postponed during the war, to provide additional privileges for seniors by the payment of a one-dollar activities' fee per quarter. This program would include a four-year Lantern subscription, the memorial fund donation, and during each student's senior year, a Makio subscription with representation therein.

Further endeavors of the graduates include benches placed at various points on the campus, and street signs similarly situated to aid visitors at the University.

As a memorial to the University and the student body, the class chose to erect a shelter house by the Olentangy River, predestined to be a worthy remembrance of an outstanding year's graduates.

Mortar Board

Mortar Board, the senior women's honorary, was founded at Ohio State in 1914 as a local organization. In 1918, Ohio State, Michigan, and several other universities became charter members of a national honorary whose name, ritual, and pin were adopted from the Ohio State chapter.

The most outstanding women of the senior class are elected to Mortar Board during Traditions Week. These women, selected on the basis of scholarship, leadership, and service to the university, are informed of their appointments by an early morning candle-light serenade.

On the following day, the active members, wearing black robes and the traditional Mortar Board caps, accompany the new members, clad in white, up the Long Walk before the William Oxley statue. There the University President greets the new members.

At Mirror Lake, the newcomers receive symbolic robes of the government and the lamp of knowledge, and endorse the vows of Mortar Board.

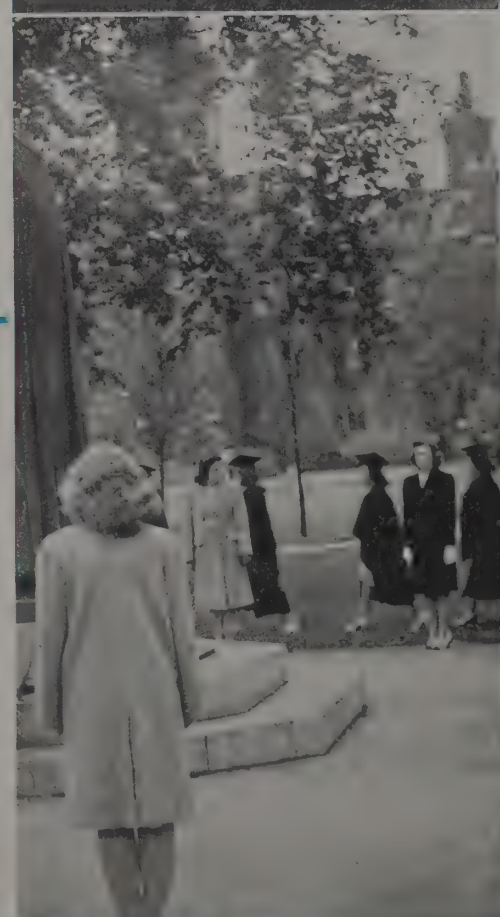

This year, as always, Mortar Board has remained a challenging goal for the women students on campus.

Sphinx

One of the greatest honors and most impressive ceremonies in which an Ohio State senior can participate, is Link Day, held during Traditions Week. At this time a selected few men are chosen on the basis of scholarship, leadership, character, and service to the university, and formally welcomed into the ranks of Sphinx, the Senior Men's honorary.

On this day, members of Sphinx, attired in caps and gowns walk across the campus in a body, to University Hall, where a crowd of students may be seen congregating at the foot of the steps. After a brief appraisal, the "linking" begins. Sphinx men circulate through the group and amidst roars of approval, new members are indicated by slapping the back of neophytes, after which, each new nominee is brought forward and greeted by President Bevis. Culmination of the rite takes place during secret ceremonies at Mirror Lake.

After a year of relative inactivity, Sphinx, this year, made great strides toward achieving pre-war numbers and achievements. In addition to executing plans for the annual Junior-Senior Prom, during which the gardenia motif was acclaimed by all, the first undergraduate recognition banquet for men students was held since prior to the war. Bigger and better plans for the future are envisioned by the members of this campus-leaders' organization.

The Junior-Senior Prom, as in previous years, was again a scene of pomp and grandeur and of lavish decoration.

Above the pool in the center of the ball-room, strands of Spanish Moss hung from the ceiling above. The theme of the Prom was the Gardenia, an ever-favorite symbol of love. Seen on the walls of the improvised ball room were the emblems of Bucket and Dipper, Sphinx, Chimes, and Mortar Board. To complete the Gardenia theme, corsages were presented to each girl at the door. Reigning kings and queens for the evening were Senior Class Prexy Bill Sergeant and Ginny Marriott, and Junior Class Prexy Chuck Becker and Margie Saum.

College of Agriculture

One of the oldest colleges of Ohio State University, the College of Agriculture was established in 1870. In 1896, the Department of Domestic Science was organized and made a part of the college. This department is now the School of Home Economics.

The purpose of the College of Agriculture is the teaching of those sciences and arts that have to do with the broad field of agriculture and rural life. Thus, from the very first, the College has insisted that the students be taught agriculture as an art and

an applied science, recognizing that farming is not only a business, but a way of life. An outstanding feature of the College is the Agricultural Extension Service which maintains in each county in the state, an office, manned by one to three staff members.

The College of Agriculture can point to the achievements of its graduates with pride, not only for their part in the actual fighting of the war, but for the accomplishments of those engaged in providing food for a hungry, working, and fighting war-time America. The College, just as other colleges of the University, is now the scene of bustling activity, with the return of hundreds of World War II veterans.

With the transcendancy of our country

from a period of post-war reconstruction to a once again normal status, the tiller of the soil has an increasingly important task, and the Agricultural College becomes an even more important factor than in the past.

Dean of the College of Agriculture since 1932, John F. Cunningham has been outstanding in his achievements in that capacity and as an agriculture publisher. After receiving his Bachelor's and Master's degrees in Horticulture and Forestry from the University, he became successively, Editor of the Ohio Farmer, and Editor and Publisher of the Wisconsin Agriculturist. Above all, he has remained a friend and inspiration to his students.

The All-Agricultural Council is composed of representatives from all the student organizations. The main functions of the council are to further interests of the College of Agriculture, and to develop a closer relationship between students and faculty.

The tune of "Pop Goes the Weasel" was the background for the Council's traditional old-fashioned "Barnwarmer." The fall quarter was highlighted by the drive for Sam Higgenbottom's Agricultural Institute in Alahabad, India, and winter quarter brought about the supervision of the Farmer's Week project. The year was ended by the successful spring picnic bidding farewell to the seniors.

University 4-H Club

Square dancing, song leadership, and developing skill in folk games brightened the semi-monthly meetings of the 4-H Club. Songs, short discussion periods, and other forms of recreation added to the general feeling of fun.

A gala open house began the year for the organization. It helped to acquaint the freshman with the functions of the group and encouraged the regular members to renew their contacts from previous years.

The year's big social events were a social held jointly with the Saddle and Sirloin Club, and the annual Clover Quadrille. Robert E. Miller represented the group at the national conference of Rural Youth of the United States of America at their annual meeting at Jackson Mills, West Virginia.

The junior and senior division of the Home Ec Club began the past school year with a big-little sister party with all new freshmen women

attending. The girls jointly campaigned for the White Christmas toy drive. They also participated in other Ag. College activities.

Junior Home Economics Club

The party was given for the Schoenthal Settlement Nursery School. During Farm and Home Week the members served lunches to

five hundred visitors here. As is the annual tradition, a spring banquet was held for faculty members and the girls.

Saddle and Sirloin

Saddle and Sirloin, campus Agricultural Honorary Fraternity, climaxed the year's social activities with a banquet, Spring Quarter, in honor of its graduating Seniors. During the school year, the fraternity numbered among its social functions, a box social and an open house, given in conjunction with the Home Economics Cub, a hay ride and a weiner roast.

On March Second, the Saddle and Sirloin men presented the annual Little International Livestock Show, a program in which the students fitted and showed livestock of every class. The Dean's Milking Contest afforded a humorous and entertaining sidelight to the day's activities.

Established in 1905, the University Grange has the two fold purpose of giving members of the College of Agriculture an opportunity for training in leadership and to train students in the fundamentals and ideals of the Grange. Membership in the Grange is comprised of faculty members who reside on campus and non-residents, who, for the most part, are county agricultural agents and government employees.

The University Grange, through its participation in the presentation of the State degree, works in close cooperation with the Franklin County Pomona Grange. During "Farmer's Week", the group operates a lunch stand for the convenience of campus visitors.

PHI UPSILON OMICRON

Phi Upsilon Omicron is a national professional home economics honorary, membership being limited to students of the sixth quarter and above. The qualifications for membership are rigid; high scholarship, leadership abilities, and promise in the chosen field being necessary requisites.

The contribution of the club this year was a library project. In conjunction with Omicron Nu, panel discussions in home economics orientation courses were given by the club.

This year's alumni banquet was in honor of Dr. Gladys Branegan, a Phi Upsilon Omicron member, and the present director of the School of Home Economics.

OMICRON NU

Omega Chapter of Omicron Nu was founded on this campus in 1928 and has successfully maintained consistently high standards. The primary function of the group is the upholding of high scholastic and professional attainments for the School of Home Economics.

This group was responsible for the show case in Campbell Hall during the fall quarter. Omicron Nu cooperated in furthering many of the programs of the college including the new honor assembly held for the first time this year.

Outstanding events of the year included the freshmen honor meeting, initiations, and entertainment for one of the national officers.

Boasting fifty members, this year the Student Horticulture Society outdid its usual standards both socially and intellectually.

The club's social calendar followed the seasons with gala events for each quarter. In harmony with the crisp autumn atmosphere the group held a fall picnic and the faculty turned host.

The annual "Farm Frolic" ushered in "Old Man Winter" and feted the faculty advisors. Another highlight of the frosty season was the Florist and Nursery School lunch wherein all were well fed.

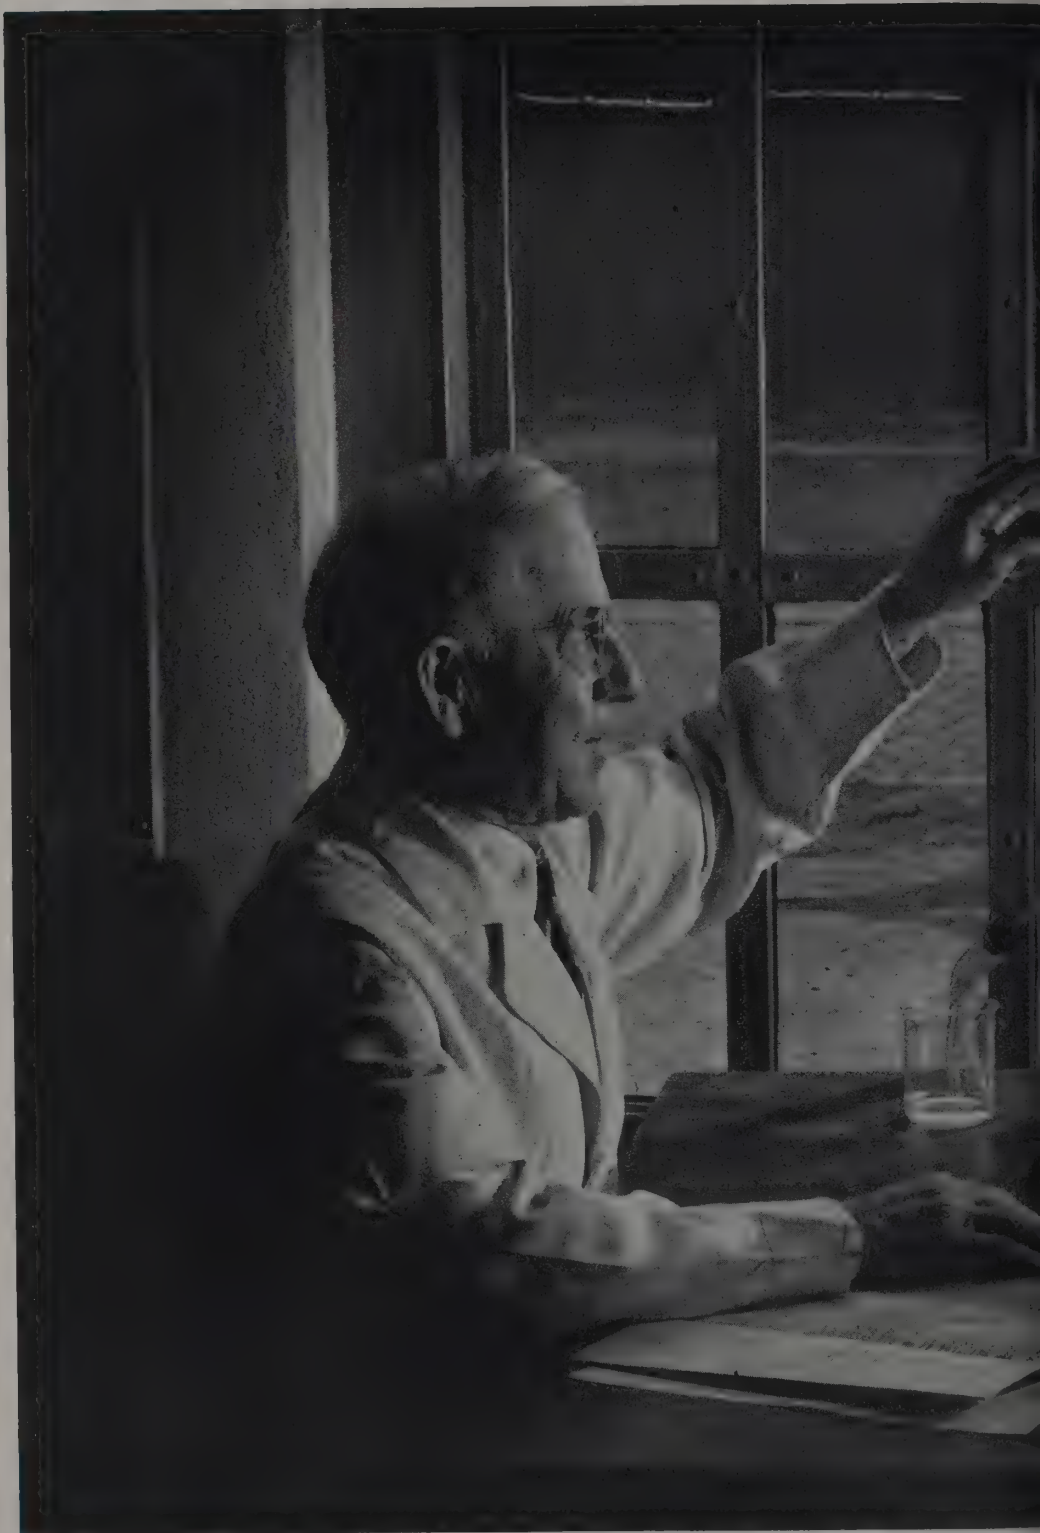

The spring season rolled 'round and the society held their colorful spring banquet and the yearbook issue of "Snoop Scoop" was presented.

College of Arts and Sciences

Dean Harlan H. Hatcher, widely known teacher, administrator, lecturer, and author, was made dean of the College of Arts and Sciences at Ohio State in the spring of 1944.

A native of Ironton, Ohio, Dr. Hatcher attended Morehead Normal School, received his bachelor's, master's and doctor of philosophy degrees from Ohio State, and did graduate work at the University of Chicago and in Europe. He taught English here before his service as a lieutenant in the United States Naval Reserve during the war.

*Director, School of Journalism

*Director, School of Optometry

In 1896 the College of Arts, Philosophy, and Sciences was added to the Ohio Agricultural and Mechanical College. The first enrollment consisted of seventeen students. The attendance has grown until it is now one of the largest arts colleges in the country.

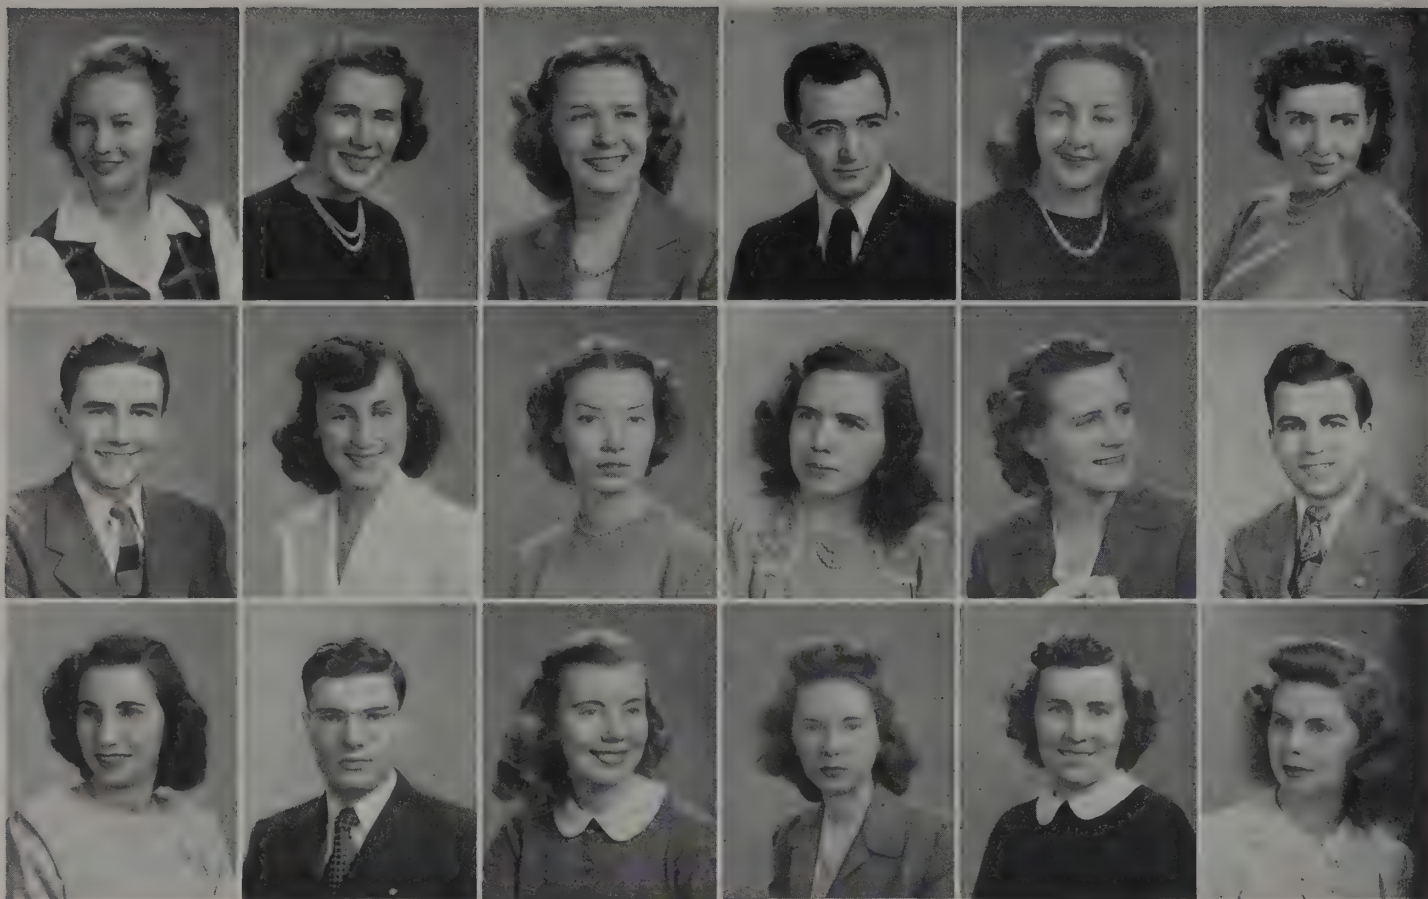

Various liberal subjects are taught in the College; they include modern and classical languages, natural and social sciences, English, journalism, speech, mathematics, history, philosophy, and optometry. The College also offers preliminary courses for medicine, dentistry, and law. Graduates receive a B.A. or a B.S. degree.

All freshmen in the Arts College are required to take one quarter of Arts Survey which gives a preview of courses.

The purpose of the Arts College is two-fold. Primarily, it never attempts to present

the student with masses of knowledge. Its aim is to provide a liberal education for its students to help them become better citizens and wiser people. Secondly, a foundation for the pursuit of a liberal profession is laid. The goal of the College is to develop the higher intellectual qualities of the students by offering them a firm background in the appreciation of the finest things in art, music, and literature; the ability to communicate with others through the medium of various languages; and the capacity to recognize and approach a problem in a scientific manner.

The Arts College attempts to help its members to work together to break down and eliminate the forces of greed, envy, and intolerance which have brought about the present world situation.

ARTS COUNCIL

The Student Council of the College of Arts and Sciences, more popularly known as the Arts Council, had its usual busy year.

In addition to directing the Explorers' Club, the Council compiled material regarding extra-curricular activities of the College for publication. Members of the Council acted as hosts at Transfer Night and the University Coffee Hours.

To culminate the year's activities, the Annual Scholarship Recognition Banquet was held, honoring students with 3.5 point ratio for the preceding year, or during their quarters in school.

CHI DELTA PHI

Chi Delta Phi is a national literary honorary fraternity open to all women students who are interested in creative writing. Application for membership can be made at specified periods throughout the year by submitting samples of one's work to the organization.

The outstanding event of the year is the awarding of the Lucile Robinson prize to the person writing the best article of the year.

Among the lecturers that Chi Delta Phi has presented to the campus are Louis Bromfield and Christopher Morley.

Officers are: George Pfeiffer, president; Rollin Jauchius, vice-president; Robert Dodge, secretary; Jay Geisel, treasurer; Philip Kaplansky, pledgemaster, and Leon Katz, Quill representative. Heading the group's social calendar in addition to the formal initiation and banquet in March, was a rush smoker held at the Blackhawk and the annual Rib 'N Roast dinner, which the SDX's co-sponsored with Theta Sigma Phi.

THETA SIGMA PHI

Theta Sigma Phi is a national honorary and professional journalism fraternity for women. Most of its members are Lantern executives.

This organization annually sponsors the Matrix table, an affair featuring a prominent woman speaker from the writing field, and also holds a timely campus wide forum. Theta Sigma Phi is responsible for the organization of the Press Club for freshmen interested in Journalism.

TOP ROW: King, Young, Duffy, Denfer, Doorley, Piper. ROW ONE: Venn, Eisenberg, McLaughlin, Witacre, Miller.

Zeta Phi Eta is a national speech-arts professional fraternity which was founded on October 10, 1893, at Northwestern University. Chi chapter at Ohio State was founded in 1941.

The chief event of fall quarter was the annual

Cameo Tea given for all women students interested in the field of speech. During the winter quarter Zeta Phi Eta presented Emily Kimbrough as one of a series of lectures, and held its annual faculty tea for members of the speech department.

"... Satin and Lace ..."

Omega Epsilon Phi

Omega Epsilon Phi is a national optometric fraternity dedicated to the advancement of optometry as an ethically conducted profession.

The fraternity is again functioning after being inactive during the war. Early in the fall quarter, Omega Epsilon Phi was admitted to the Professional Interfraternity Council.

Throughout the year open meetings were held at which prominent speakers, active in the field of optometry, addressed the organization upon current optometrical topics.

The social committee functioned very well and planned a variety of events for the enjoyment of the members. Among these were the traditional initiation banquet, and a dinner dance.

Epsilon Psi Epsilon

After being inactive during the war, Epsilon Psi Epsilon is active again this year. Being a professional optometric fraternity, it is made up of members interested in optometry. The aim of the fraternity is to promote the cultivation of optometry and the sciences on which it is based.

The interests of the men in the fraternity were not all centered on their studies. Social events played an important part in their lives. The fraternity men revived their plans for their Annual Formal. Epsilon Psi Epsilon's intramural basketball squad was very active and outstanding this year. Softball and bowling teams played an important part in their social program. This was truly an eventful year for Epsilon Psi Epsilon.

FUTURE

College of Commerce

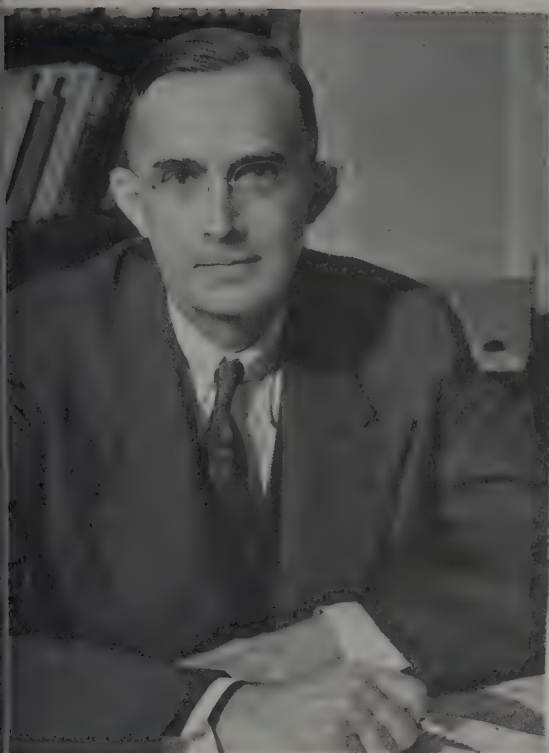

Dean Walter C. Weidler, head of the College of Commerce and Administration, is a Columbus boy who made good in his home town. Dean Weidler received both his A.B. and M.A. degrees from Ohio State University. In 1916-17 he was Austin scholar in economics at Harvard.

He has been co-author of many books on business management and has written numerous articles in this field.

Dean Weidler is a member of Beta Gamma Sigma, Alpha Kappa Psi, and the American Economics Association.

*Walter C. Weidler
Dean of College of Commerce
and Administration*

Junior Dean C. Wells Reeder

Secretary J. Wayne Ley

*Director of Social Administration
Charles C. Stillman*

The College of Commerce and Administration was organized in 1915 by the Board of Trustees. It was organized on a four-year basis in 1923. The same year the Bureau of Business Research was established to study modern business trends and to serve as a laboratory for both students and professors. Since that time it has become one of the largest and most popular colleges on the Ohio State campus, and one of the most outstanding in the nation.

The College realizes that specialized training has become increasingly important today. Its aim is to provide both practical and theoretical knowledge for the student in his particular line of interest. A liberal business background is provided with specialized curricula in accounting, business administration, economics, business organization, finance, geography, sociology, marketing and social administration.

At its head is Dean Walter C. Weidler, assisted by Junior Dean C. Wells Reeder.

Beta Gamma Sigma

OFFICERS

President, Mary Schramm

Vice-President, Junior Dean Charles W. Reeder

Secretary, Dr. Elvin F. Donaldson

Beta Gamma Sigma is the only national commerce scholastic honorary in the United States. Being a member is one of the highest honors that can be achieved in the College of Commerce. Members are selected from among the men and women in the upper three per cent of the junior class, on the basis of scholastic achievement.

Annually Beta Gamma Sigma sponsors a scholastic achievement dinner during the spring quarter for all freshmen in the Commerce College who have a point-hour ratio of three

or above. At the end of spring quarter, a plaque bearing the name of the most outstanding scholar in the freshman class is placed in the Commerce Building.

The purpose of this organization is to encourage and reward scholarship and accomplishments in the field of business studies among the students and graduates of collegiate schools of business, to promote the advancement and spread of education in the science of business, and to foster principles of honesty and integrity in business practice.

COMMERCE COUNCIL

As the representative body of the Commerce College, the Commerce Council worked to bring about closer relations between students and faculty and to advance the interests of the college and the welfare of its students through representative government.

The quarterly Student-Faculty Dinner afforded an opportunity to get acquainted with the faculty and to formulate purposes and projects for the coming quarter. Another activity of the council was the publication of the quarterly magazine, "The Commerce Bulletin."

LAMBDA ALPHA SIGMA

In April 1944 Lambda Alpha Sigma, a women's accounting honorary, was incorporated. Its purpose is to promote the study of accountancy along with its highest ethical standards and also to establish unity among women in this field.

Events during the year include lectures by outstanding speakers in the field of commerce, round table discussions, and informal meetings with Beta Alpha Psi, national accounting honorary for men. Joint initiation by these groups was held fall quarter by the commerce honoraries.

PHI CHI THETA

Higher education and training for all women who are preparing for a business career is the chief purpose of Phi Chi Theta, a professional commerce sorority.

Each year the national organization gives two scholarships for graduate study. The local chapter annually bestows an award upon the girl in Commerce College graduating with the highest four year scholastic record.

Activities for the year included lectures, the Founder's Day Banquet, and annual tea for members and faculty.

SIGMA ALPHA SIGMA

Sigma Alpha Sigma is the professional honorary fraternity of Social Administration open to the undergraduates who qualify. The purpose is to coordinate high scholastics standards with a high professional status.

The program of the organization for this year included fall and spring rushing and initiation, the annual Founder's Day Banquet, and programs which emphasized the fields of Social Administration. The main event of the year was an Open House for all students and faculty of the School of Social Administration.

FUTURE

College of Education

Dr. Ross L. Mooney has been Acting Dean of the College of Education since January 1, 1944. He will temporarily assume the responsibilities vacated by Dr. Arthur J. Klein who is retiring.

Dean Mooney received the Bachelor of Arts degree from Miami University in 1929 and the Doctor of Philosophy from Yale University in 1935. From 1935 to 1937 he was Assistant State Director of N. Y. A. Since 1938 Dean Mooney has been on the Ohio State Staff in the Bureau of Education Research.

The College of Education, established in 1907, at Ohio State, is second in size only to that at Columbia University. Besides offering a four-year preparatory course for teaching, divided into the general curriculum, special curriculum and the elementary education curriculum, the college trains school nurses, psychologists, supervisors and principals.

The Education College offers both practical and theoretical training to those who wish to become teachers in the educational field.

The practical work includes observation in the various schools of Columbus. The student sees the modern theories used for an advanced education which, if proven satisfactory, will revolutionize the present methods of education.

A general curriculum has been established which is intended for teachers and supervisors in single phases in education.

The aim is not to develop a mere knowledge of the subject and the rules for teaching it, but to provide the teachers with an understanding of the nature and needs of the young and to develop an acquaintance with the most favorable conditions for their growth.

The College imparts to prospective teachers the meaning of education in its relation to desirable social objectives; and, by means of certain technical courses in education, illustrates interpretative instruction.

At the beginning of autumn quarter the Student Occupational Therapy Association started its third anniversary on campus. The prime purpose of this organization is to foster a professional attitude among the students and to further the development of Occupational Therapy.

During the semi-monthly meetings the club learns songs, games and other diversions which would be beneficial to patients. Several doctors spoke on subjects of medicine and rehabilitation.

Membership in this organization is open to students majoring in Occupational Therapy. It now boasts a proud membership of seventy-five students.

DELTA PHI DELTA

Delta Phi Delta, the national fine arts honorary, has been busy this year. The Yuletide sale of art objects, ceramic jewelry, and handpainted gift towels was carefully set up in the lobby of Hayes Hall with grand success. Contributions to this sale were received from faculty members, Delta Phi Delta members, and other fine arts students.

The standards for membership indicate a 2.5 point hour in all academic studies and a 3.0 in fine arts work.

The organization is an inspiration to anyone interested in fine arts and its related fields.

EDUCATION COUNCIL

Established in the spring of 1944, the Education Council has represented the interests of students enrolled in the College of Education. Its members are elected from students of the Education College.

During the autumn quarter a scholarship is given to a worthy student with a high scholastic record.

Each year the council makes a cumulative record book to aid students and advisors. It is given to all students enrolled in the College of Education.

College of Engineering

After traveling extensively in Europe, the United States and Canada, Dean Charles E. MacQuigg has settled here at the Ohio State University as the head of the College of Engineering. He was the dean of the metallurgy department at Penn State College before coming to Ohio State.

Dean MacQuigg also has his favorite pastimes which prove to be photography and mountain camping trips. The Dean has become quite an amateur photographer and has produced many fine pictures.

*Charles E. MacQuigg
Dean of the College of Engineering*

William D. Turnbull, Junior Dean

Lawrence D. Jones, Secretary

For sixty years the College of Engineering has been helping students and has also helped with valuable experimental work for the government.

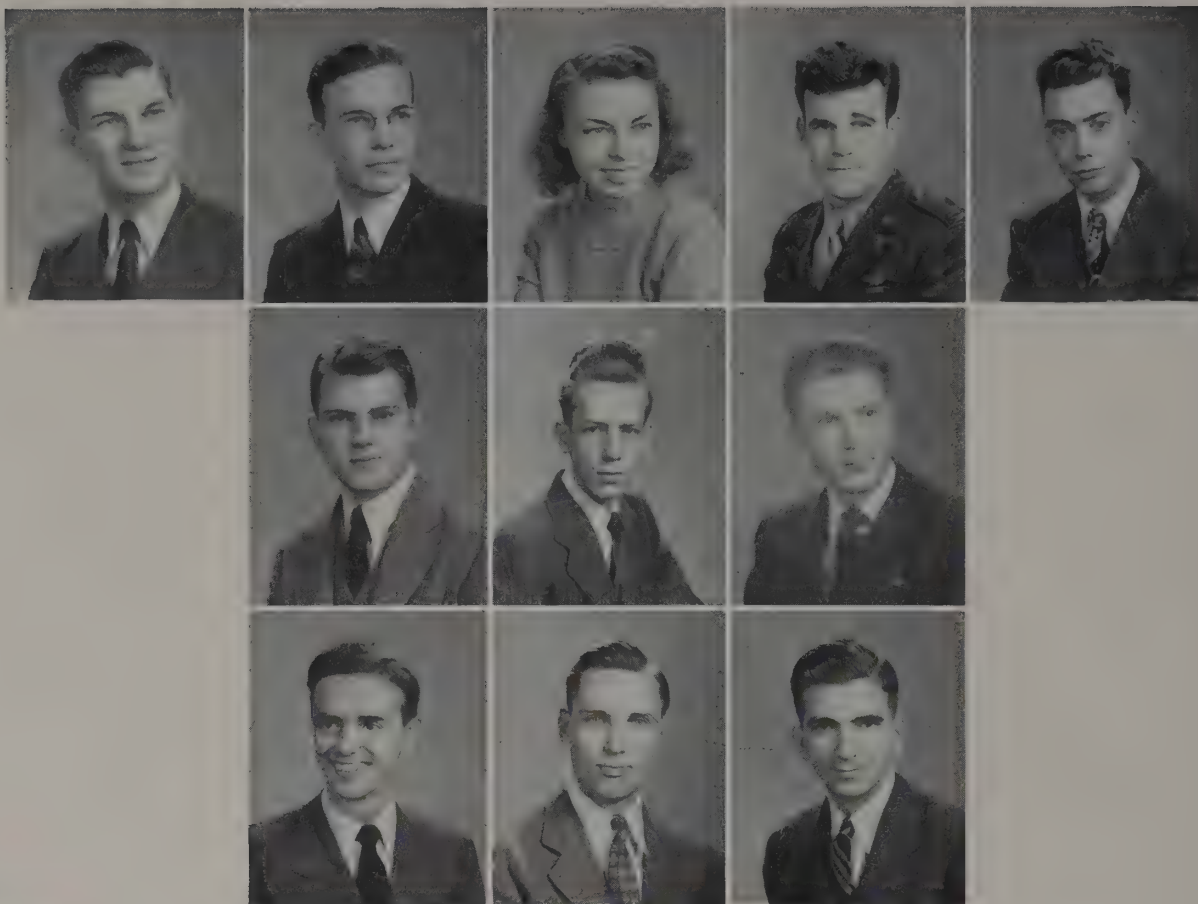

There is a varied number of sciences offered, all of which include a general background before the student is eligible for graduation. The Ohio State Engineering College is also one of the greatest in the field of Ceramic Engineering.

The Engineering College has grown from one of the smallest in the University to one of the largest in the country. Its broad and varied training, which tries to include much more than just theoretical science, fits the student well for his place in all branches of modern engineering. Here the student specializes after his first year in a particular branch of Engineering, such as Civil or Mechanical.

The demand for graduates of this college reflects the high standards of this college. In a very few years these same students will be the inventors and leaders of the future. The head of the College is Dean Charles E. MacQuigg. He is aided by Junior Dean William Turnbull.

SWSAE

The Society of Women Student Architects and Engineers is a comparatively new and already well-established organization on the Ohio State Campus.

Its purpose is to promote interest and understanding among women in the engineering profession. Included in the activities for the year were guest speakers, men and women in the engineering fields, and those in fields of interest to engineers.

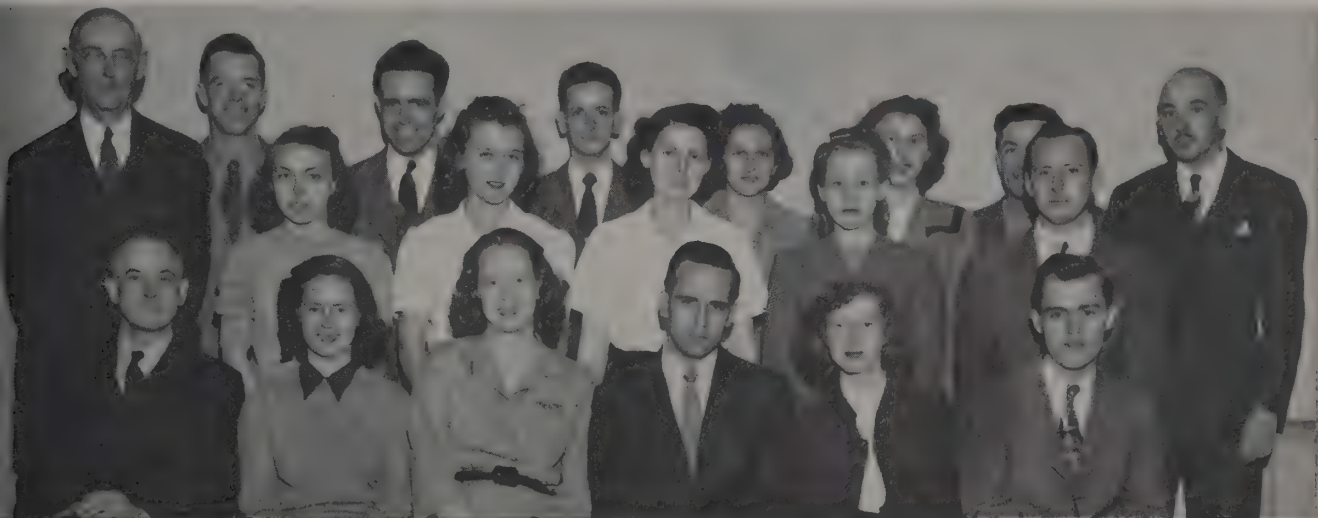

This year the organization sponsored special projects to stimulate interest among high school women students intending to enter the profession of engineering.

AIA

Due to the small size of the Architectural Department, the A.I.A. didn't begin its activities until the winter quarter. Highlighting the events of February, was the very interesting lecture delivered by Mr. Paul D. Morrow of the University Architects' Office. This lecture attracted many members of the Fine Arts Department, as he spoke on architectural rendering. Coke parties, picnics, and a dance were held this spring. The outstanding activity of the spring quarter, however, was the trip to Detroit.

The Student Chapter of the American Institute of Chemical Engineers at Ohio State endeavors to advance chemical engineering interests and promotes good fellowship among its members.

Chemical engineers and other men from the chemical and engineering professions frequently address meetings of the Institute, giving the student engineers an opportunity to hear the point of view of men already practicing the profession.

The activities of the Institute are primarily of a technical nature, but social functions as well as meetings of purely professional concern are also promoted.

ASME

The American Society of Mechanical Engineers is an international organization of professional engineers, and is one of the largest scientific bodies in the world.

At Ohio State the student branch of A S M E makes an effort to acquaint students with the activities of engineers on the campus and throughout the world and presents interesting programs during the course of the year.

The social chairman, Bill Gunn, arranged an unusual program on January 7, starring R. C. Blayloch, designer of the "Hell Diver" and on February 12, a program by Hank Porterfield.

FUTURE

College of Dentistry

Dr. Wendell D. Postle, who succeeded Dr. Harry Semans as Dean of the College of Dentistry, was appointed to that position in October, 1939, after his distinguished service as Acting Dean of the College during the previous year.

Dr. Postle was graduated from Ohio State University in 1923. During his undergraduate years Dr. Postle was an active member of Phi Kappa Psi. His name was also on the roster of Psi Omega, dental fraternity, and Omicron Kappa Upsilon, honorary dental fraternity.

The reassuring smile

The fact that the enrollment in the University's College of Dentistry is among the highest in the country is sufficient proof that the College ably achieves its natural aim: the fitting of the students for the exacting specialization of dentistry. The College offices are located in Hamilton Hall, as are those of the College of Medicine, and the work of the two is closely connected in many ways.

Prospective students first attend the College of Arts and Sciences for at least two years before being considered for admission. The dentistry course itself takes four years. The student is trained not only technically but also with regard to his personality and appearance.

Students in the College are given the opportunity of practical experience through a modernly-equipped dental clinic, which offers free dental work to many persons. The college is also a member of the Dental Faculties Association of American Universities.

Alpha Kappa Gamma

The dental hygiene sorority, formerly known as Odontia, became national this year under the title of Alpha Kappa Gamma. This is the only national dental hygiene sorority in the United States.

To keep themselves busy through the year, the Alpha Kappa Gammas have given lectures and drills for better dental health among children. Also for children in various orphanages, plaster molds of funny book characters were made. This proved to be as much fun as it was work.

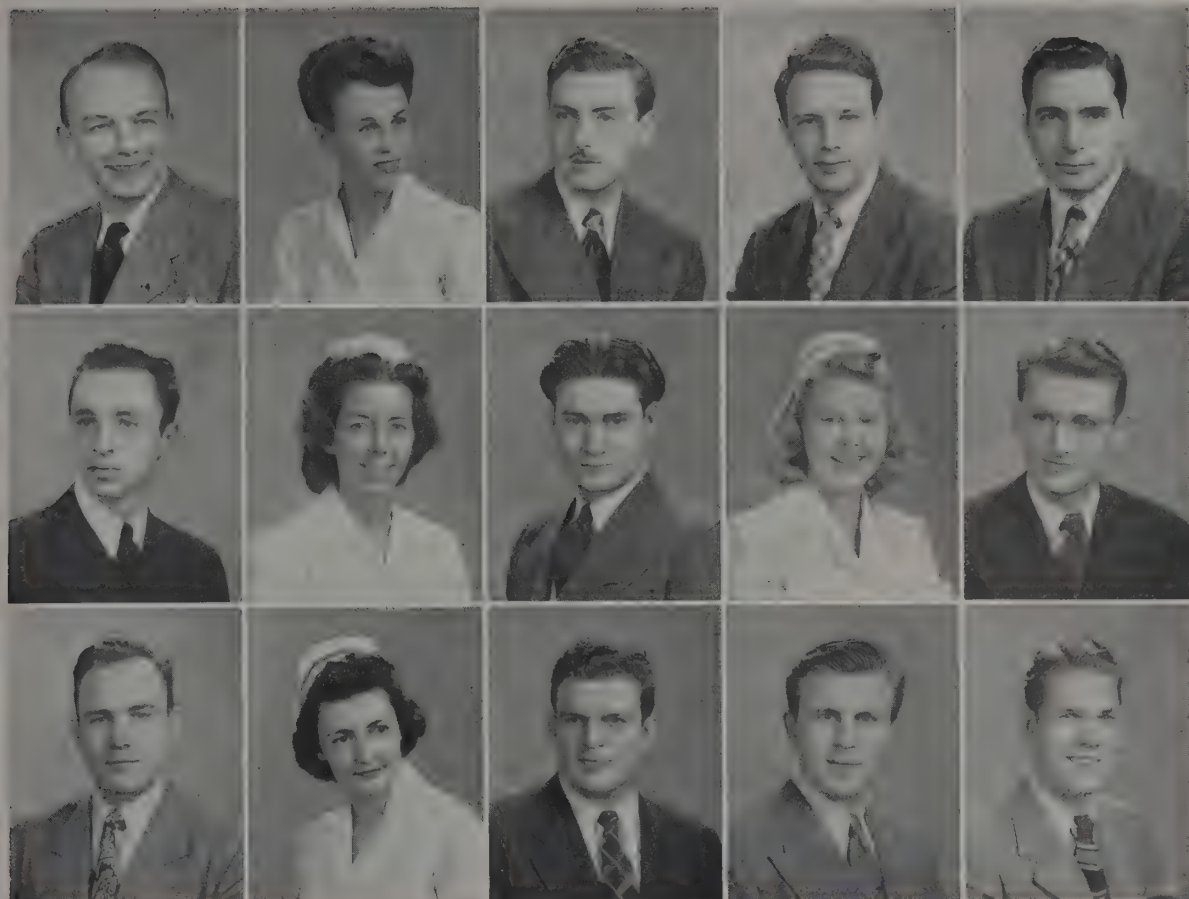

To prove that they are interested in charitable functions, these dental hygienists collected for Thanksgiving and Christmas baskets, and also collected sales tax stamps. Among other social functions, one of the most outstanding was a style show.

In October '45 Psi chapter of Alpha Omega realized their dream of many years. They purchased a larger and newer house located at 1515 Neil Ave.

It was officially opened for inspection at a housewarming. The fellows approved heartily of the choice, and the gals showed their enthusiasm by swooning. All looked forward to future social events at the new house.

For the first time since the start of the war, Alpha Omega held a strictly formal homecoming. The formal dance took place at the Seneca Hotel on Friday, and a house party wound up the festivities the next evening. During the spring quarter a dinner dance was held along with a formal initiation of the '49 class.

This past school year saw Psi chapter of Psi Omega celebrate another banner period, with the outstanding occurrence, the acquisition of the National Collegiate Golf crown, by brother, Dr. John Lorms, with an easy four and three victory over Sailor Griswold, Michigan candidate. Prexy Thornton D. Dixon was a mainstay of the Buckeye football team, playing first team tackle.

At the annual Senior Recognition Dinner-Dance, in addition to bestowing fifteen Psi Omega diplomas, the chapter awarded special honors to Fred Lindsay, for his brilliant scholastic record and the Grand Master's Key to James Simms.

Socially, Psi O's functioned during the year in their usual grand fashion.

Delta Sigma Delta, a professional fraternity for men in dentistry, has an exceptional academic record, having the highest point hour average of any dental fraternity. Five of the six top men in this year's class, as well as last year's class, are Delta Sig's.

They also have some outstanding figures in sports. Keith Phelps is captain of O.S.U. baseball team for 1946, Alex Franklin is captain of O.S.U. tennis team for 1946 and also Big Ten doubles champion for 1945, and Eugene Jones was fencing captain for 1945.

Delta Sig has many social events during the year; one of their largest social affairs was their graduation dance at the Chittenden Hotel, February 23. It was given for the senior class members; each senior was given a gift by their remaining brothers.

College of Law

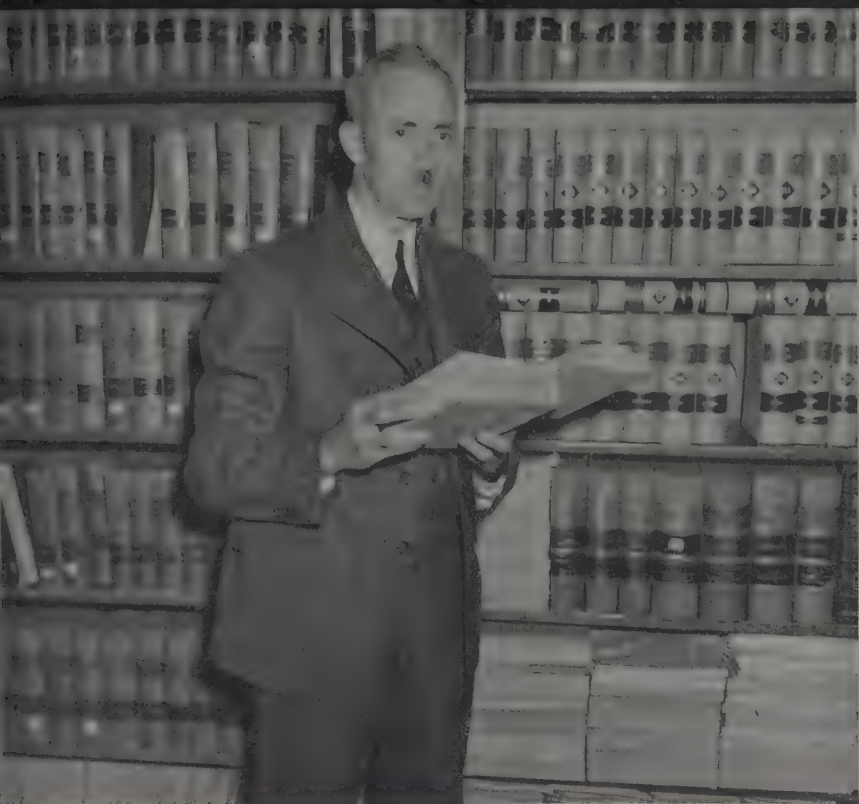

The students and faculty of the entire Law College joined in mourning the loss of the beloved Dean of the College of Law, since 1940, Arthur T. Martin.

Born at Hadjin, Turkey, a son of missionary parents, Dean Martin returned to the United States for his education, graduating from Columbia University with the Master of Law's Degree.

In addition to serving as Law College Dean, Dr. Martin distinguished himself in many governmental war agencies and was prominent in campus faculty organizations.

*The late
Arthur T. Martin
Dean of the College of Law*

Robert M. Hunter, Secretary

Page Hall

The end of hostilities occasioned an increase in law students to an extent which indicates a rapid return to pre-war level of enrollment. Both students and faculty members are returning to Law School after having education and teaching careers interrupted by military and governmental service. Like other colleges a greater part of the Law School student body is composed of returning veterans.

In keeping with this great influx of students, the faculty of the Law College arranged a series of refresher courses for those students whose educations had been discontinued before and during World War II.

The College seeks to train lawyers who will be useful citizens as well as skillful technicians. It pioneers in curricular changes, giving a more practical vocational training as well as a more adequate basis for understanding the function of the law in a democratic nation.

One of the three accredited legal schools in Ohio, the College of Law is rated highly among the law schools of the country. Through a recommended program of study, the curriculum is integrated with pre-law training, and the study of legal theory is correlated with law practice.

Phi Delta Phi

Phi Delta Phi was reactivated on campus in December, 1945. The chapter is holding weekly meetings to serve the double purpose of friendship and the promotion of legal ideals in the profession. Plans have been completed to enlarge the chapter by pledging students who are outstanding both in academic work and professional attitudes.

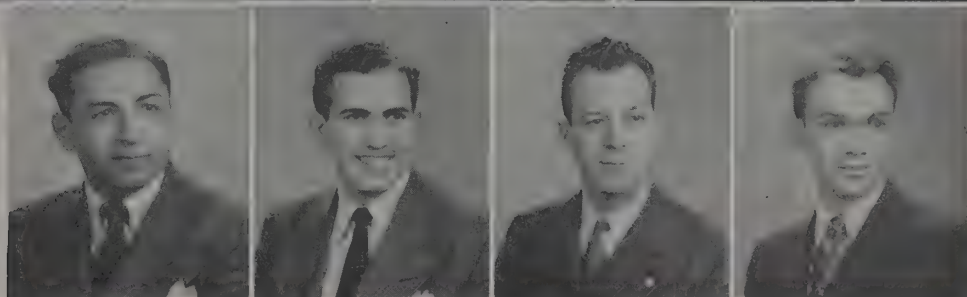

Shortly after the War between the States and ten years before the formation of the American Bar Association, a group of students in the Law Department of the University of Michigan found a need for a fraternity of lawyers. They did not realize at that time that they were founding the first professional fraternity in America. This is the brief history of the founding of Phi Delta Phi.

The Ohio State College of Medicine has grown from a small school founded in Willoughby, Ohio, in 1834 to an institution of high repute in medical and educational circles. Only the most modern methods of medicine are taught so that the Ohio State University medical school is well able to be considered one of the most progressive and advanced colleges for the teaching of medicine in the country.

The number of admissions to the Medical College is limited, and therefore only the most select group of applicants is granted admission. The applicant before becoming a full-fledged medical student, must prove his worthiness on the basis of past scholarship, personality, and psychological and aptitude tests. The applicant must also be a resident of the State of Ohio; this requirement was established by a recent state law.

A new part of training for seniors is the Out-patient Clinic, which has faculty members as the staff.

Alpha Kappa Kappa

The past year has been an eventful one for the men of Alpha Kappa Kappa. October found the house open and redecorated after being closed last year because most of the brothers were in A.S.T.P.

Football season held their interest in November and after the games the guys and gals held dances at the house. The best Christmas present the fraternity charged into civvies.

The Beta Tau chapter of Nu Sigma Nu has upheld and even exceeded its past record of scholastic, social and athletic achievements.

The activities of the fraternity are many and varied. The intramural basketball, football, soft-ball, and bowling teams have compiled a good record. The social activities of the chapter during the past year have been enjoyed by all. Two formal dances were held as well as several house and stag parties. Picnics were a frequent occurrence during the summer. The annual Christmas party with under-privileged children as guests, and the Alumni and Senior banquets proved to be most successful. To uphold and maintain its scholastic standing each year scholarship prizes are awarded to the outstanding sophomore and freshman of the year.

Phi Chi continued to display its leadership among medical fraternities throughout the past year. Twenty-three freshmen in the College of Medicine were pledged.

In athletics the Phi Chi football team won the University Intramural championship, under the leadership of Captain Bud Rawers. Three members of the team, Captain Rawers, Chet Kasnersky, lineman, and Bill Schwartz, back, were chosen to be on the All-Star Intramural team.

Socially, the Phi Chis had a variety of events. In addition to several rushing parties, there were a number of after-the-game parties, and the season was climaxed by the Winter Formal.

When Phi Delta Epsilon speaks of a "banner year", it must at once be appreciated that the fraternity's aims, socially speaking, are extremely modest and unpretentious. If it contributes to the broad aims of its university in encouraging intellectual curiosity among the members, if it affords a well-balanced program with the idea of keeping its members well-fed, well-exercised, and generally happy, it may proudly say that it has had a "banner year."

The important social events have included the Annual Spring Dance, the Senior Banquet, and a dance held jointly with the Alpha Omega Dental Fraternity. In sports, there has been active participation in interfraternity baseball, football, and basketball with the usual degrees of success.

College of Pharmacy

Dr. Bernard V. Christensen, appointed Dean of the College of Pharmacy in 1939, received his M.S. and Ph.D. from the University of Wisconsin where he was an active member of Rho Chi, pharmaceutical honor society.

Dr. Christensen has distinguished himself in pharmacy and in scientific research. He is a Fellow in the American Association for the Advancement of Science, as well as a member of the Committee of Pharmacopoeia Revision in the United States, in which his contributions brought him distinction.

Pharmacists in action

When a state law was passed in Ohio requiring that all persons engaged in the practice of pharmacy must be examined and registered, the College of Pharmacy was created as a part of Ohio State. Pharmacy was only a department of the University until that time.

The College of Pharmacy now ranks among the first ten in the United States in point of enrollment. The curricula are designed to train men and women for the practice of retail pharmacy and to provide a broad scientific education which will qualify them to fill capably a large number of different types of positions in the field of pharmacy or related sciences.

The College, furthered by the addition of a new building with the latest equipment, makes every effort to keep its departments abreast of all new ideas and discoveries in the field of science, surgery, and medicine.

With well-equipped laboratories and a complete drug store, the College offers opportunities for practical experience to students.

The College interests the prospective pharmacists in the progress of the closely related fields affecting the community health.

RHO CHI

Rho Chi is a national honorary society for the recognition of students in Pharmacy, who have attained high standards of scholarship at the end of their Junior year and who possess outstanding personal qualities.

In an effort to promote scholarship, an award is presented to the freshman who has displayed the most noteworthy achievements in the College of Pharmacy throughout the year.

This year's activities included interesting trips, special dinners, and other activities of an educational nature.

KAPPA EPSILON

The purpose of Kappa Epsilon is to unite the girls who are pursuing Pharmacy as a profession. Since becoming active again in 1939, Epsilon chapter has increased its membership considerably.

The members are all enrolled in the College of Pharmacy. In spite of full schedules in scholastic work, the girls participated in extra curricular activities. Each member is active in one of the various organizations in the College of Pharmacy. The girls held dances and other social activities during the year.

College of Veterinary Medicine

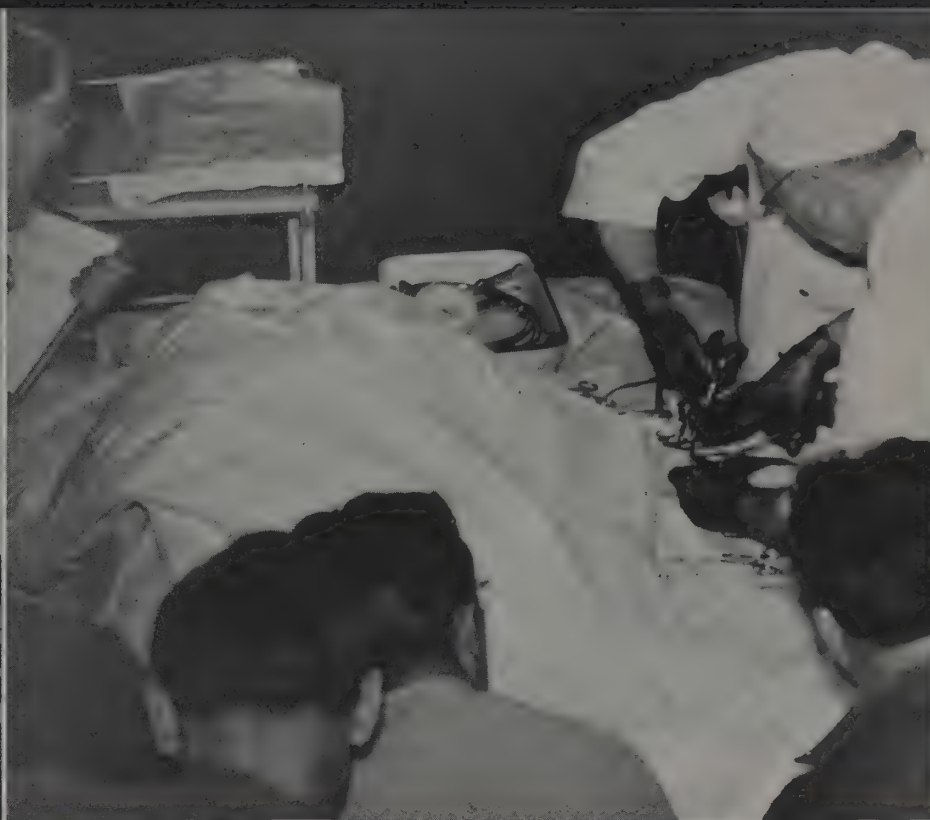

Dr. Walter R. Krill became Dean of the College of Veterinary Medicine in February, 1946. A graduate of the Colleges of Agriculture and Veterinary Medicine, Dean Krill has been a faculty member for 17 years. He is an honorary member of Omega Tau Sigma, Alpha Psi, and Phi Zeta, an honorary veterinary medicine fraternity. Dr. Krill is a member of the executive board of the American Veterinary Medicine Association, and chairman of the committee of the National Research Council to Study Training of Veterinarians.

Vet Meds in operation

The College of Veterinary Medicine at Ohio State University is the largest in the United States. High entrance qualifications and high standards must be maintained in this College.

The curriculum consists of four years of college work. Before a student may be admitted to the College of Veterinary Medicine he must have taken at least one year of college work. The pre-veterinary work may be taken in the College of Arts and Sciences or at some other accredited institution.

The purpose of the College is to train students so that they will be prepared to serve in many fields such as public health, inspection of food, etc. This work may be carried on in federal, state, and municipal fields.

The Veterinary Clinic provides the necessary experience for training in veterinary medicine. Because of its reputation for excellent work, the Clinic is entrusted with pets of many local people.

With the Alpha Psis functioning on a twelve-month basis, there has been no let-up in professional and social activities.

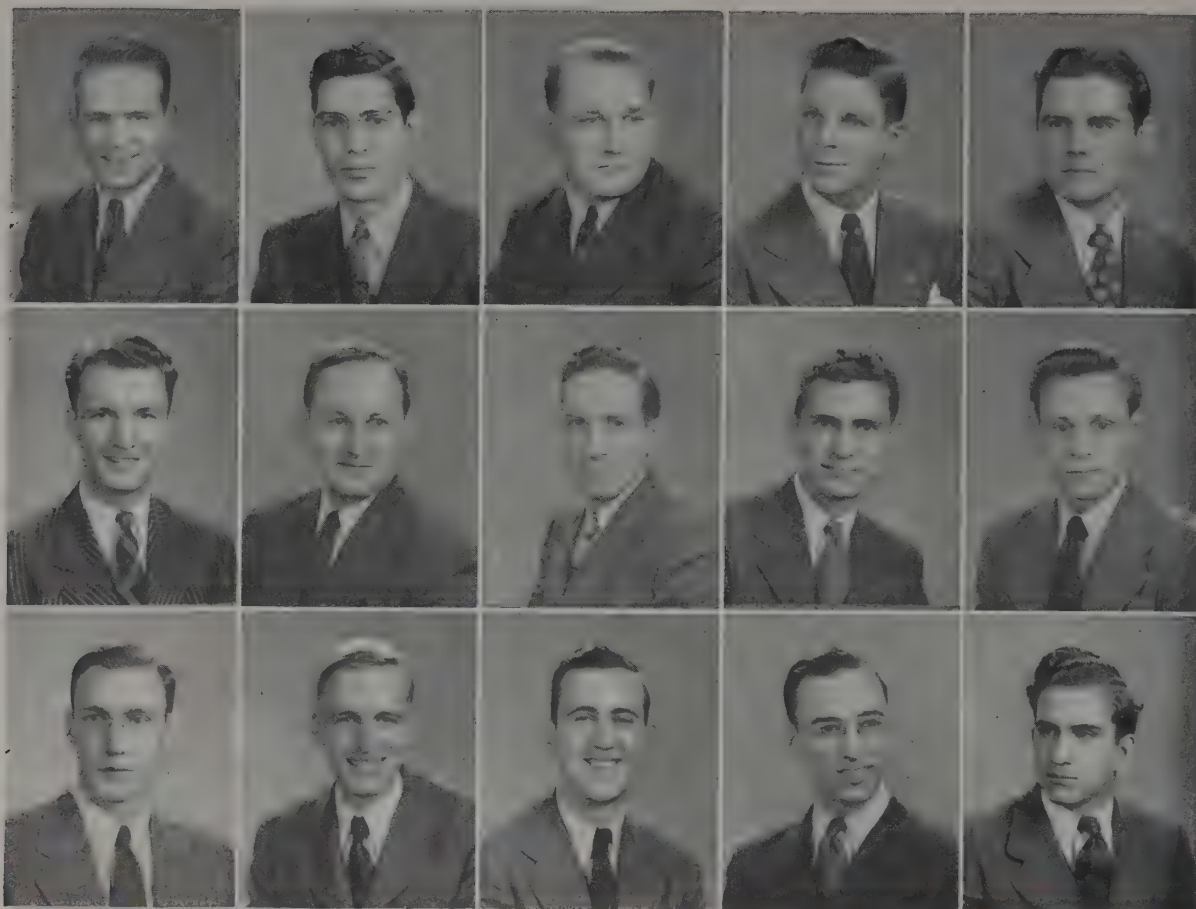

Recognition for scholastic attainment has come to Alpha Psi this year in the form of the Burrell Trophy. This trophy is awarded each year to the professional fraternity with the highest point-hour.

Alpha Psi has demonstrated particular prowess on the athletic side this year in the persons of Captain Bill Hackett and All-American Warren Amling.

The pledge class was substantially larger than it has been during the war with the return of service men, all promising potential professional men.

The calendar of Omega Tau Sigma was dotted with numerous activities with pledge parties heading the list. These were followed by a dance at Valley Dale, an eerie Halloween party, and numerous others. The grand finale was the senior send-off which was held at the Beechwold with Lloyd Gaetz's band giving out with soft scintillating refrains.

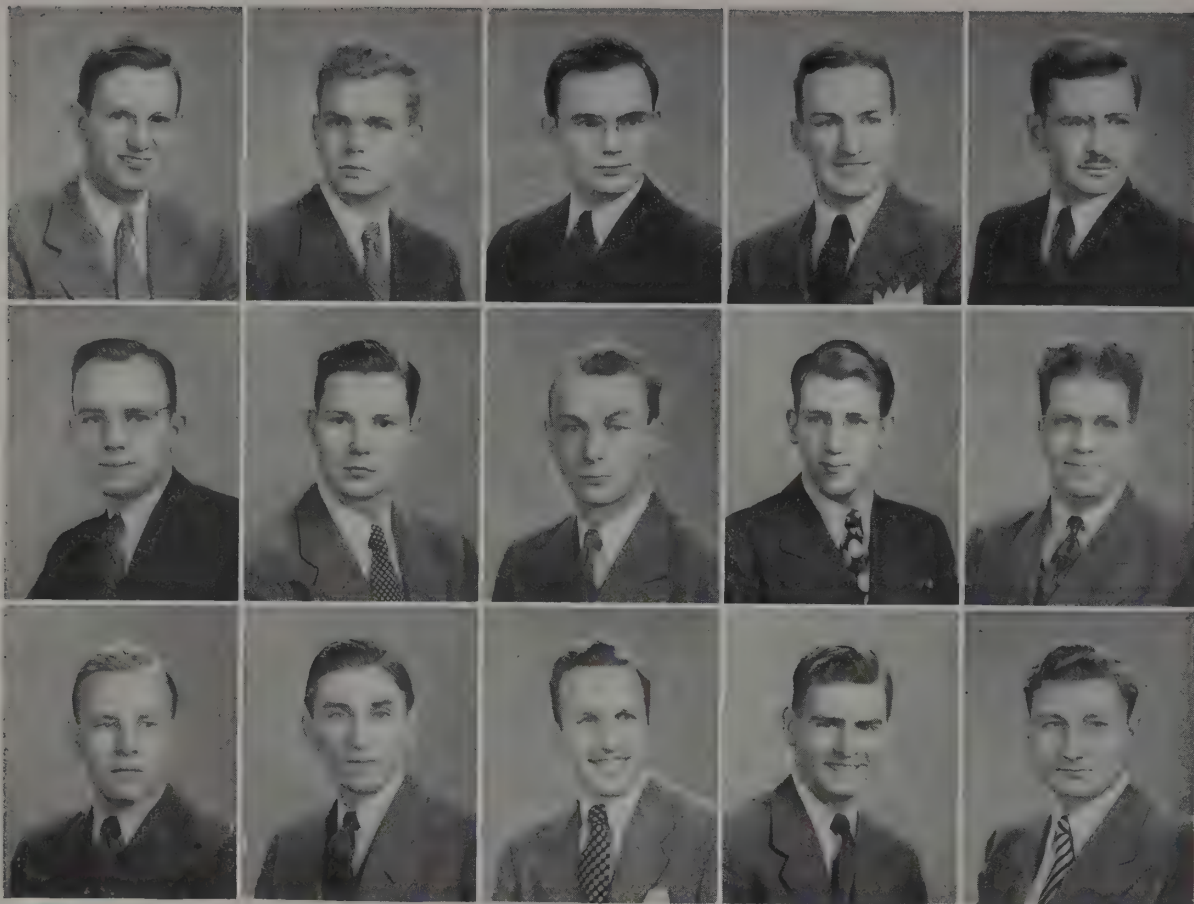

In the field of sports, the bowling team progressed all the way to the finals and was then edged out.

In addition to their many activities, the members came through scholastically, rating second highest among the professional fraternities.

The entire fraternity and profession suffered a great loss in the death of Brother Melvin O. Johansen.

Junior American Veterinary Association

The Junior American Veterinary Medical Association is composed of students in the College of Veterinary Medicine. Pre-veterinary students are not eligible for membership but are invited to attend meetings. This association is national in form and includes a chapter in each of the ten Veterinary Colleges in the United States. The constitution and form of government is uniform throughout the ten chapters.

The graduating seniors are eligible for membership in the parent organization of the American Veterinary Medical Association which is wholly composed of graduate veterinarians. The requirements for a student certificate are fulfilled by attending half of the meetings held each year for four years.

A dance is held each quarter which is supported by the faculty as well as the students of the college.

Norval Neil Luxon, Director

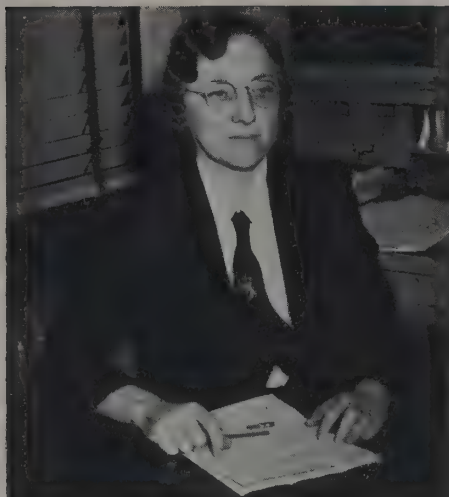

Twilight School

Established in September, 1942, under the direction of a faculty committee, Twilight School in its first quarter had an enrollment of 539. Dr. Norval Neil Luxon assumed direction of the school in April, 1944. An integral part of the University, it offers full-credit courses on all levels from freshman year through the Graduate School after 5 p.m. and on Saturday morning.

Twilight School affords students who have been compelled to withdraw from the University an opportunity to complete their education and earn a degree in evening hours; it enables other fully employed persons to take courses directly related to their jobs, and it offers an opportunity to still others to attend classes for purely cultural benefits.

The instruction and training of graduate students has been one of the functions of the Ohio State University since 1878, when the first graduate student was in residence. For a number of years the graduate work of the University was unorganized and each department conducted its own work with little reference to that of other departments. In 1902, however, the graduate work within the College of Arts had assumed sufficient proportions to warrant the organization of a Graduate School to secure an effective arrangement of the graduate work of that college. Finally in 1911, there was organized the Graduate School of the University to administer all the graduate work offered in the several departments of the University. This School is under the administration of a Graduate Council headed by the Dean, Alpheus W. Smith. Under his able leadership the school has made great advances in the field of graduate work.

Students from every state and continent make up the roll of the Graduate School seeking higher education.

PETERS

Visits Hollywood

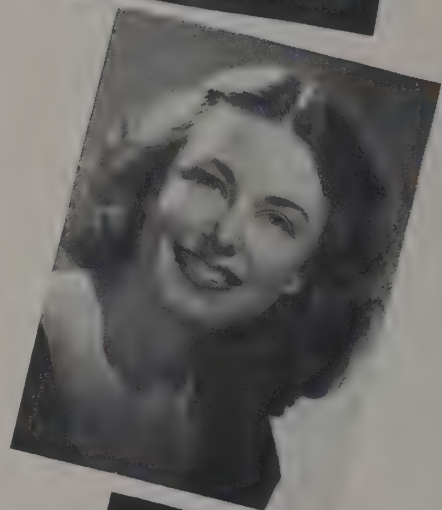

Beautiful Jean Peters, a Canton sophomore, was selected as Miss Ohio State on the basis of face, figure, personality, and poise. A trip to Hollywood was the reward of the contest featuring 267 contestants. Screen tests and radio shows awaited Jean in Hollywood as well as a gay social round of events. Accompanied by Look Magazine photographers, Jean was entertained by Victor Mature, George Raft and numerous other film celebrities after successfully winning a seven-year screen contract.

Twelve beauties, selected from forty semi-finalists, appeared in the finals of the Miss Ohio State Contest. Pictured from left to right are: (Top Row) Janet Kemper, Gladys Sahr, and Peg Workman; (Top Center) Sue Campodónico and Joan Beard; (Bottom Center) Ruth Walter, Diane Seibert and Lahoma Crum; (Bottom Row) Beverly Cover, Lila Spung, and June Hickman.

Gold Diggers' King Ollie Cline hails from Fredericktown, Ohio. Chosen as the outstanding fullback of the Big Ten, the "Blonde Bomber" was selected by the Chicago Tribune as Ohio State's most valuable player. He achieved fame similarly by election to several All-American teams. Ollie's athletic activities were temporarily postponed with his induction into the armed services during winter quarter.

Chuck Becker, President

Delta Tau Delta president Chuck Becker was also elected president of the Junior Class. Among his extra-curricular activities he lists: Marjorie Saum, his Alpha Xi "pin pal", Inter-fraternity Court of Justice, CMO, Ohio Staters, Co-Chairman for Home-coming, Traditions Week Panorama, and Panhellenic. Golf, steaks, summer formals, and friendly arguments are on Chuck's "yes" list.

Tall, brown-eyed Ted Hendrickson not only takes care of the funds for the Junior Class, but presides as President of Phi Kappa Sigma. A mechanical engineering major, Ted is an active member of the American Society of Mechanical Engineers.

The Junior Class of 1946 was indeed an outstanding one. Participating in almost every activity on campus, the Juniors outdid themselves as campus leaders and activity chairmen.

Heading the executive staff of the Makio was Pauline Marcus, editor, and Esther May Wolfe, business manager.

Another BWOC, Ginny Turner, was the capable Secretary-Treasurer of the Student Senate. Lynn Long edited the dynamic Scarlet Fever.

Heading the Junior-Senior Prom Committees, sponsored by Chimes and Bucket and Dipper, junior honoraries, together with Mortar Board and Sphinx, were Nancy Dunham and Ray Wells.

Serving as chairman of another successful Homecoming were Chuck Becker and Elaine Judy. Traditions Week chairman was Eleanor Ott, while Dottie Jones and Bob Gatch handled the Red Cross Drive on campus.

The Junior Class Cabinet consisted of Jody Nida, Elaine Judy, Tom Johnson, Marv Whit-

man, and Tony Carocio, chosen for their personality and service to the University.

The Council of Men's Organizations was headed by Bill DeMora, and was organized for the purpose of co-ordinating all men's activities.

With the return of thousands of new students, our campus again resumed the traditional spirit which was diminished during the war.

Members of the Junior Class experienced their gayest, fullest year as they waited expectantly for the climax of their College life, here at O.S.U.

The blindfolding

On the way to Orton

Chimes "belles"

The initiation ceremony for Chimes is one of the most thrilling and beautiful of all honoraries initiation ceremonies. It begins early Monday morning, May Week when the new initiates are awakened by the ringing of chimes, and are notified by a former Chimes member of her election. That afternoon the white-clad neophytes meet on the steps of University Hall for their Chimes picture, taken in a bell formation. From there they gather at the sun-dial to be solemnly blindfolded and led to Orton Hall where a secret ceremony is held, and the traditional chimes rung. The initiation dinner was held at the Fort Hayes Hotel. Chimes worked with Bucket and Dipper to sponsor the Junior-Senior Prom, and in April gave the annual recognition tea for outstanding freshmen women.

Bucket and

New initiates into Bucket and Dipper, junior men's honorary, were informed of their election on Tuesday night of Traditions Week. Awakened from their sleep with a bucket of cold water, the new members carried a bucket and dipper to all their classes during the week. As a part of the initiation, on Friday, the newcomers could be heard singing "Jack the Ripper" in lusty voices throughout the Ohio Union, where they marched through the activities' offices entertaining the inhabitants. A dunking in Mirror Lake provided the traditional closing of rough initiation activities.

Formal initiation found the members at the Bucket and Dipper Rock where a secret ceremony was presented. A banquet followed honoring and officially installing new members. Bucket and Dipper men are chosen on the basis of outstanding leadership, scholastic achievement, and service to the University.

The tall, swarthy boy with the flashing smile is Bill Gillespie, our Sophomore Class President, whose home town is Middletown, Ohio. He plays clarinet in the Ohio State Marching Band, is a member of the Council of Men's Organizations, and the Student Senate.

Lovely brown-eyed Lois Hendel, Alpha Epsilon Phi's contribution to the Sophomore Class officers, is from Pittsburgh. She was a Sophomore secretary of WSGA, and was elected secretary of Mirrors during winter quarter. She was also a member of Women's Ohio and Pomerene Board of Control.

Dick Lasko, treasurer, was director of Student Activities, member of Romophos, Vice-President of the Council of Men's Organizations, member of Ohio Staters, Inc., Strollers, and Phi Delta Theta.

Bill Gillespie, President

Sophomores

During fall quarter, Mirrors and Romophos, the sophomore honoraries, were co-sponsors for the Sophomore Prom, one of our largest all-campus dances. Prexy Bill Gillespie and his Queen, Georgia Barrett, reigned over the festivities. George Paxton and his band provided the music for dancing. A gay Balloon theme was carried out in the decorations. Chairmen for the affair were Betty Ayers and Webb McKee.

In practically every campus organization, sophomores can be found working with enthusiasm surpassing even that displayed during their Freshman year. In all aspects of campus life, drama, music, athletics, and in all the major activities—Student Senate, WSGA, Makio, Scarlet Fever, Strollers, VIC, Browning, the honoraries, and many others—our class of '47 leaders came to the front to accept new responsibilities and to fill those offices and leadership positions vacated by retiring upperclassmen.

Dick Lasko, Treasurer

Lois Hendel, Secretary

MIRRORS

Mirrors was founded in 1934 to orient freshmen girls and guide their participation in campus activities. Mirrors girls are chairmen of the various Mid-Mirrors committees, and leaders in other major campus activities. The main projects of Mirrors were co-sponsoring with WSGA the Gold-Diggers Prom; and with Romophos, the Sophomore Prom. After the graduation of Betty Bish, our Mirrors Chairman, Doris Anders was elected by the WSGA board to take Betty's place. Replacing Elaine Judy, retiring Mirrors secretary, was Lois Hendel.

Thirty-three new initiates were sent their Mirrors bids on the first day of Traditions' Week. The next morning, old members met their "little sisters" by William Oxley Thompson's statue and marched beside them to the west bank of Mirror Lake, where the pinning ceremony was held. Following the wel-

coming speeches of Mrs. Conaway and Betty Bish, the old and new Mirrors girls became acquainted at a luncheon served at Pomerene. Candidates for Mirrors are selected on the basis of scholarship and outstanding participation in major campus activities, including Mid-Mirrors.

ROMOPHOS

At midnight on Sunday preceding Monday of Traditions week Romophos actives visited the new members, called them down to a darkened room, and formally presented them with the traditional locks and chains which they were instructed to carry to classes the next day.

Three of the initates were drafted into the army during the year, but returned veterans, former Romophos members, filled their vacancies.

Thirteen new members were initiated Monday afternoon at a semi-formal ceremony held at the Ohio Union, after which the annual banquet was served to both old and new members. Carroll Widdoes and Les Braily were selected as honorary members.

The Sophomore Prom, sponsored by Romophos and

Mirrors, featured a name band and a ballroom theme. Members of Romophos also ushered for Freshman Convocation.

Officers of the organization were: president, Wilbur A. McKee; vice-president, Joseph W. Johnson; secretary, Frederick D. Meyers; and treasurer, Tom D. Rose.

In the later months of last year, the members of Scholaris suggested that their organization become a chapter of Alpha Lambda Delta. The Ohio State chapter became the forty-eighth national chapter. Alpha Lambda Delta was made national when the second chapter was installed at Purdue University in 1926. Although new to Ohio State, Alpha Lambda Delta's purpose is an old one, that of high scholastic standing among the freshman women. The installation ceremonies were held in Pomerene Hall on May 19, 1945; the ceremonies were followed by a banquet at the Fort Hayes Hotel for the new initiates. In anticipation that the upperclass members will continue their fine scholastic standing and interest in campus activities, the members of Alpha Lambda Delta have called themselves "Collegiate Alumnae."

TOP ROW: Melick, Dumbar, Henderlick, Stratton, Hand, Schnarre, Christy, Heaslip, Seese, Antol, Ault, Moore, Coburn, Benjamin. ROW THREE: Fox, Pifer, McDaniel, Pringle, Gaumer, MacDonald, Reynolds, Beerbower, Staman, Sullivan, Loren, Grabam, Spitz. ROW TWO: Goodman, Kapusta, Paterson, Conaway, Armitage, Remington, Beck, Washington, Webster, Bradley, Herbkersman, Hall. ROW ONE: Boone, Goldberg, Sobel, Adams, Cornelius, Babner, Urban, Timblin, Geobagen, Anders.

Phi Eta Sigma

Returning veterans brought new life to Phi Eta Sigma, freshman men's honorary. To become a member of this honorary, freshman men must achieve a 3.5 point hour ratio, which entitles them to wear the golden key.

There were a total of sixty men initiated in Winter and Spring quarters, and twenty more men in the Fall. Phi Eta Sigma was, however, able to hold its own at a revival of the spring party with Alpha Lambda Delta this year.

Initiation was held at a downtown hotel and a full evening program was given. Social events again highlighted the program for Phi Eta Sigma and showed a marked change from a war-time to a full peace-time honorary.

Freshman Life

On the Campus

As they first assembled with their sections along the Oval's "long walk", over three thousand new students caught the Spirit of Ohio State.

Climaxing Freshman Week, the week of orientation for new students; was the first football game of the season, where throngs of old and new students and football fans poured into the magnificent, now antiquated, Ohio State stadium.

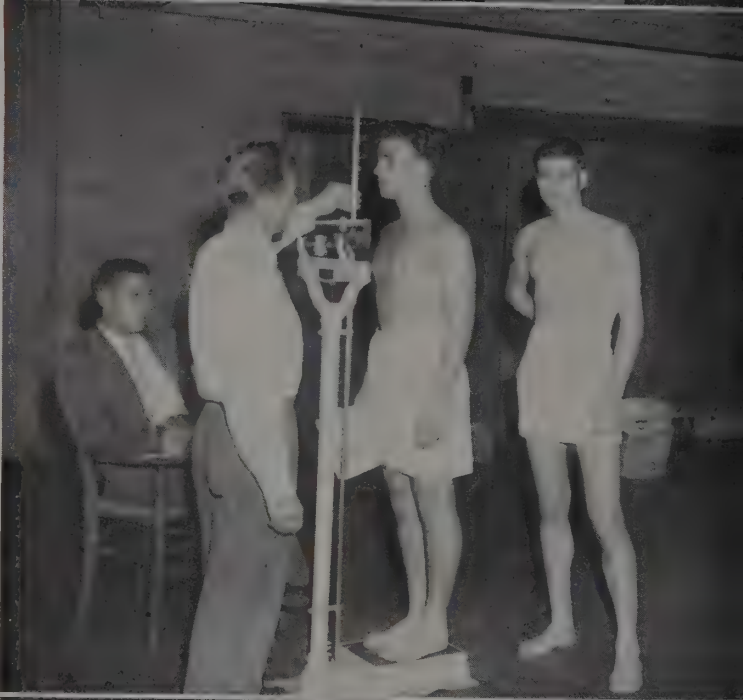

During the year a continual stream of World War II veterans were admitted to the University, most of them to the freshman class, where they generously contributed their services and personalities to campus activities and classes.

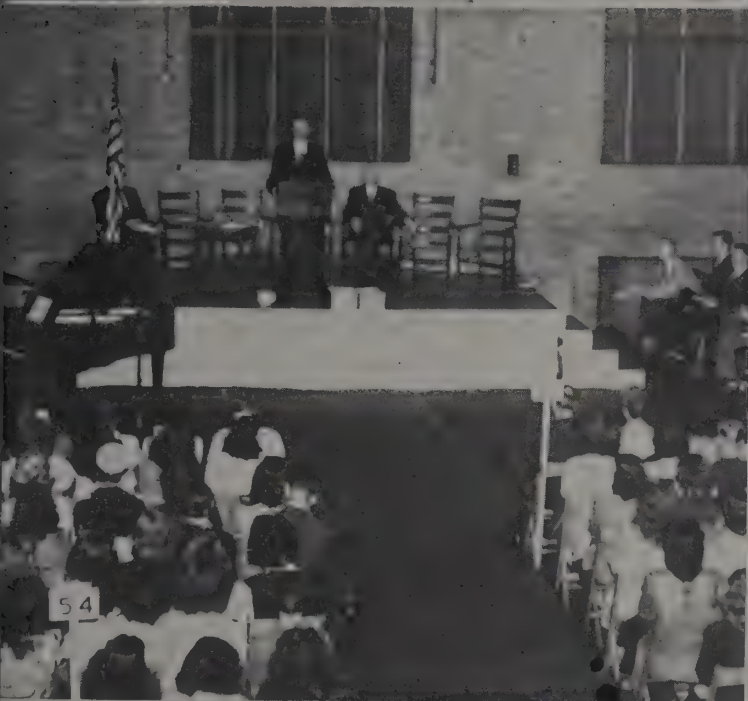

With the occupation of Baker Hall by women students, more girls were privileged to enjoy the conveniences and advantages of dormitory life, which features frequent teas, open houses, formal and informal dances, and the opportunity to make many friends.

FUTURE

1946 makio

Tiny, efficient, "Little Marcus" carried through with flying colors the tremendous job of editing one of Ohio State's largest yearbooks. Pauline is a junior in Commerce College, majoring in Social Administration.

Steaks, music, swimming, and dancing are on Pauline's "yes" list and the theatre is her choice for entertainment. "Polly" is secretary of Chimes and has been active in Mirrors, YWCA, and Links. She was also elected vice-president of Sigma Delta Tau sorority.

When do they work?

When do they play?

This year's "Magic Mirror", one of the largest of Ohio State's 65 yearbooks, revealed not only reflections of the year's activities in kaleidoscopic review, but also presented a phantom picture of what is to come; for the theme of this year's Makio is "Looking to the Future". This year, Ohio State, like college campuses all over the nation, experienced a revolutionary and dynamic change from a quiet dormant campus, to a suddenly aroused institution of learning which found its facilities sadly inadequate to accommodate the steadily increasing enrollment. The Makio is looking toward the added facilities and new buildings which appear in the visions of Ohio State's future. With the return of thousands of veterans, the Makio foresees responsibilities and major campus positions again filled by men after three years of efficient feminine management.

Long blonde hair, laughing brown eyes, and a carefree personality—that's the 1946 Makio's Associate Editor, Norma Jane MacPherson, Delta Zeta. Women's Ohio, SOTA, YWCA and Links are on her list of other activities.

1946 Makio

With the supervision of a thousand more Makio sales over any previous years, Alpha Xi Delta's "Skeeter" has taken the increased responsibility of managing the Business Activities of the 1946 Makio in her stride.

Steel blue eyes, long brown wavy hair, and a sparkling smile belong to the Makio's versatile Business Manager. Dancing, swimming, and riding are her favorite summer pastimes. She is also General Chairman of Links, in Women's Ohio and WSGA.

Ohio State Daily Lantern

Betty Miller Whitney
Editor-in-Chief

The Ohio State Daily Lantern is the official newspaper of the Ohio State University. It is published five times a week, Monday through Friday, throughout the Fall, Winter and Spring Quarters by students of the School of Journalism. The Lantern is published under the direction of Dr. James E. Pollard, Director of the School of Journalism, and under the immediate supervision of Prof. Wayne V. Harsha, Laboratory Supervisor. For six consecutive times during the past three years, The Lantern has been awarded All-American rating by the Associated Collegiate Press; on two occasions the Pacemaker award was granted in addition to the All-American rating. The return of men in greater numbers made life more exciting for the women students who had been running the Lantern during the war.

The Scarlet Fever staff has kept six censors and two faculty advisors happy, and also succeeded in staying on campus for another year.

A. Lovell Elliott, man of many activities, was editor of the magazine fall quarter. Following his resignation, Lynn Long, former Associate Editor, took over the editor's chair for winter and spring quarters. Beside this job, Lynn finds time for University Chorus, OSPA nominating Committee, and vice-president of her sorority, Kappa Delta.

Aiding and abetting Lynn were her Associate Editors, Phil Kaplansky, Fred Pfening, Leah Jacoby, and Ginny Phillips; and her office assistant, Mary Nell Brown.

Business Manager Ann Lowenstein became the second Business Manager of the Fever fall quarter. Ann, though a sophomore, has already become a member of many activities. A few of them are Commerce Council, of which she is publicity chairman, Strollers, Hillel, and Delta Phi Epsilon sorority.

Assistant Business Manager Betty Giesy was also Business Manager of Browning Dramatic Society and a member of Alpha Xi Delta sorority.

Circulation Manager Sunny Kemmel established new circulation system winter quarter, which proved mutually satisfactory to sellers and buyers. Sunny is also publicity chairman for Browning and Co-Editor of the College of Education paper, as well as a member of Delta Zeta sorority.

Bill Garrigues, first Art Editor of the Fever, continued drawing

Lynn Long, Editor winter and spring quarters

his clever covers and cartoons for readers during the year. He is a member of Phi Delta Theta fraternity.

Four members of the censor board, Ted Ashton, Leah Jacoby, Dorothy Mossbarger, and Ray Wells, continued their monthly perusal of the Fever, while Dick Day and M. J. Van der Hoven were elected by the Student Senate and WSGA respectively to fill positions vacated by Bob Grooms and Helen Haeckl. Wilson R. Dumble of the English Department continued as Editorial Advisor, and Wayne V. Harsha as Business Advisor.

Ohio State Engineer

*Ernest Grabill,
Editor*

After being practically without a staff for two years, the Ohio State Engineer again reclaimed its position among Ohio State publications.

The Engineer is a monthly journal edited for the purpose of stimulating interest in and providing information for the college and elsewhere. On the weekend of October 29, it played host to the ECMA,

(Engineering College Magazines Associated), convention, which was attended by representatives from nineteen colleges and universities scattered throughout the country.

For the third consecutive year, Tau Beta Pi, the engineering scholastic honorary for men, edited one issue of the Engineer.

This year the Ohio State Engineer staff members were active in reorganizing the Engineers' Council, as well as many other organizations in the College which have been inactive during the war.

discusses a knotty problem with a business manager

The University Committee on Student Publications was created by the Council on Student Affairs in 1936 to center supervision of publications in one body. The intention of the Committee was to promote undergraduate journalism more effectively, to simplify and unify the supervision of student publications, and to bring about stricter control of the business activities of various publications.

Since it is immediately responsible for them, the Committee's scope of authority includes all undergraduate publications on the campus. These are of three classes: the general publications, including Makio, Scarlet Fever and B M O C; technical or class organs, including the Ohio State Engineer, the Agricultural Student and the Law Journal; and temporary or special publications which may be issued from time to time. The Ohio State Lantern is expressly exempted from the Committee's supervision so long as it is published by the School of Journalism. The affairs of the technical publications are left almost completely to supervising committees in the respective colleges.

Pomerene Board of Control

The Pomerene Board of Control was organized this year to formulate the policies to be followed by the various activities using Pomerene Hall. The Board supervises the many social activities of Pomerene, especially the open houses, sponsored by Links, Mid-Mirrors, Women's Recreation Association, and other organizations, every week end. These open houses provide facilities for dancing, playing ping-pong, badminton, bridge, and any special programs planned by the sponsoring organization of the week.

The Board is under the chairmanship of Mrs. Christine Conaway, Dean of Women, who has as her faculty assistants: Mrs. June Kennedy (director of Dining Halls), Miss Gladys Palmer (representing the Physical Education department), Mrs. Margaret McKenzie, Miss Mary Phillips, and Mrs. Agnes Smith (Manager of Pomerene Refectory). Other members of the board are Mrs. Margaret Carter Speer, graduate member, Dorothy Mossbarger, Margaret Stover, Betty Tener, and Loydale McMahan, student representatives.

The Student Senate at Ohio State has been a model for universities since it was founded in 1927.

Its main purpose is to act as a student governing body, but it also is important in boosting the University, creating greater school spirit, sponsoring social and cultural events, and representing the students on the Athletic Board and the Council of Student Affairs.

Traditional activities of the Senate have been the direction and sponsorship of all campus elections, the football rallies on the campus, Dad's Day, Homecoming, twilight band concerts, and all of the many activities of Traditions Week.

The Senate office hummed with activity as the sophomore and freshmen secretaries carried out the Senators' legislation.

Again this year, during the fall quarter, a Student War Chest Drive was sponsored by the Senate.

With the WSSF drive, sponsored during winter quarter, came one of the most unusual publicity stunts ever introduced to this campus. To stimulate interest in the War Student Service Fund, a mammoth balloon, filled with hydrogen gas and painted with the letters WSSF, was attached to a COW, (borrowed from the University dairy barn) which wandered aimlessly over our "tradition-endowed" Oval. The desired objective, attracting attention, was most effectively achieved.

Some of the Senate's outstanding committees are Elections, Ways and Means, and the Women's Ohio Committee, which annually sponsors the May Supper.

Student Court

The Student Court is instrumental in enforcing rules and regulations of the University and the Student Senate. Cases which appear before the Court largely comprise infractions of traffic regulations. The Court also functions in the granting of special parking permits and in deciding dispute cases brought before it for settlement. In all such cases the decision of the court is accepted as final.

The seven justices, who are appointed by the president of the Student Senate with the approval of the members of the Senate, serve for one year and are then eligible for reappointment. The secretary is appointed from among the Senate sophomore secretaries.

Women's Ohio

One of the Women's Ohio's most important events of the year is the sponsoring of the May Supper, held every year in the Hollow during Traditions Week. This year, Women's Ohio served 1500 people and made the occasion one of the best ever.

This organization continues its purpose of service to the University by acting as hostesses to the groups of high school seniors which visit the campus during the year.

Other projects were the furthering of traditions on campus, the promotion of a friendly spirit such as "Hello Week", January 21 to 26. They also sponsored a University Chapel.

Membership of the Women's Ohio includes all women members of Senate plus those individuals selected by the group chosen for their high scholastic standing and outstanding work in campus activities.

The president of Women's Ohio is always the vice-president of Student Senate.

Because every girl enrolled at Ohio State is automatically a member of the Women's Self Government Association, this organization is one of the largest and most important on campus. WSGA sponsors Mirrors, Mid-Mirrors and Links, which in turn, have their own projects. This year WSGA set up a Judicial Court to act on all house ruling violations and also established a point system which limits the number of activities in which any girl may take part.

Outstanding projects of WSGA included Freshman Organization Hour, which introduced student activities to new students during Freshman Week, and the Gold Digger's Prom winter quarter, where Ollie Cline reigned as king, and Delta Gamma took possession of the cup for the inter-sorority sing finals. Other projects undertaken by the organization were the annual spring picnic, a Parliamentary Procedure Program, and an activity calendar. Because of its many worthwhile contributions, WSGA truly was an asset to the University during the 1945-46 year.

Links

Links is a sub-committee of WSGA, established for the purpose of linking our campus with the community, as well as linking the upperclass women of the university. It is especially advantageous for transfer students because of the many worthwhile committees, all of them creating ideal opportunities for making friends and becoming familiar with our campus. The Open House Committee planned programs and made all arrangements for the Pomerene Open Houses held every weekend. Almost one hundred Links girls from the Hospital Committee gave freely of their time each week to work in University Hospital. The annual "Links Bridge", as well as many other activities, were sponsored by the Project Committee. The Program Committee entertained at the mass meetings on alternate Thursdays. The Keys Committee is composed of members who have received their Links pins, plus representatives from each of the other committees. There is also a conflict committee which had its own program but helped all the other committees, too.

Pleiades

Although it's a new organization, Pleiades has a membership of over 800. It was organized last spring by Mrs. Ann Sturgeon and Dean Conaway for the purpose of establishing for non-sorority women the same opportunities for friendship, group loyalty, leadership and social poise that sorority affiliation affords. "Pleiades" is the name of a constellation which, when seen by the naked eye appears to be composed of only a few stars; but in reality it consists of thousands. Similarly, the Pleiades organization with its twenty "friendship groups" may grow into many groups, including thousands of Ohio State women. The Council, made up of two representatives from each group, determines general policies about many activities for all Pleiades members. Each friendship group has its own officers and plans its own functions. Pleiades is represented in Student Senate, Women's Ohio, and WSGA. This year Miss Ohio State, the Homecoming Queen and the Makio Queen, were Pleiades girls.

The Independent Men's Association was organized in 1937 to unite unaffiliated men and enrich their opportunity for participation in University activities.

This year, the membership of IMA rose to unprecedented heights.

Jim Powell, their candidate for Gold Digger's King, was a close runner-up to Ollie Cline and Max Schnittker, winning a place on the King's Court.

During the fall quarter the IMA's contributed time, money, and spirit in support of the six independent Homecoming Queen candidates who reigned victoriously at the homecoming game.

Other activities of the year were intramural sports, touch football, volley-ball, basketball, informal dances, smokers, a hayride fall quarter, the IMA prom, and the annual picnic in May. They also sponsored movies of Ohio State football games during the football season, and had representation in Romans and the Council of Men's Organizations.

OSP A

OSPA is the Ohio's Student's Party Associated organized for good student government throughout Ohio State University.

The aim of OSPA is to promote the interests of the student electorate toward those persons whom the association deems worthy of candidacy for high office upon this campus.

They also furthered the mutual benefit of the member organizations and the morals and ethics of general student elections. The organization is active the complete school year striving to promote good panhellenic and good independent school spirit, so our leaders will be the finest.

This year Don Hurst was elected president; Jody Nida, vice-president; Lee Riggs, secretary; and Kip Rader, treasurer.

During fall quarter, a huge rally was held at the ATO house before the primary elections for queen and class officers. During the spring quarter parades and rallies were held.

Y W C A

The lofty aims and purposes of the Young Women's Christian Association are universally recognized. A wide variety of religious, educational, and social programs won for this group a prominent place among the activities on our campus. To welcome the new students, the YW cooperated with the YMCA to sponsor the Freshman Mixer and the Icebreaker dances at the beginning and end of Freshman Week. In keeping with its aim as an integrating organization for religious faiths and social activity, the YWCA with the YM arranged for the White Christmas Program presented every year by the University Chorus. Other outstanding projects included interesting work in the community settlement houses, joint sponsorship with YMCA of the Holy Week Worship Services, and special noon forums with speakers like Lillian Smith, author; Leo Margolin, propaganda expert, Reverend Stockwell, and Martin Hall.

The girls have worked together to face campus and world problems with understanding and impartiality.

Y M C A

Organized in 1883, the University YMCA is one of the oldest student organizations on the Ohio State campus. Its purpose is to promote fellowship among the students and faculty, and understanding among all races and creeds.

The "Y" is made up of the membership and administrative departments; and these are coordinated by the Advisory Board, the Executive Committee, the Cabinet, and the Freshman Council.

During the year, the YMCA sponsors fraternity sessions and sessions in the homes of various faculty members, an annual Freshman Camp in the fall, an intramural program, the Freshman Mixer and Icebreaker, the "Big Brother" system for freshmen, social inquiry trips, and college conferences.

Membership is open to anyone who subscribes to the principles of the organization and may be secured by application at the YMCA office and the payment of a moderate membership fee.

Hillel, organized in 1925, now has nearly 1100 members. This year its religious, social, and cultural activities included a Fall Dance at the Deshler, supper forums, Sunday evening musicals, a Winter Prom at the Neil House, foreign movies, and a stunt night. Backed by Hillel, the United Jewish Student Fund campaign was again a success. Affiliates of the organization are offered a variety of religious, cultural, and social activities and have an opportunity to develop their leadership ability.

In the spring of 1944 it was decided to organize according to the provisions in the Manual of the Mother Church, the First Church of Christ Scientist, in Boston, Massachusetts. This year, under the presidency of George Hoffman, a tea was held in the Blue Lounge, Pomerene Hall, and regular testimonial meetings were held, giving students an opportunity to share in experiences and ideas regarding Christian Science.

Wesley Foundation

The Wesley Foundation, sponsored by the Methodist Church, endeavors to provide a home away from home for members. Its weekly program includes a buffet supper, a speaker, and devotions every Sunday; an evening chapel service; and a recreation night on Friday. The Wesley Eating Cooperative provides meals for students during the week. The Wesley Players produce several plays each year. A new feature is a group organized around the special

interests of married students. Other activities include the Wesley Choir, the Wesley Beacon, and deputation teams serving various churches. Foundation members are now engaged in a campaign to erect a modern building on the present commanding site.

The Wesley Foundation is under the capable leadership of the Reverend Lee C. Moorehead of the Indianola Methodist Church.

Kappa Phi

Kappa Phi is an organization of Methodist college women which affords an opportunity for religious training and a wholesome social life for all its members.

The theme for Kappa Phi this year was "Bells" and all the meetings and parties were planned with that theme in mind.

Two of the important events of the year were the annual Rose Tea, held at the beginning of the fall quarter for rushees, and the special meeting at

which the eligible girls received the degree of the Pine, which is conferred upon girls who have met the local and national requirements.

In May, the annual Mother's Day program honored all mothers of the pledges, actives, and all alumnae. The annual Spring Banquet and Dance was also held in May.

The two religious meetings during the year were the Thanksgiving Service in November and the Easter Communion Service which was conducted by the minister of Wesley Foundation, Rev. Lee Moorehead.

Officers this year were: Drusilla Haynam, president; Phyllis Brooks, vice-president; Constance Doherty and Wilma Morris, secretaries; and treasurer, Amy Jo Foster.

Newman Club

The highlight of the year for the Newman Club, an organization for Catholic students on campus, came when Bishop Michael J. Ready made their long-cherished dream a reality and the Newman Club House was opened.

An almost overwhelming response to the freshman events in Newman Club indicated the scale of achievement that lay ahead. Ever-increasing membership reached a new peak and enthusiastic committees came forward to put over the varied activities. First on the social calendar was the Blue Book Prom held for the first time in the men's gym. A few weeks later Mary Ann Thieman was elected Homecoming Queen by the student body after an exciting campaign. Some of the other social, religious, and educational activities were the monthly communion breakfasts, the Annual Retreat which was attended by many Catholic students, the weekly discussion groups, and the social affairs which became doubly successful with the new house as a background.

LUTHERAN STUDENTS ASSOCIATION

Since its organization eight years ago, the Lutheran Students Association has brought together many young people for social and religious activities. Fellowship supper meetings were held every Sunday evening followed by devotional services. Friday evening fun consisted of roller-skating parties, square dances, a Valentine party, and other original social affairs. The LSA acted as host to the Southern Ohio Conference, held in Columbus this year.

MUSIC COUNCIL

The Music Council was organized in the spring of 1944, to serve as a coordinating link between the faculty and students in the music department. Its function is the supervision of social activities for the group, including a picnic held spring quarter, "mixers", and dances. Mary Ellen McOsker was president of the council this year, assisted by Margene Breckenridge; Lois Myers, secretary-treasurer, and Gay Alexander, corresponding secretary.

WOMEN'S GLEE CLUB

The Women's Glee Club, organized in 1910, provides an opportunity for women students to express themselves musically.

One of the highlights of the year was the concert given at Fletcher General Hospital in Cambridge. Concerts were also given to various organizations at the Faculty Club. In May the annual recognition banquet was held and awards were presented to the various members of the group.

DELTA OMICRON

Members of Delta Omicron, women's music honorary; are chosen on the basis of musical proficiency and scholastic attainment. Louise Pope is president; Mary Jane Orth, vice-president; Emma Lou Burgoon, secretary; Barbara Baker, treasurer; Evelyn Naylor, pledge-mistress; Betty Tener and Helen English, social chairmen; Helen Straker, scholarship chairman; Louise Knight, chorister; Eloise Bell, warden, and Lois Myers, chaplain.

MEN'S GLEE CLUB

The Men's Glee Club was reorganized this year after a two year lapse due to the war. The Glee Club is composed of thirty members chosen by audition.

Social activities included a "Get Acquainted" banquet early in the year, and the annual Senior Banquet at which time pins and keys were awarded to members for outstanding service in the Glee Club.

Singing engagements included a Faculty Club concert, a concert at the Ohio Newspaper convention held at the Deshler-Wallick, and several out of town concerts.

In December of 1943, Epsilon Chapter of Alpha Epsilon Rho was established at Ohio State, working in cooperation with Broadcasting Station WOSU.

One of the principal aims of this organization, which is sponsored by the Association for Education by Radio, is to encourage high standards of radio broadcasting.

The members of Epsilon chapter are presented in regular Sunday afternoon dramas, under the title of "The Alpha Epsilon Rho Playhouse".

Hillel Players

Hillel Players, now entering its twenty-first year as a leading dramatic group on campus, was organized by Rabbi and Mrs. Levinger. Players has always concentrated on producing significant and artistic drama including creative works by members of the group. The year's program customarily includes one major production and several one-act plays. The three-act play, "Thunder Rock" was presented this year. "The Guardsman" highlighted a cabaret party sponsored in the fall. Players also presented another one-act play, "Marriage Proposal" for the B'nai Brith parent organization in Cleveland.

In the play writing contest, Hillel Players contributes to Jewish literature by requiring that plays be written on a Jewish theme. The judges selected for this year are Mrs. Levinger and Jerome Lawrence.

An integral part of the Players group is Hillel Radio Players which presented several programs each quarter over station WOSU.

Strollers

Did that come from OUR garden?

Strollers Dramatic Society, established fifty-four years ago, is one of the oldest and largest organizations on campus. Strollers began this year with 480 members. This organization, with many traditions already following it, began a new one last year. Joan C. Thoman was the "Oscar winner" for the best acting performance of the year. Her presentation in "Hotel Universe" was given in the fall of 1944.

The fall production this year was "Claudia" by Rose Franken under the direction of Albert K. Germanson. The cast included: Marty McConnell, C. W. Hunter, Marjorie Levine, Edward Rager, Hal Summers, Phyllis Speed, and Patsy Conaway.

A one-act play contest was sponsored fall quarter. Two first places were awarded for "The Curse of the Purple Past" written by Jo Ann Koliher and "Quota Filled" by David Bneisen. These plays were produced during the winter quarter at two of the Strollers bi-weekly meetings. Other noteworthy one-act plays put on at Strollers Wednesday night mass meetings were: "Hands", an original one-act play; "The Very Naked Boy"; and "Gandersauce".

The winter program consisted of three one-act plays. "The Curse of the Purple Past" was produced with "A Director's Lot Is Not a Happy One", an original play by Virginia

Well, Mrs. Brown

Taylor Englander, and "If Men Played Bridge as Women Do". Some of the main characters of the former are: Bill Garrigues, Betsy Townsend, Bill Epstein, and Sam Hanna. Leads in the second play were held by: Ken Diehl, Candace Colbert, Barbara Slocum, and Roberta Trimmer.

Strollers participated in Farm Week this year by presenting two one-act plays during the convention. The plays were entitled "Wistful Waiting" directed by Joan Thoman and "She Writes a Roof" directed by Sam Hanna.

The spring play was presented jointly by the alumnae members in Columbus and actives on campus.

Mrs. Elsie Coates Kittle

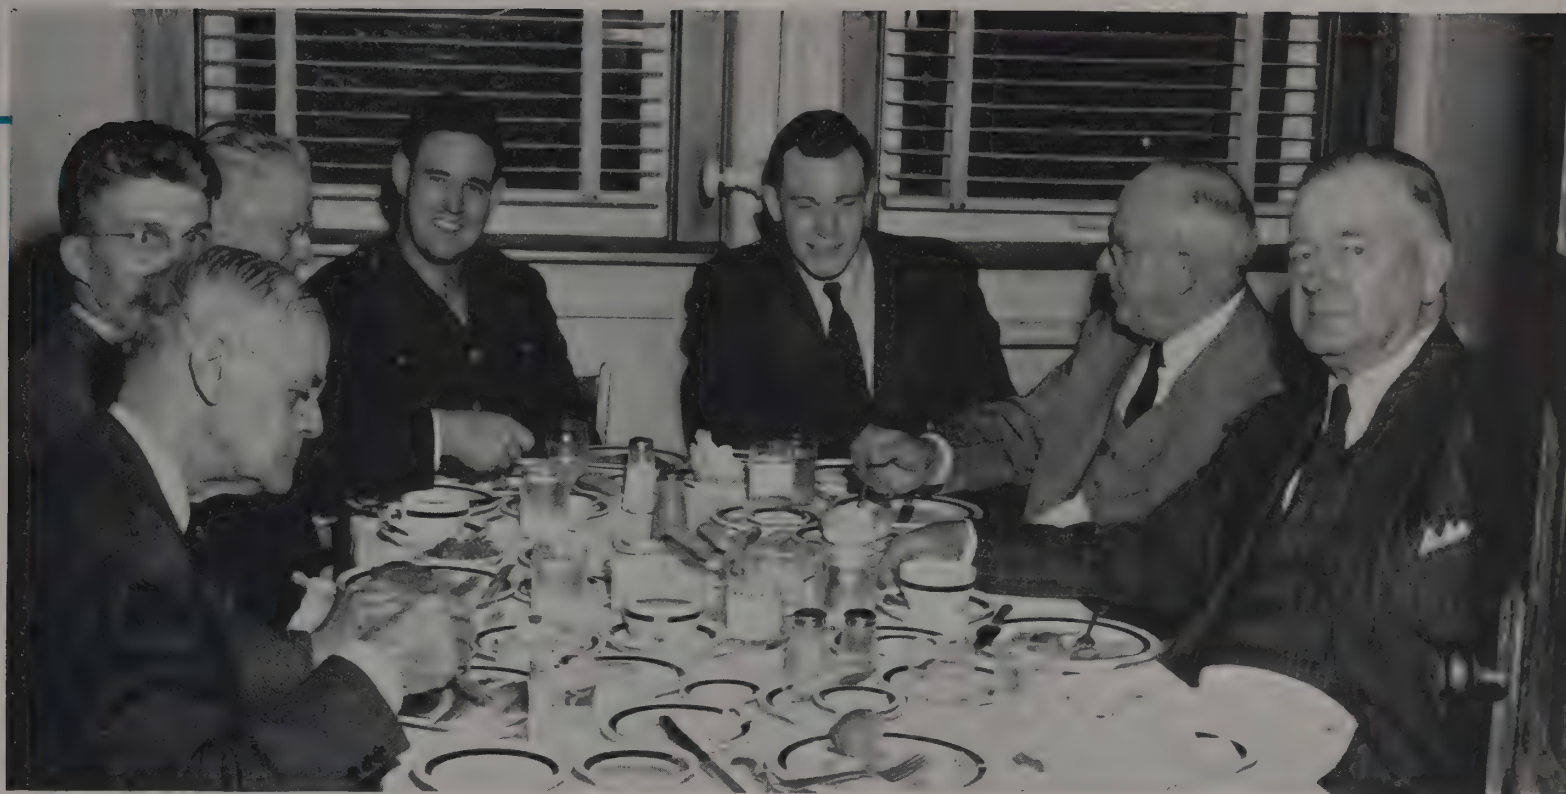

Browning Dramatic Society was named in honor of Elizabeth Barrett Browning, and one of the organization's most treasured possessions is a letter from Robert Browning granting the society permission to use his name in honor of his wife.

In 1908 Browning became interested in outdoor dramatics, and soon after this adopted the plan of presenting a Shakespearean comedy each spring. In 1926 the amphitheatre in Mirror Lake hollow was built by the alumnae of the organization. It is here that the comedy, complete with torch light procession, music, and dancing, is presented under the direction of Mrs. Elsie Coates Kittle.

One of the most distinctive features of Browning is the annual Twelfth Night Banquet. This is a gala occasion where Browning's large body of alumnae, together with the active members, celebrate Twelfth Night in the tradition of merry old England.

To become a member a girl must work thirty hours in some phase of activity for the spring production.

Ohio Union Board of Overseers

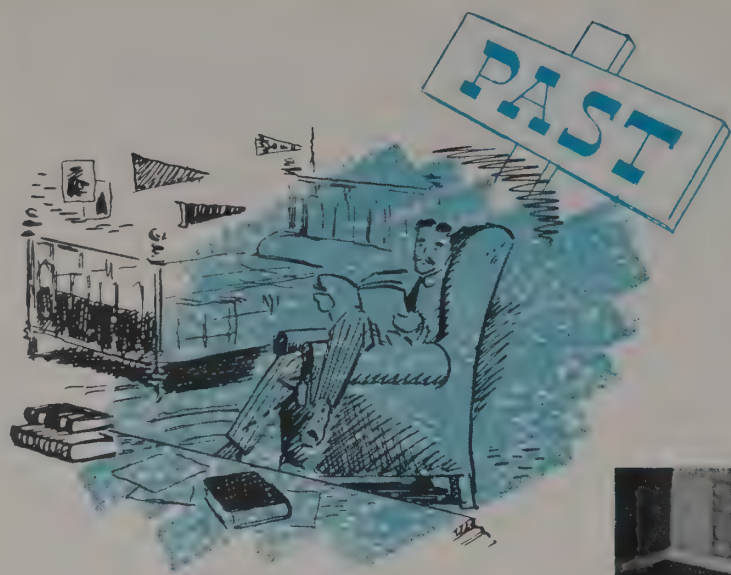

The administration and supervision of all activities in the Ohio Union are under the direction of the Ohio Union Board of Overseers. It is comprised of representatives from the Faculty, Alumni, and the Board of Trustees, plus selected students, chosen for their outstanding work in campus activities.

Last year the Ohio Union was opened to women students as well as to men. It came to the attention of all that our Union and its facilities were inadequate to meet the expanding purposes it should fulfill. Several students, who were most convinced of the need for a new union, investigated the possibilities of getting this new building for our growing university. All the major campus organizations gave this idea full support and a new organization, the Ohio Union Central Planning Committee, emerged to further developments and keep the need for this new building before the student body. It was especially appropriate in this year of "planning for the future" that interest in the new Union be stimulated.

FUTURE

Canfield

A new activity this year for Canfield Hall is the Canfield chorus. Evelyn Naylor is present director.

The Spook Party given Hallowe'en night highlighted social activities in the fall quarter. Jean Brewbaker was chairman of this affair. Cider and doughnuts were served as refreshments.

Jean Staley directed plans for Canfield Hall's annual Christmas party. Norma Henson played the part of Santa Claus and presented gifts to all the girls.

Marjorie Weinman and Connie Harline planned the redecoration of Canfield Hall's recreation room. The walls were painted scarlet and gray. Coke machine, ping pong and shuffleboard apparatus were installed.

Officers of Canfield Hall are Wanda Wellman, President; Blanche Kapus, Vice-President; Ruth Treasure, Secretary; Jean Steinman, Treasurer, and Jean Brewbaker, Social Chairman.

At the beginning of the winter quarter Canfield and Mack Halls under the direction of Jean Brewbaker held a formal dance at the Chittenden Hotel.

Opening social activities for the fall quarter was the Canfield Hall Open House held after the first football game. Most successful of the several open houses was that held after the Wisconsin game.

Mack

Mack Hall is especially noted this year for its outstanding glee club. Thirty girls, one third of the residents, under the direction of Mildred Bercie participated in this activity.

Helen Spraul, director of intramural sports, has organized bowling, basketball, and baseball teams which offer open competition to all Mack Hall girls.

Mack Hall has a unique system of student court procedure. Two representatives are elected to a House Council, which forms all rules and regulations for the hall and also imposes penalties upon unobserving girls.

Outstanding event of the Christmas season was the Yuletide party, held in the Mack Hall parlor. There was a gift exchange and all girls joined in singing carols.

Traditional social function of the year was the joint formal dance given by both Canfield and Mack Halls.

Each Thursday evening Mack girls gather in the parlor to observe vesper services. These weekly services are under the direction of Sue Ellis.

February 14 a progressive Valentine tea was given. Girls from each dormitory were invited to this inter-dormitory affairs.

June Petrie, social chairman of Mack Hall, planned through the year many social affairs including several open houses, floor parties, and teas. Assisting her in this work was Betty Robinson, president of Mack Hall.

Neil

One of Neil Hall's important social affairs winter quarter was the honorary dinner for candidates competing for the title of King of Gold Diggers. Barbara Werner acted as chairman of this event. Rosemary McDowell, Bernadette Rini, Vivian Krill, and Joyce Cannon assisted her.

Neil Hall's newspaper is known to the girls as "Newsie Susie". Two editions are published every quarter. The staff consists of Dittie Jo Mayer, Gloria Dyson, Myrna Harrold, Sally Martin, and Ann Indoe.

Penny Vogel was in charge at the faculty tea to which Neil girls were requested to invite their professors. Heads of committees were Ginny Egger, Celia Krause, Harriet Albert and Lois Salzman. Entertainment was furnished by pianists Marie Diener and Elsie Goulder, vocal selections by Harriet Albert, and cello solo by Naomi Tracht.

Improvements in Neil Hall this year have been many. Stamp, coke, milk, and candy machines have been installed in the recreation room.

Eleanor Friedman, who lived at Neil fall quarter, is one of ten students studying in Mexico at the University of Mexico City. With her is Helen Morris, who was a Neil Hall resident last year.

Highlighting winter holiday festivities was Neil Hall's annual Christmas formal. Sally Wayne, social chairman, was in charge of this affair. Punch and cookies were served as refreshments.

Baker

Baker Hall's "Coedition" rates as one of the best student published newspapers on campus. This ten-page paper is edited by Patricia Harruff, Marie Krause, and Lynn Davis. Art work is done by Pat Clayton, Jean Peters, and Ann Kane.

Officers of Baker Hall winter quarter were Mary Gore, president, reelected from fall quarter; Marjorie Winter, Vice-President, Social Administration major, active in Mid-Mirrors and Scarlet Fever; Barbara Sorenson, secretary. Lois Dries and Donna Weeks together planned all of Baker Hall's social affairs for the winter.

At Christmas time Baker Hall girls gave a party for the children from the Gladden Community House. Entertainment for the party was provided by Yo Fichera, pinnist, and Roz Banbury, who played the accordian. Refreshments consisted of grapefruit punch, ice cream, cookies, tangerines, and bananas.

One of Baker's autumn quarter social affairs was its open house. Doors were open to all men on campus including soldiers and sailors. There was dancing in both dining rooms. In the recreation room boys and girls enjoyed ping pong, card games and the piano playing of Yolanda Fichera.

After the Illinois Homecoming game Baker Hall's Glee Club, organized and directed by Mrs. Smith, presented their first musical program in the recreation room. Vera Doughty and Billie Pearson sang duets.

Cooperative Houses

ROCHDALE

In 1941 the Rochdale Student Cooperative was organized for three main purposes: (1) to promote fellowship and understanding among its members, (2) to provide experience in living according to democratic principles, (3) to provide economic living facilities. The members cooperate in doing the work and in cooking the meals. Therefore, they can live inexpensively. Moreover, they have the advantages of group life. Together, the two co-ops plans parties and dances.

PINEDALE

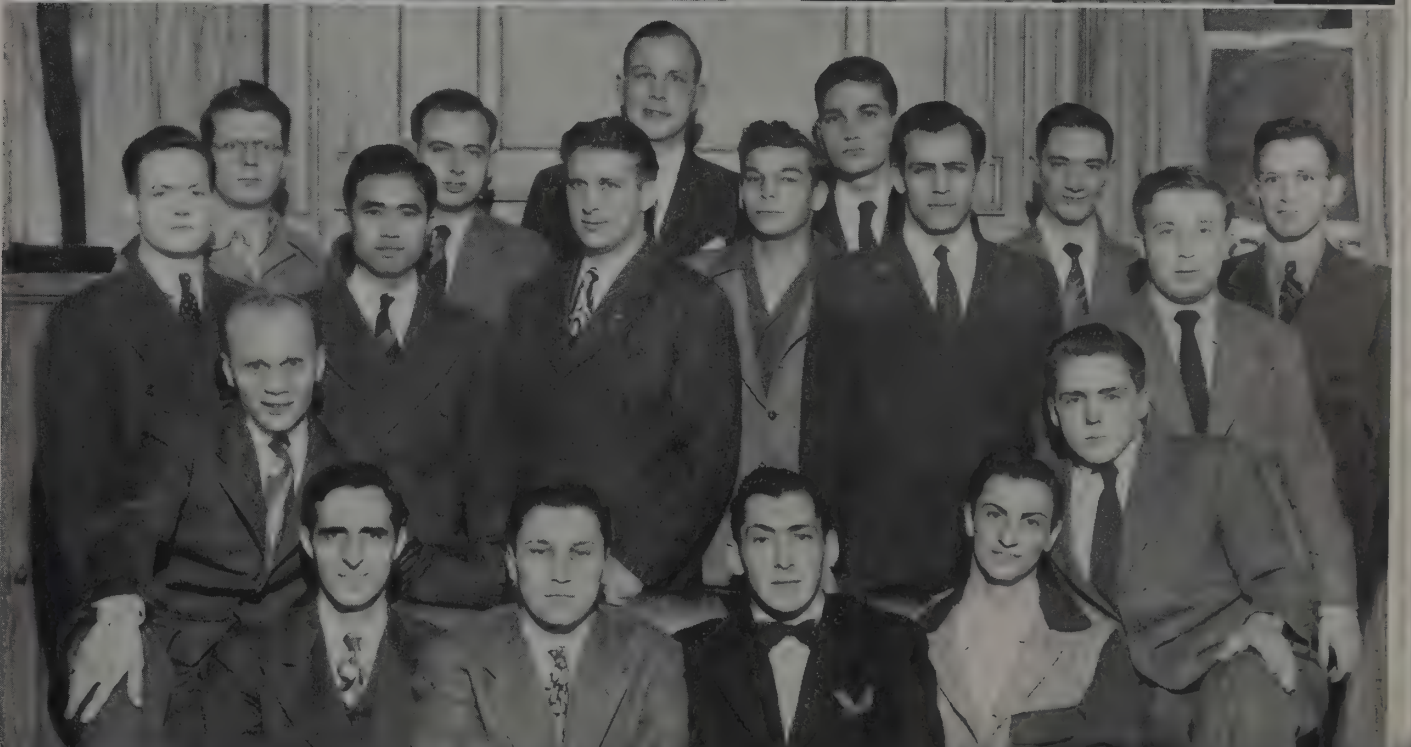

The Pinedale Co-op House was established in the summer of 1944. Within two years Pinedale's membership has increased to approximately one hundred and twenty women. At the present time twenty women are living at the house. Membership is open to everyone regardless of race, color, or creed.

Pinedale's members have participated actively in many campus activities. Also, the House was among the first to contribute 100 percent to the WSSF Drive.

Westminster

Girls at Westminster Hall "hail" from seven different states. The states thus represented are New York, Pennsylvania, Rhode Island, Massachusetts, West Virginia, Indiana, and of course, Ohio.

Girls at this house are both talented and popular. Mary Ann Thiemman was Ohio State's 1945 Homecoming queen. Elizabeth Ann Blair was a candidate for Makio Queen. Betty Jane Hiner was granted an audition by Marlin Skiles, musical arranger at Columbia Studios at Hollywood.

Social activities and gay parties are a part of the life at Westminster. Every Sunday guests are invited to dinner. Fall quarter the girls had a Hallowe'en Party and a Christmas Party. At Christmas time the house was decorated with green crepe paper, wreaths of evergreen, mistletoe, and a lighted tree.

Winter quarter the girls had an informal dance with the boys from Acacia and a Valentine Party. Blood-red hearts decorated the house at the Valentine Party; couples danced to records and made solemn wishes before a wishing well.

The big event of Spring Quarter was Westminster's annual formal, which is always held at the dormitory.

Alumnae Scholarship

The Alumnae Scholarship House has many girls who are members of campus honorary societies. These outstanding girls are Georgene Schuster and Maryalys Karnes, Delta Phi Delta, fine arts; Joanne Bahner and Frances Spellman, Phi Rho Alpha, pharmacy; Ruth Schneider and Jean Perkins, Chi Delta Phi, literary; Betty Lou Koogler and Lenna Elliott, Phi Upsilon Omicron, home economics; and Sarah Storer, Alpha Epsilon Delta, pre-medical sorority. Besides studying the girls also managed to have "open houses" and a formal dance.

St. Hilda's Hall

A Welcoming Party started off the year in fine style at St. Hilda's Hall. This was followed by an open house for veterans from Fletcher General Hospital. Later, an informal dance was given for the Purdue band. Then came Homecoming when the dorm welcomed back the alumnae with songs and a buffet luncheon.

St. Hilda's Hall co-operated in the Red Cross Drive, was active in intramural sports, and was well represented in many campus activities.

Acacia

Brighter than the new coat of paint on the Acacia House was the spirit of Acacia girls as they launched the fall quarter with an annual weiner roast held beside the banks of the Olentangy.

December took the honors for holiday festivities. An open-house chuck full of food and merriment and a colorful Yuletide party were sponsored by Acacia girls under the capable supervision of Mrs. Meyer, house resident, and Martha Binswanger, house-president.

Triangle

At the end of winter quarter the girls of Triangle House held a Farewell Dinner at the Maramor. It was a solemn occasion because each girl realized that she would never be able to live in a university house with all of these same friends again. Spring quarter the boys took over Triangle House again.

Most of the girls living at Triangle House were freshmen. Scholarship was emphasized. Eighty per cent of the girls made three point or over and one girl received a four point.

The University House Assembly, a committee of the Women's Self Government Association, is composed of the various house presidents. Meeting every two weeks, the Assembly discusses problems within the houses as well as being informed of campus events. Lectures are provided for the members on such topics as fire prevention, self-government, cosmetology, and good-grooming.

Wielding the gavel for the group is Carolyn Bryan. Margaret Henderson is in charge of social activities, while Thelma Neiman takes care of the funds. Acting as advisor is Miss Mary Gordon, the capable Assistant Dean of Women.

A social event is held every quarter for the members. Teas, picnics, and dances have been a few of the successful activities planned by the presidents. During the fall quarter, an introductory tea was held for the presidents, members of the house council, and the head residents. The activities of this group have made it an increasingly important organization.

International House

The George Wells Knight International House is a private rooming house for foreign and American students attending the University. The house was established in 1938 in the former residence of the late Professor George Wells Knight, and it serves as a memorial to him. Mr. Knight taught history and political science at the University for many years. The house was organized without prejudice of nationality, race or creed. The majority of the twenty-two men living at the house are visiting students from other countries. A large number of associate members who do not live at the house come to meetings there. The Cosmopolitan Club, which discusses international relations and problems, meets there also. Every two or three weeks a faculty member is invited to dinner.

The George Wells Knight International House supplies a congenial home atmosphere for University men who are interested in international understanding and good will. Moreover, the house serves as a focal point for all of Ohio State's cosmopolitan activities.

After three years' occupation by the Army during the war years, the Tower Club was turned back to Ohio State students last fall. Former members of the club and returned veterans received preference in application for membership. Therefore, the Tower Club boasts a very high percentage of ex-servicemen.

Close attention to studies did not stop the boys from participating in a great many social activities. These activities had their climax in the very successful Tri-Club Dance held in the Neil House Ballroom. The boys also actively engaged in intramural sports. The Tower Club boys from II North won the intramural basketball championship.

Officers elected by the one hundred and fifty-six members of the Club are as follows: Harold Robinson, president; Admiral Watts, vice-president; Wesley Boden, secretary; John Bright, club steward; and James Ward, treasurer.

Stadium Club

The Stadium Club is a housing unit which provides both room and board at a reasonable price for fellows attending Ohio State. About one hundred and thirty men, most of whom are veterans and underclassmen, live there. The dormitory is divided into six large rooms, each of which accommodates more than twenty men. Also, there is a large study hall, lounge, and recreation room where the fellows play checkers, chess, or bridge.

Every quarter the Stadium Club has an important semi-formal dance. Winter quarter the dance was held March 2 in the Neil House Ballroom downtown. The fellows have exchange dances with girls from Mack, Canfield, Neil and other independent residences. Members of this housing unit are organized into club teams which participate in intramural sports. These teams play other independent men's organizations. The Stadium Club boasts a large number of fellows who are members of the varsity football, baseball, and track teams.

A little black and gold sign distinguishes Warden Hall from any other residence on Summit Street. October 1, 1946 marked the opening of the house, which is owned and operated by Mrs. Hazel Warden. A cheerful, home atmosphere characterizes this house for Catholic girls.

October 26 saw a gala galaxy of guys and gals (collectively known as Newmanites) appear to celebrate a formal housewarming. The theme was autumn—white and yellow chrysanthemums and gaily colored leaves decorated the entire house. Each "housewarmer," after signing the guest registry, was given a name tag to sport on his lapel.

The Yuletide party followed the traditional pattern of holiday festivities—holly wreaths, poinsettias, mistletoe, a trimmed tree, gift exchange, and carolling made the evening a real frolic—a prelude to a year of delightful days.

The girls spent winter quarter in pushing up their point hour and in looking forward to springtime activities.

Thirola

The Thirola House has had a full schedule of social events during the year. After the defeat of the Illini, November 11, a dinner and dance were given at the house. The fall quarter ended with a Christmas party given for

a group of under-privileged children from the Gladden Settlement House.

During winter quarter, besides having social events, Ken Diehl, Thirola prexy, was placed on the court for Gold-Digger King.

Outstanding for its activities, both scholastic and extra-curricular, Alpha Chi Omega girls centered their efforts this year on drama, claiming Joan Thoman as Oscar winner for 1944-1945 for the best performance in Strollers plays, Roberta Eichenlaub as Alpha Epsilon Rho Vice-President, and Betty Kerns as Business Manager of Strollers. Keeping busy in publications were Mirrors-elect Dorothy Mers of the Makio Sophomore Staff and two Associate Business Managers—Women's Ohio member Elaine Zajack of the Agricultural Student, and Chimes ringer Enid Collins of the Makio. Individual campus maneuvers included Virginia Aultman, Panhellenic Treasurer; Elizabeth Browning, Secretary of both Pi Omega Pi and Orchesis, Alice Elsner, Gamma Delta Secretary; and three busy VIC girls.

Proving that high point-hours, activities, and good times can be mixed, the A Chi O social calendar remained as chock-full as ever, with no priority on conversational midnight oil and late-at-night icebox raids. Popular Don Crawford provided swinging syncopation for 80 gaily-gowned ladies and their escorts at the annual Carnation Ball held in the Fort Hayes Hotel January 25.

The wearers of the diamond got off to a flying start this year as the round of social affairs—hayrides, hamburger frys, pledge dances, and frequent parties for the Navy—reached a climax with the annual Sweetheart Formal in the spring. The success of these events was seen to stem chiefly from the zealous effort of Imogene Coriell, social chairman of the season.

Virginia Dailey, taking time out from her presidential duties, won many honors on campus, the outstanding one being the Panhellenic award for the highest grade made by a pledge. The pledges as a whole came away from the Panhellenic banquet with fourth place among sororities in scholarship.

Providing A D Pi versatility in sports, as well as academic spheres, were Laurretta Dennis, president of Boot and Saddle, and Shirley Fuller, newly-elected member of Swan Club.

Although the war was officially over, Alpha Delta Pi gave its unstinting support to all Victory Bond Drives.

At the advent of autumn, many new faces were seen frequently around the house, and now these girls are well on the way toward wearing the active pin of pearls. Progressive actives who truly lived up to the glory demanded by the pin were Lois Hendel and Jean Rosenberg. Lois emerged from May Week with a golden Mirrors pin and from Election Day with the quill of Secretary of the Sophomore Class. Jean, adding a brand new mortar board and the gavel of WSGA to her already impressive accumulation of honors, inspired the chapter through an eventful year.

A sudden spring downpour at the crowning in OSU's massive stadium did not dampen the spirits of AEPi Gloria Guggenheim, sparkling 1945 May Queen.

The superb success of the Alpha Epsilon Phi spring dance held at the house, encouraged the girls toward a promising social season, starting with the annual pledge dance and following with many other affairs throughout succeeding quarters.

The election of Shirley Haber as the new president climaxed the season as still another year was spent maintaining the high standards of the sorority.

The colors of Alpha Phi waved high during 1946 in scholarship, activities, and social functions.

With one member of Phi Beta Kappa, three members, including the president, of Mortar Board, three Chimes belles, two Mirrors images, and three Alpha Lambda Delta intellects this year, the sorority felt that it had more than its quota of leaders. Alpha Phis are well represented as members and officers of many campus groups as exemplified by Strollers Prexy Mary Ann Falls, YWCA President Mim Webster, Newman Club President Kathleen McCann, Panhellenic Secretary Dorothy Cralle, Student Court Secretary Hannah Goucher, and Theta Sigma Phi Melva Van der Hoven who was perpetually busy as Lantern News Editor. Mary K. Kinsella, able president of the sorority, served on Women's Ohio and WSGA.

During the gaiety of Traditions Week, a proud eye was fastened on petite Mary Crites, a member of the May Queen's Court.

The year was featured socially with the annual 134 Club party, open houses, exchange dinners, and a formal dance storing up gay memories for future reference.

Alpha Xi finished out the year 1945 with both active and pledge song trophies, and with this momentum strode into 1946 to renew their claim on the first prize cup for active chapter vocalizing and third place in the pledge sing. Outstanding musician of the group was Jean Jackson, who received the Dorothy McVitty Scholarship.

High in the ranks of campus BWOC's, Esther May Wolfe, ably fulfilled the demands of the offices of Makio Business Manager, General Chairman of Links, and WSGA Board representative. Joan Nida and Mirrors member Jane Johnson also represented Alpha Xi on the WSGA Board this year, while Betty Lou Merrill was active as a Sophomore Editor of the Makio. June Hickman and Beverly Cover had the honor and distinction of being finalists in Ohio State's first beauty contest, and Charlotte Sebald, Links Projects Chairman, was chosen for Phi Chi Theta, commerce honorary.

Social events of the year included weekly pledge parties and dances, climaxed by the Rose Formal at the Fort Hayes Hotel.

Led by President Anna Wiseman, the Chi O's moved forward in community services, social affairs, and campus activities to climax their fiftieth year.

In the realm of honoraries, Susie Minister, Kitsy Cooke, and Betty Timblin were initiated into Alpha Lambda Delta; Mirrors tapped Pat Griffith and Betty Timblin; and Vivian Hauser, this year, first vice president of YWCA and treasurer of Browning, was elected to Phi Beta Kappa and Mortar Board.

In activities pertaining to specific interests are Jo Smith, accompanist of the Women's Glee Club; Mac King, corresponding secretary of Zeta Phi Eta; Ann Stephens, vice president of SOTA, and Margaret Tift, president of Hockey Club and Rifle Club.

Proving that beauty was not lacking in the X and horseshoe sorority were Grace Reynolds and Margie Offner, both Scarlet Fever selections for Girl of the Month, and Ann Hancock, one of the finalists in the "Miss Ohio State" contest.

Two formals, numerous open houses, a Mother's Day Tea, and a Dad's Day Dinner were only a few of the many events vitalizing the Chi Omega social season.

The Tri Delt Moon witnessed another gala season for the girls of the stars and crescent. The chapter was awarded the winnership of the annual sorority Homecoming decorations. Ginny Turner was elected President of Student Senate, and in the same office Eleanor Fell was appointed secretary of the Student Court. Secretary of Women's Ohio was Dottie Jones, a Chimes member, under whose chairmanship the Red Cross Drive achieved success. With the largest sorority membership in Mirrors, Tri Delta claimed Betty Ayers, Nancy Benjamin, Eleanor Fell, Maryellen Haddox, Betty Jo Jackson, and Betty Patty, who was recently elected secretary of W.S.G.A. Representation in Mortar Board was ably provided in the persons of Mary Ann Work, Tri Delt prexy, Gil Lauer, and Betty Bish. Trideltot Kay Sauer was elected a co-ordinator of VIC.

During the winter quarter Delta Delta Delta held a winter formal based on its traditional pine theme. Senior Breakfasts, an Apple Polishing Tea for the faculty, and numerous Open Houses added to the fame of another successful Delta year.

The national pin of Delta Gamma scored again as thirty-five rushees dropped anchor at the D G dorm during Rush Week to become one of the largest pledge classes on campus.

The sophistication of chic formals and "tux's" was a sparkling substitute for the usual costume of jeans and plaid shirts as the annual Hallowe'en party at the chapter house gave way to a formal dance held at the Neil House. Another affair in the calendar of events for the Anchorites was the giving of a sumptuous dinner for the Alumnae advisory committee.

The girls of Delta Gamma are well represented in O.S.U. honoraries. Joan Switalski, D.G.'s busy prexy, was the proud possessor of a Mortar Board pin. Caryol Sherrets, Vice President of W.R.A., and Nancy Dunham, Panhellenic Secretary, were serenaded by Chimes, while Betty Dixon, Doris Orr, and Marilyn Stautner were tapped for Mirrors. Active in other campus groups were Charlotte Perkinson, VIC coordinator, and Barb Patterson, both newly elected members to Delta Phi Delta, national fine arts honorary, and senior Miriam Woods, Treasurer of Strollers.

Initiated officially as Sigma Chapter in May, 1945, Delta Phi Epsilon culminated its first year of establishment on campus as a success both scholastically and socially.

Prominent in the publications field last season was Toni Sare who ably fulfilled her position as managing editor of the Lantern, and this year Ann Lowenstein followed suit by assuming the office of Business Manager of the Scarlet Fever. Jan Lovett achieved both Journalistic honoraries, Chi Delta Phi and Philomathean as well as Mirrors. Cookie Hauptman was a charter member of the campus chapter of Alpha Lambda Delta, and Sigma Alpha Sigma, Social Administration honorary bestowed memberships on Elaine Rose and "Midge" Blank. Phyllis Youngheart did herself proud as "Madame Darvschka" in the Strollers production of "Claudia".

The formal pledge dance in the fall quarter and the "Arabian Nights" winter weekend were the highlights of the social season.

Delta Zeta's lamp burned brightly in 1946 with activities, awards, and plans for a brand new DZ dorm.

Proof of DZ distribution throughout the publications field was shown by Woman's Ohioan Norma MacPherson, Makio Associate Editor, and Sunny Kemmel, Scarlet Fever Circulation Manager, with Emily Bell, Gloria Smith, Virgene Smith, and Mirrors girl Bobbie Trimmer, holding Sophomore positions in these respective offices. Sharing in the glory of the birth of the new campus humor magazine, "BMOC," are Marg Merrick, Associate Editor, and Ann Taylor, Circulation Manager. Other activity-minded Delta Zees were July Merrill, who wielded the gavel for Phi Chi Theta, and AER Beverly Moreland, leading lady of the Drama Studio production, "Petticoat Fever." Babs Van Atta, with concurrent activities of Student Senate, WSGA, and Women's Ohio, served capably as Panhellenic Prexy.

An old-fashioned hayride on a made-to-order autumn night was the first Delta Zeta contribution to the social swim, winter quarter offered its yearly Sweetheart Formal, and in the spring, picnics, another gay formal, and young men's fancies turned the trick and kept the girls from becoming anti-social.

Once again Gamma Phi Lambda won the scholastic award for the year. Scholarship has been the key word for the past quarters as the active chapter was announced to have the highest point hour of all the sororities on campus and the pledge class also ranked high.

With homemaking their major interest the Gamma Phi members monopolized the presidential thrones of the home economics organizations, as represented by Marjorie Paullin, President of the Junior Home Economics Club, Janet Duzan, President of Senior Home Economics Club, and Barbara Williams, President of Phi Upsilon Omicron. Evelyn Battles was the new Secretary of Panhellenic and Carolyn Hawk took time out from editing the Ag Student to attend the Mortar Board meetings.

In the social limelight, the Gamma Phis held their twenty-first annual Founder's Day Banquet on the 13th of April at the Deshler-Wallick Hotel. Dates joined them later for dancing to the music of Jimmy Frank and his band. A winter formal highlighted the Christmas season and as Valentine's Day approached, the chapter house was opened for a Sweetheart Dance.

The Thetas enjoyed another successful year both socially and in activities. Mortar Board capped Theta prexy Dotty Mossbarger, secretary of the Student War Board, while Chimes rang for Marjorie Miller. Mirrors added four Thetas to its roster: Doris Anders, Marion Spring, Jane Loren, and Beatrice Benfer. Wielding the gavel for Browning Dramatic Society was Martha Hoskins. Marjorie Miller was elected president of W.S.G.A.

In the scholastic field Thetas won top honors at the Panhellenic Scholarship Banquet where they received trophy cups for the highest sorority grades both in the active and pledge chapters. Adelaide Ginn was elected a member of Phi Beta Kappa, while Beta Gamma Sigma claimed Marilyn Miller.

Among the chapter football season events were open houses for fraternities, sororities, and service men, and the Dad's Day Supper. The Kappa-Theta formal was held in the winter, and spring was ushered in with a Mothers' Club Pot-luck Supper, and an informal house dance.

This year the Kappa Delta house echoed with the accomplishments of its members, in scholastic as well as in campus organizations. Ushering in the new year was the new KD house mother, heartily welcomed by the chapter. Judy, a small cocker spaniel, became an inspiring mascot for the KD-Dids.

Bookworms to the core, the pledges placed second in the Panhellenic Scholarship ranking for 1945. In addition to 4-pointers and cover girls, the chapter boasts in its membership some of the most honored offices on campus, among them Lynn Long as Scarlet Fever editor, Marjorie Gabel as Junior Class Secretary, and Maybelle Huston Burcaw as vice-president of Women's Panhellenic.

Nor is Kappa Delta in eclipse socially. The huge success of a fall weiner roast and dance at the Trees was not in the least dulled by the mild catastrophe of three flat tires enroute. A Mistletoe Boy was chosen at the Holly Hop, stoic profs were won over at the Apple-polishing Tea and festivities were culminated with a gala Spring Prom.

With the return of peace, Kappa paid its tribute to victory by placing first among sororities in war bond sales during the Victory Bond Drive.

The KKG house was the scene of the annual Christmas Formal, which was the acme of Yuletide merry-making. A long-standing feature of winter quarter was the traditional Kappa-Theta Formal.

Included on OSU's list of BWOCs is Nan Bixby, who kept busy as Associate Judge on Student Court, Vice-President of Strollers, and Publicity Chairman of OSPA. Along the lines of special awards and appointments, Marge McCurdy added a Phi Beta Kappa key to her Kappa key and Mary Schramm was elected President of Beta Gamma Sigma. Mary Lou Dum-bauld became a Sophomore Secretary of Student Senate, and Mary Campbell held a similar position in WSGA. These two, along with other activity minded Kappas Monnie Bennett and Charma Overbeck were initiated into Mirrors in May. The quantity of gray matter in the cranial cavities of the pledges was conspicuous as six freshmen were pinned with the 3.5 candle of Alpha Lambda Delta.

Autumn found the town actives busy at scrubbing and scouring to get the former Chi Phi fraternity house spic and span in time for the beginning of rush week.

Since October, the girls have been active socially with all chapter dances and parties, big sister-little sister affairs, and as a solo for newly selected members, a Valentine Pledge formal held at the house.

Phi Mu, as usual, was well represented in campus affairs with lovely Lynn Weygant winning a place on Freeze-out Queen's court, Ann Cheney tolling the bells of Chimes honorary, Gwen Eberhardt officiating as the Orchesis President, Mary Ruth Weinrich winning the Merck award in Pharmacy, and Audrey Houp pledging Zeta Phi Eta.

It was good hunting season for Phi Mu, eight of the fair nimrods each bagging the limit, and diamond engagement rings were as common as keys on a BMOC's key chain. The chapter also achieved athletic prominence by emerging victorious in the intramural volley ball tournament of no less brutal and savage competition.

In the fall of 1945, Phi Omega Pi members started their first complete year of living in the new chapter house, after much labor readying it for occupancy. The sorority, not to be outdone by rapidly expanding fraternities, also welcomed its war veterans back to campus in the persons of Dottie Green, former SPAR, and Quanita Morasco, returning Marine.

Phi Omicron Nu Mary Geissman, Alpha Lambda Delta Marian Cosma, Makio Sophomore Editor Connie Arata, Lantern Society Editor Paddy Purcell, and Louise McDaniel of the Ohio State Engineer staff were the more active Phi O's represented in honoraries and campus organizations.

In addition to parties and open houses honoring the NROTC, Fletcher General Hospital, and rushees, the Phi Omegas functioned with the usual Christmas and Spring formals.

Among the prominent visitors to the sorority were Helen Cunningham, National President, and Velma Bull, National Treasurer, and Clara Vetel, Province Director for Phi Omega Pi.

This year as always, the wearers of the golden arrow achieved campus recognition. Pi Beta Phi received the awards for the best poster and the highest number of War Bond sales. At the Panhellenic Banquet the actives placed second in scholarship.

Versatility in extra-curricular activity was predominant in the chapter. Mildred Rankin had the honor of being the second woman to wield the presidential gavel of Student Senate, Elaine Judy was chairman of Mirrors, and Patsy Conaway served as treasurer of WSGA. Louise Hill and Joan Lane became members of Theta Sigma Phi. The prevalence of golden arrows at the meetings of Mirrors, Chimes, and Mortar Board was a subtle challenge to future actives to keep the Pi Phi shaft arching skyward.

The sorority's record of beauty queens was unsurpassed during the winter and spring quarters of 1945 as girls were placed on the courts of the Makio, May Week, and Cinderella Ball contests and this year Peggy Workman was one of the finalists in the "Miss Ohio State" contest.

Add a little silver to the colors cafe au lait and blue, for this was Gamma's of Sigma Delta Tau Twenty-Fifth Anniversary. Alumni came from all over the country for the eventful weekend which was highlighted by an inspirational banquet at the Deshler-Wallick Hotel. A founder of the national chapter, regional advisors, and several founders of Gamma were present at the celebration.

A season filled with gala social affairs did not retard the scholarship and activities of the Sig Delts. Prominent girls in outstanding activities were: Pauline Marcus, editor of the Makio, a member of Chimes and of Women's Ohio; Felice Marcus, vice-president of Mortar Board, second vice-president of YWCA, secretary of the senior class, and a member of Pi Lambda Theta. Phi Delta Phi claimed Shirley Pearlove, Miriam Shocket, and Barbara Myers to its list of members, while Madelyn Levitt became actively engaged in Zeta Phi Eta.

These and many other prominent members kept aglow the flaming torch of SDT.

The Zetas started out the year with an all-time record of thirty new pledges and an effervescence of zest and vitality gained from the inspiring visit of the second national Vice President, Mrs. Clarence Seepe.

From fall's invigorating pigskin Saturdays, through dreary January 8 o'clocks, and especially during April Hayes Hall step sitting time, the academic grind was punctuated with many affairs. These included the omnipresent pledge parties, a Santa Claus party for underprivileged children followed by a Christmas formal, a Valentine Dance, and a sweetheart dinner dance.

Top-drawer in academics were Dorothy Baumiller and Rachel Dines, as winter quarter brought them individual scholarships. More campus prestige was gained for the chapter as Joan Grassle pledged Delta Phi Delta, fine arts honorary, and Rosemary Wile accepted the bid of Phi Theta, commerce honorary.

Members have been active in many campus activities as Zetas were interspersed throughout the meetings of VIC, YWCA, Strollers, Newman Club, University Chorus, Glee Club, and Orchesis.

ALPHA KAPPA ALPHA

The girls of Alpha Kappa Alpha have made rapid progress during the year 1945-1946 in membership, scholarship, and social events. The annual song fest and the charity projects during Thanksgiving and the Yuletide holidays highlighted fall quarter, and winter was ushered in with the pledges giving a Hobo Party for the actives at Poindexter Village. This affair was just one innovation in the promotion of closer sisterhood in AKA.

The band of Earl Hood provided a source of sweet strains and scintillating rhythm for the spring formal at the Valley Dale.

ZETA MU

On November 29th, 1945, Zeta Mu was established on this campus. Within a few months the fourteen charter members, working diligently to build up a stronger organization, had carved their niche in campus activities. The members took part in the annual Hillel Stunt Nite and devoted at least one afternoon a week towards charity work at the Schonthal Day Nursery.

The officers include Betty Yahr as President, Francine B. Brand, Vice President; Thelma Goldenberg, Recording Secretary; Armeda Schutte, Corresponding Secretary, and Shirley Frankel, Treasurer.

Kooda Council was founded in 1934 for the purpose of encouraging cooperation among the Negro student groups at Ohio State University and developing a higher standard for such groups scholastically, socially, and politically. The name Kooda was suggested from the combination of the first letters of each of the charter member organizations.

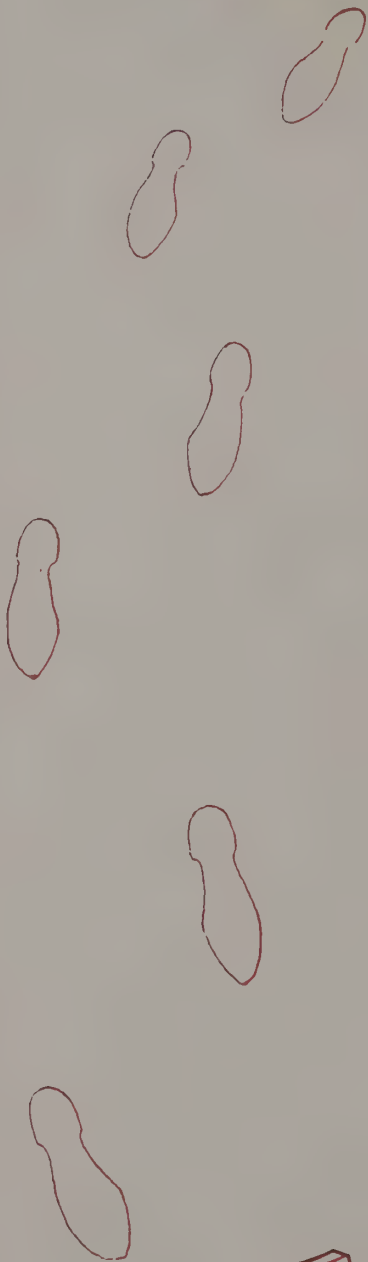

In the nine years of its being, Kooda Council has developed from an organization concerned largely with internal problems of discipline and group activity to a symbol of the thinking of Negro students toward campus, community, and world relationships, and the democratic functioning of all.

With Prof. Robert M. Mathews, of the College of Law, taking over the advisorship, the group has made very satisfactory progress during the past year.

The most important event of the year was participation in National Negro History Week, February 7 to 24. As part of this observation, members of the Council held three meetings in the University Hall Chapel with outstanding speakers, among whom was Dr. Charles Drew, famous for his research in the use of blood plasma. The year was successfully culminated with the Kooda Day Banquet, held May 31.

Office of Fraternity Affairs

Founded in 1931, the Office of Fraternity Affairs has become one of the most important organizations on the campus. It endeavors to present the ideals of the fraternity system to the men students of Ohio State. Information concerning the fraternities is given to freshmen to acquaint them with fraternity life. The majority of fraternity functions are co-ordinated in the Fraternity Affairs Office.

Recently a 'Treasurers' Clinic was established in order that treasurers of the various

fraternities and sororities could meet and compare financial books.

Being the center of fraternity government, it furnishes secretaries for the Council of Fraternity Presidents, the Professional Interfraternity Council and the Freshman Fraternity Council.

This office serves as a vital connecting link between the University and the fraternity system.

The Fraternity Managers Association of the Ohio State University, a non-profit organization incorporated in 1933, has grown in years to be a powerful organization on this campus. Saving the sororities and fraternities thousands of dollars on the "cash in advance" plan, FMA is the largest fraternity cooperative buying association in the United States. Food, equipment, and supplies are purchased through the central office to secure quality items at the lowest available price.

Controlled by its members and trustees, it is housed by the University which recognizes its service to a large percentage of the student body. The organization has the confidence of both suppliers and purchasers and is a practical example of the value of fraternity cooperation.

At the present time Calvin X. Heinlen is president of the board of trustees, Miss Clara Pierce, vice-president, Mr. George Siebert is secretary-treasurer, and Mrs. Thelma Glick is Manager of the Association Office.

Alpha Epsilon Pi fraternity has grown in the past year not only in the number of members, but in fraternal development as well. Along with many other improvements, the opening of the new chapter house was celebrated with over one thousand guests visiting the chapter to offer their congratulations.

Alpha Epsilon Pi has sponsored outstanding social events during the year. Many functions were held at the new fraternity location, among which the fall homecoming celebration proved to be most successful. The AEPi's enjoyed their annual "Winter Weekend" with a dinner-dance at the Beechwood.

With scholarship playing an important role in fraternity life, the older men of the chapter have influenced the pledges, as well as maintaining for themselves, a remarkably high scholastic standing. AEPi was represented in Phi Eta Sigma and in the Fraternity Affairs Office by a freshman secretary.

In view of the fact that many veterans have returned to the chapter, Alpha Epsilon Pi was one of the first fraternities to dispense with hazing.

Since its inception on the Ohio State campus in 1923, Xi chapter of Alpha Phi Delta experienced its most trying year during the 1944-45 school year, as a result of the constant depletion of actives during the war. A few members kept the fraternity on an active status at this time. The achievement can be attributed to the diligent efforts of these men.

However, during this same period, Alpha Phi Delta had one of the most brilliant periods in its history. Through the efforts of the few actives, it was honored as being one of the six fraternities to receive the fraternity achievement roll, for being outstanding in scholarship, finances, house conditions, and university cooperation.

Heading the fraternity's intramural sports team was the bowling team which won the campus bowling championship for 1945.

A formal dinner-dance was held at the house on January 26 to honor returning veterans and newly initiated members. This was one of the many events that were held at the chapter house.

Again the wearers of the Maltese Cross have had an eventful year. Highlighted by the Founder's Day-Homecoming Banquet, the social whirl increased to post-war proportions. War veterans Meacham, Fekete, Kneifel, Kiefer, Ginsler, Toombs, and others, representative of Beta Omega's two-hundred service men returned to the unanimous welcome of the chapter.

Engaged on the gridiron were Ehrsam, Krall, Cline, Dixon, Amling, Kessler, Maltinsky, Walbolt, and Wright, while Fekete coached the freshman squad. Swimmers, McGregor and Stone, and wrestlers Kolas and Mueller also distinguished themselves.

Romophos-ite Zurcher was prominent in the YMCA besides being a sophomore business manager on the Makio. Ginsler accented the ether over WOSU. Helping maintain the chapter's high scholastic standing was Shaw, a Phi Eta Sigma initiate.

Anticipating the return of many more of its brothers, ATO made plans for future years and strove diligently and successfully in the fields of athletics, campus society, and academics.

Betas who have been to the far corners of the earth are returning to school and picking up their school work where they left off when they were called by Uncle Sam. Sixty-four men are now in the chapter, seventeen of whom are returned veterans.

Sharing the spotlight in activities this year were, Franklin Gruesser tapped by Sphinx and Don Koepf bid by Romophos. Dave Putnam, a law-school student, served on the Student Court. Presiding as temporary chairman of the reorganized Ohio Staters Incorporated, Robert Murphy distinguished himself. Of the four active members, William Yardley, Ben Pfefferle, and Robert Murphy are wearers of the diamond and three stars.

At the end of spring quarter, a very novel party was held in the chapter house, entitled the "Dragon Casino." The house was decorated in the theme of a gambling den. The Duo-Triad formals of last fall and spring were main events on the social calendar. During the year Beta parties, hayrides, and house dances achieved campus recognition.

Veteran Delts; who carried Delta Chi leadership around the world, returned to a chapter of new faces with the same driving spirit that characterized them in the past. This time they resumed activity under the leadership of prexy "Smilin' Milan" Busta.

From the opening of school in October to the final exams in June, Delt weekends were scheduled with pledge parties, dances, and other social affairs. Highlights of these weekly festivities included a winter formal, a weiner roast, and a Valentine Party.

With men in all sports, pledges, cooperating with the actives, Laughlin Lodge held the spotlight. Delta Chi was represented in Stroller's, Makio, Scarlet Fever, and other activities. Individual honors included the initiation of Ed Howe and Al Verrsén into Phi Eta Sigma. Four Delts were in the top marching band of the Big Ten. The chapter migrated to Pittsburgh and Ann Arbor to watch gridiron spectacles.

Two wars and forty-three years have passed since the Delts first invaded OSU; but time and change have merely strengthened her bond of fellowship.

Delta Tau Delta, in keeping with tradition, ranked high scholastically, socially, and in the field of sports throughout the year. The social season was highlighted with the Delt's annual Sadie Hawkins Day Dance, given for the other Greeks on campus. During February the Delts held a winter formal at the Fort Hayes, and on March 8, both actives and alumni joined in making their Formal Founder's Day Banquet and Dance the most successful in years.

Ex-prexy Chuck Becker held the honor of being Homecoming Chairman and President of the Junior Class. In the field of athletics, Hall Daugherty starred at left half for the Bucks and was voted the outstanding freshman football player of 1945.

Twenty-eight men donner the pledge pin during the fall quarter to become the third largest pledge class on campus. During the winter quarter DTD added twenty more pledges to its roster.

The Delts are to have a new home soon; this project will go under construction this summer at 67 Fifteenth Avenue.

Delta Upsilon claimed the title of being the only fraternity on the Ohio State campus to place men in all the honoraries. Sphinx added Jay Wagner and Paul Sarringhaus to its list of members, while Bucket and Dipper claimed Bill Demora, and Romophos annexed the names of Joe Johnson, Fritz Meyers, and Ed Styles to its roster. In the various extra-curricular activities on campus, DU was represented by a well rounded group of young men.

In the social world Delta Upsilon held hayrides, parties, dinners, and dances, with the quarter-ending formals the outstanding event of each term. Senior appreciation banquets were once more established, and a farewell dinner for Keo Nakama, world's record holder for the fifteen-hundred meter free style, climaxed the fall quarter. Several pictures of the chapter house and fraternity members were printed in one of the Life Magazine issues.

Delta Upsilon held the honor of being the first fraternity on campus to instigate a modification of the traditional "hell week."

Although hampered during the fall quarter by the lack of a house, Lambda Chi Alpha succeeded in carrying out a successful social program with parties and dances. One of the outstanding events of winter quarter was the opening of the fraternity house, where a novel "Switch Dance" was held. At this event each date wore one of the member's belonging. From that time on, more extensive social activity was possible. House dances, parties, and initiations were a few of the events held. The Lambda Chi Alpha picnic, held in a selected spot each year, was an occasion long anticipated since it was the revival of an annual custom. With the arrival of spring, a full schedule of outdoor activities included tennis, softball, horse-back-riding, swimming parties, and weiner roasts.

Lambda Chis were particularly proud of varsity wrestler, George Bollas. Musically inclined Doak Ewing, Richard Kneer, and Richard Dittmar brought fame to the chapter along that line. Lambda Chi Alpha was also very proud to claim the President, Mr. Truman, as one of its most prominent and influential members.

During the past year Phi Delta Theta maintained its usual high standing both scholastically and in activities. Representing the fraternity on the gridiron were Chuck Gandee, Alex Verdova, Jack Linninger, Robin Priday, Tom Kelsey, Calvin Wible, Ed Wamboldt, and Bob Merrill. On the basketball court Arnold Risen, Wayne Wells, and Bob Merrill brought fame to the chapter. Phi Delts carried off the championships in fraternity league bowling and volleyball.

Lovell Elliott, president of the chapter, held the first editorship of the Scarlet Fever. Holding the funds for the sophomore class was Dick Lasko. Webb McKee, a member of the Student Court, and Hank Porterfield represented Phi Delt on the Student Senate.

Scholastically, the pledge class maintained the highest point hour average of the fraternities for the summer quarter.

During the winter quarter the first Phi Delt dinner-dance was held since pre-war days. The chapter house was elaborately decorated for a novel Sweater Dance at which a sweater girl and boy were chosen.

Phi Epsilon Pi maintained its usual record of achievement in all fields—scholastic, athletic, social and extra-curricular.

The outstanding pledge class of 1945 won the interfraternity pledge class first place award in scholarship. Alfred Slor joined Karl Selig as a member of Phi Eta Sigma.

Phi Ep annexed the league bowling championship and was runner-up in the final tourney. Both the basketball and the football teams attained excellent records at the end of the season.

Social activities included a well rounded program. A spring formal dinner-dance held at the Chittenden Hotel climaxed the year, only to see the Phi Eps come back with a gala Homecoming Weekend Formal Dinner and Dance. An elaborate Anniversary Formal was held at the Hotel Fort Hayes. Filling out the calendar were numerous house parties and sports affairs.

True to tradition, the pledges elected three Phi Ep Dream Girls, and honored each with a luncheon.

Fall quarter found Phi Gamma Delta, long silenced by war years, again alive with Fiji men. The "Lodge" was a teeming center of social and fraternal activity, with the celebration of a house-warming party in October. The Purple Passion Party, the Washington Jefferson Duo with Phi Kappa Psi and the traditional spring formal were among the many social functions.

Activities felt the renewed influx of Phi Gams with many Fiji veterans resuming to re-affirm their position as leaders in campus affairs. Don Dumont, president of the fraternity, was re-elected chairman of the Council of Fraternity Presidents. Phi Gamma Delta was once again placed on the Fraternity Achievement Roll. Fiji athletes were found in basketball, football, and track.

The Ohio State chapter of Phi Gamma Delta boasted over two hundred and fifty men in the service of their country during the past few years, and now it is equally proud to welcome them back to campus and fraternity life.

During the year which saw many Phi Kappa Psi men return from the Armed Forces, the fraternity functioned, both socially and in Campus activities, up to its usual high standards.

William Sergeant set the pace for the Phi Psi campus leadership by virtue of his role as Senior Class President. Don Hurst, Inter-fraternity Court Chief Justice, was chosen to wield the gavel for OSPA. In charge of the campus War Chest drive was Wally Clouser, while Jack Lett served as Secretary of Fraternity affairs. Max Schnittker, the man with the educated toe, earned a niche in State football annals with his brilliant place-kicking this past year.

In the fall, a series of dances, held at the chapter house, afforded the Phi Psi's and their dates comparative relaxation after the rigors of spectator football. Highlight of winter formal dances was the Jefferson duo held in conjunction with Phi Gamma Delta.

With the return of peacetime operations, Phi Kappa Psi continues to maintain its grand spirit, traditions, and excellent name on campus.

Gamma chapter of Phi Kappa Tau was featured in the December third issue of Life Magazine in "Life goes to a Fraternity Woman-Hater's Weekend Party." The magazine was attracted by the unique idea and clever presentation, and sent their research specialist and photographer to the campus to spend the entire weekend covering the unusual affair. This weekend idea was started by Ohio State Phi Taus about eight years ago, and since that time has become a tradition observed annually. During that time no speaking to women, shaving, or washing was allowed. All letters and pictures from the fairer sex were locked up, and any violators were given the "cold water treatment" in showers. Large signs and banners streaming across the house and yard, lit with huge spot-lights, attracted the attention of students and townspeople.

Other activities of the fall included a poster dance, where the house was decorated with posters and admission was gained by presentation of a poster. A Hay Taxi Dance was another highlight of the fall with prizes awarded for the most unique costumes.

The wearers of the Phi Kappa Sigma cross enjoyed a banner year on campus, serving on the varsity grid-iron, in the marching band, and winning runner-up honors in intramural football, in addition to occupying key posts in campus activities.

Phi Kaps Frazio, O'Dea, Gorby, Zangara, and Winters contributed to the Buck's successful football season, as members of the team. James Casto captured new laurels this season on the track team, while Samuel Hughes was selected on the mythical all-intramural football squad.

Junior class treasurer was prexy Ted Hendrickson. Publications men English and Freuler served on the Lantern; Moessinger, the Makio and Scarlet Fever, and Ted Rado, the Ohio State Engineer.

Murray Shahr, the national president, was a guest of the Phi Kaps at the Founder's Day Celebration. Social activities at the Skull House were climaxed with a picnic at the John Blanpied Estate. The winter formal, based on a Stork Club theme, was acclaimed as an outstanding event of the season.

With the return of countless veterans and the pledging of thirty-five outstanding men, Phi Sigma Delta, during the year 1945-46, went a long way towards achieving its pre-war peak in the number of men and campus activities.

Phi Sig teams placed high in almost every sport in the intramural tournament, capturing the basketball, volleyball, and handball crowns, and being runners-up in the football league. The campus tennis doubles championship was won by Eddie Eigner and Jack Hollander. Phi Sig Charles Goldman was a member of the varsity basketball squad. Jerry Moskowitz led the way for the freshmen in activities as councilor of freshman activities on the campus, while Stanley Bernfeld was a member of Scarlet Key. Varsity "O" wearers were Si Weil, wrestling, Chuck Goldman, basketball, and Jack Hollander and Ed Eigner, tennis.

The outstanding feature of the Phi Sigma Delta Social Year was the annual Homecoming affair and the winter formal. Regularly held house parties provided Phi Sigs with many enjoyable week-ends.

The most significant event of the fall quarter, expecting a rising membership for the Pi Kaps in the near future, was the large attendance at the chapter's Homecoming Dance, held November 17 at the Van Gilder Ballroom. Climaxing the season's activities for Pi Kappa Alpha, was a Christmas Party.

Although Pi Kappa Alpha started the year with a relatively small membership in comparison with former years, by the beginning of winter quarter the Pi Kaps, influenced by many returning veterans, were well on their way again. Undaunted by the loss of their home during the summer, the enthusiastic PiKA's immediately set out in search of a new one. By mid January it seemed virtually certain that a new home had been found on Seventeenth Avenue, not far from the late memory shrouded McCormick Hall on Iuka at Seventeenth Avenue.

Plans for the remainder of the year were drawn up; these plans provided a varied program including a dance for the winter quarter, pledge parties, smokers, and informal off-campus get-togethers.

Sigma Alpha Epsilon's fifty-third year on the campus found the chapter temporarily located on Woodruff Avenue. Over twenty-five service men returned to the chapter awaiting the construction of a new eighty-thousand dollar home at 1934 Indianola Avenue.

Sig Ep's have been well represented in OSU athletics during the past year. In the pigskin parade, captain Bill Hackett, center Bob Ryan, and the All-American selection, Bob McGinnis, distinguished themselves. George and Norb Ranz came to the fore in baseball, while Dick Seibert and captain Bill Seibert served on the track team. Swimming for Ohio State were mer-men Joe McGracken and Jack Hurst.

Playing prominent roles in numerous campus activities Bob Sheahen, Bill Seibert, and Bill Hackett were tapped by Bucket and Dipper. Sphinx added Jack Harris to its roster.

Weekly serenades, a Variety Club Butcher Party, a formal at the Brookside Country Club, a Buckeye Lake Party, and numerous other functions characterized another successful social season.

Representing the Sigma Alpha Mu's at key positions on the campus were Vel Schiffman in the Student's Activities Office and Phil Kaplansky, Associate Editor of the Scarlet Fever and a News Editor of the Lantern. Treasurer of Omicron Epsilon Phi, a national optometry organization was "Sammy" Bert Freed. Pledges of the fraternity worked at various activities' offices in the Ohio Union.

Regular features of the year's social activities were a series of informal house dances on week ends. The outstanding affairs of the year were the Homecoming and Spring Dances, both strictly formal for the first time since 1941, and the pledge weekend during winter quarter.

This year the Sammies could boast of their finest track, football, and basketball teams in recent years. Vieing for a professional baseball berth during the spring season was Stu Komer, a contractee of the St. Louis Browns.

The return of many veterans to the chapter contributed largely to another successful Sammy year.

Shortly after the rushing period in fall quarter of this year, the Alpha Gamma Chapter of Sigma Chi boasted thirty-one pledges, of which over half were veterans. Some of these pledges assisted on the Dad's Day Committee, with active Kip Rader acting chairman. Billy Ritter was chosen captain of the cheer-leading squad. Representing Sigma Chi on the Strollers' Board of Control was Strollers' secretary, Hank Brickell. The presidency of the YMCA was held by Jim Bonham who thus became a member of the Student Senate. Showing great promise of following in the footsteps of Sigma Chi's renowned Miller Anderson, NCAA high board diving champion, was pledge Jack Tolar.

Scholastically, as always, Sigma Chi achieved prominence. Joe Streb was tapped by Sphinx, and Kip Rader was initiated into Bucket and Dipper.

The famed Miami Triad, Sigma Chi, Phi Delta Theta, and Beta Theta Pi, united once more to observe its annual traditional Triad Formal. With the return of many veteran Sigs, the chapter once more attained its pre-war magnitude.

Opening its doors last fall to a host of newly returned service men, Sigma Nu strode forward to recover its former position in campus leadership and social prominence. The bearers of the five-armed star participated in numerous campus activities and placed men in Scarlet Fever, Makio, Strollers, YMCA, Student Court, Commerce Council, Student Activities, and Student Senate. Heading the committee for the procurement of Woody Herman for the Council of Fraternity President's Dance was prexy Chuck Leyshon.

In the line of scholastics, the Snake Hotel men won laurels in Phi Eta Sigma and Phi Beta Kappa.

Among Sigma Nu's Varsity O men were diminutive Bobby Dove, whose educated toe saw much service in last fall's football spectacles, and Bob Reusche, who received new honors periodically as one of the year's outstanding tank men.

Boasting a social calendar that sparkled with numerous events, hayrides, house dances, skating parties, and outings, Sigma Nus especially remembered their Homecoming Dance and Winter Formal.

The Sig Ep house is the East Woodruff residence where anything can happen and usually does. Besides the usual prolific number of pledge parties, Homecoming parties, and formal dances, Sig Ep caters to unusual personalities and happenings.

This summer the Sig Eps played host to two Turkish students who had just completed the voyage from Turkey on a Russian steamer. Another contribution in the international relations field was one of the newest additions to the active roster, Dr. Armando Garcia, a former professor in Cuba. Pledge Eddie Fairclough claims the distinction of being the only Sig Ep to be "rushed" in Switzerland. The incident occurred in a Swiss internment camp where Eddie met Sig Ep Jack Dow.

At the Frosh Freeze-out, Bill Gee's limousine, a 1923 Buick, was displayed in the middle of the oval. When several chickens which were to be the main item on the Chi Omega's dinner menu disappeared, the Sig Eps escorted the Chi O's to one of the local hamburger establishments.

Tau Epsilon Phi has recognized the leadership qualities of its returning veterans by electing three of them to chapter offices; Murray Sigalow, who swings the fraternity gavel; Burton, Secretary; and Bob Agar, Treasurer.

In campus activities Leroy Lurie is prominent both as a cheerleader and a reporter on the Lantern. Bob Cheron took part in the football marching band, and several Tau Eps distinguished themselves on the rifle squad and in the intramural department. In the spring quarter of 1945, Tau Epsilon Phi captured first place in the baseball league.

Scholastically the Tau Eps have accomplished an extraordinary feat in winning the award for the highest pledge point hour four consecutive times.

The Homecoming Dance achieved campus fame during the quarter which included a Pledge Dance, a record Dance, and various football functions. Numerous hayrides and weiner roasts took place during fall quarter, and a formal dance at the Hotel Chittenden climaxed another successful social season.

With the influx of veterans from the service, the "House on the Hill" swelled with the campus-high number of eighty-five affiliates. Zeta Beta Tau men were to be found virtually in every campus activity, and the name of the fraternity occupied its usual high position on the fraternal scholastic record.

In the field of athletic endeavor, Zeta Beta's Don Steinberg and Bill Biels earned football O's, while the latter doubled in basketball. Other varsity O's were achieved by Dan Rucker, veteran golfer, Burt Katz, swimming team member, and Stan Kessel in tennis. Marv Whitman, head cheerleader, and C. D. Baron, intramural manager, also distinguished themselves.

Secretary-treasurer of the Fraternity Affairs Office was Tom Rose, and the Scarlet Fever was ever under the watchful eye of Ray Wells, of the censorship board.

On February 21, the ZBT's highlighted their social season with a formal dinner-dance at the Deshler-Wallick Hotel, in celebration of the chapter's thirty-fifth anniversary.

Alpha chapter of Alpha Gamma Sigma was reactivated at the beginning of the winter quarter, 1946, after two and a half years of inactivity, when due to the staunch and unswerving support of the alumni and hard work of the active members of the fraternity, regular activities of the Chapter were again resumed. Fraternity affairs came back into prominence and Alpha Gamma Sigma became a name for recognition.

A national professional agricultural fraternity, Alpha Gamma Sigma's membership is limited to students in the College of Agriculture. Its members are active participants in agricultural campus activities. Representing the group at student organization posts are Robert E. Miller, president of the Saddle and Sirloin Club and overseer of University Grange. Prexy of the Poultry Science Club is Boyd Nippert.

The hearts of all men who owe allegiance to Alpha Gamma Sigma will always be with those members serving with virtually every arm, branch, and service during World War II, who will never again cross the fraternity threshold.

Kappa Delta Rho

Winter quarter marked KDR's return to the campus after the lean war years had forced its inactivity. Most of that quarter was spent in rebuilding the membership, with returning vets as a nucleus, and in redecorating the new chapter house. However, the social aspect was not forgotten. Smokers and "vic" parties were held. In the spring quarter, social events included house dances, a gala celebration opening the new recreation room, and a spring formal.

KDR was well represented in varsity sports. John Summa, Bob Dieli, and Vince Ardito were prominent on the varsity wrestling team, and several other KDR's on the squad showed great promise. Skip Brewster distinguished himself on the baseball field. Other campus activities received KDR attention: the Marching Band, Inter-fraternity Pledge Council, veteran's organizations, Student Senate, the Ohio State Engineer, and the YMCA.

A regional meeting of Kappa Delta Rho was held in January, and Kappa chapter was host to the National Convention of KDR in June.

Winter quarter found the Kappa Sig "House on the Hill" finally reopened by a small but energetic crew of six active members, all of whom are returned war veterans. These men found the tasks to be accomplished far out of proportion to their scarce number, but with the assistance of the alumni the chapter succeeded in accomplishing wonders.

The first of a series of annual social functions which had been curtailed during the war period, to be again resumed, was the Kohr Milk Social. This event brought about the first reunion since the early days of the second World War and the promise of a grand reunion in the not too distant future. Other renewed annual affairs were the Hoskins Pig Roast and the Dunlap Lamb Roast which offered much in the way of unique entertainment. The Spring Black-Out Dance was acclaimed a tremendous success by all who attended.

Kappa Sigma looks to the future when the last of its veterans will be back amidst the good fellowship and spirit characteristic of Kappa Sigma when the chapter will be back on a full peacetime basis.

Alpha Lambda Chapter of Theta Chi fraternity went inactive in the spring of 1942. On November 10, 1945 the chapter was reactivated by three transfer students, John Zalar, Gordon Engelbret, and Don Stauffer, who were soon joined by Bud Dillon, a former member of the Ohio State chapter.

During the fall quarter Ted Wrobel, Bill Magill, Jack Erthal, and Bob Teuting donned the active pin. Increasing the chapter membership were Theta Chis who transferred to Ohio State from other universities. Among these men were Pedro Montenegro, Bill Crane, and Dick Burcaw. At the present time the chapter has nine actives, six pledges and one alumnus, and is rapidly increasing to post-war proportions.

For the time being Theta Chi has no chapter house; however, the alumni have recently organized for the purpose of obtaining a house, and the chapter hopes to be permanently located in the near future. Other plans included an active social program throughout the year, highlighted by elaborate winter and spring formals.

One of the more newly activated fraternities on campus, Alpha Phi Alpha, prosperously completed a three-fold program during the past year which qualified it as a veteran organization on campus, if not in name, in fact.

Events from the social calendar which were acclaimed successful affairs were the Freshman Smoker, the Pledge Club Party during the fall quarter, Talent Night, with decorations on a cabaret theme, and the annual spring formal.

Highlights of the fraternity's athletic affairs were the Interfraternal Basketball Tournament at the Spring Street YMCA, and the annual greek letter soft-ball game at Franklin Park on Memorial Day.

Developing its scholastic assets, an educational program was launched this year by the fraternity, consisting of a series of forums on current problems, both national and international in scope. From December 27th until January 1st, the men of Alpha Phi Alpha played important roles as hosts of a General Convention in Columbus.

The Omega Psi Phis resumed activities winter quarter under the able leadership of Asa Davis, who was the Kooda Council president, and a member of the Student Council. The Omegas were well represented in activities in the person of John Francis, vice-president of the Y.M.C.A.

Participating in educational enterprises, the Omegas sponsored several public forums at various churches throughout the year. A Regional Fraternity Conference was held during May at which Melvin Payne, the assistant regional director of the Ohio State chapter, played an active role.

The season's social events included bi-monthly smokers and dances. During the fall quarter, a novel popularity contest and dance was held at which the most popular campus coed was elected and presented with a trophy. Highlighting the winter quarter was an elaborate winter formal held at the Lincoln Ball Room. In the athletic field, the Omegas could boast of an outstanding basketball team, and placed three men on the fraternity intramural football squad.

Athletic Administration

Lynn W. St. John, Director of Athletics

Under the guidance of Lynn W. St. John, Director of Athletics, Ohio has advanced from a coach and groundkeeper to a complete staff of energetic men who have made Ohio so successful in all phases of sports today. It was under his direction that Ohio State University entered the Western Conference and today has grown to be one of the leading powers in all sports. The University looks with regret to the coming fall when St. John plans to retire from the athletic department. The new successor is yet to be named by the University.

Newly appointed head coach Carrol C. Widdoes was faced with the problem of developing a football eleven out of 128 raw freshmen and one or two returning service men. The band of candidates fought it out under tropical weather until the final Scarlet and Gray game in August. As the fall season progressed, returning service men, Crane, Steinberg, McGinnis, Priday, and Fisher strengthened the Buck lineup. Battling weaker foes, the Bucks crushed Missouri, Iowa and then Wisconsin. However, Purdue proved a much faster and clever team as they dumped the Buckeyes, 35 to 13. The Ohioans reinstated themselves in the eyes of the public as they whipped Minnesota, edged Northwestern, spanked Pitt, and trounced Illinois in the homecoming tilt. However, the Wolverines of Michigan edged the Bucks in a close thriller with their chief rivals. The Buckeyes finished a successful season with a record of seven wins and only two defeats.

The Buckeye attendance was broken this season as 544,000 loyal football fans watched the Bucks down seven and lose two. Before each game the crowd waited anxiously for the Ohio State band which added so much to the spirit of the afternoon. After an exciting game as the shadows began to fall over the stadium the crowd wound its way up the hill dreaming of games to come.

Paul Sarringhaus, the "Hamilton Hurricane", roared back into the intercollegiate football picture after service in the army, to score four sensational touchdowns and lead the Bucks to a 47-to-6 victory over Missouri. Two more tallies were scored by Ollie Cline, improved fullback from last year. Steinberg scored on an interception while Max Schnittker placed five points after touchdown between the goal sticks. The Buckeyes gained speed and scoring punch as the game progressed. The subs went in the fourth quarter to gain experience. The lone Missouri score came in the last period while the Buck subs were in power. The Missourians bowed to Buckeye aerial and ground power 47-6.

Fisher, Sarringhaus, Cline, Daugherty, Marshall, Watson, and Schnittker added six points after touchdown. This game unleashed a supply of potent backs and a fine array of hard-driving linemen. The Hawk-

The credit for the romp should go to the reserves who poured it on in the last frame. However, this game still failed to prove the power of the Bucks. Final score: 42-0 Ohio.

The first quarter was climaxed when Dixon, Buckeye tackle, blocked Kindt's punt, Kessler recovering the ball on the Wisconsin 39. Cline and Sarringhaus drove the ball to within scoring position only to be penalized. In the second period, passes from Sarringhaus to Verdova, Fisher to Kessler, and Fisher to Watson climaxed a passing attack for the first tally. In the third quarter Sarringhaus stole over tackle without a hand upon him. In both cases Lininger's kicks were wide. The last half was a combination of Badger passing and Buckeye running. The final score was 12 to 0, Ohio State.

In an attempt to make it win number 13, Ohio was dubbed by Purdue. During the first two quarters the Boilermakers piled up a score of 22 to 0. In the third quarter De Moss hit Heck with a 41 yard pass so Cody was able to knife his way through the Buck line to raise the score again. In the last period Daugherty dropped a pass into the arms of Kessler for the first Buck tally. Cody scored through the Buck line. After a Daugherty to Watson pass, Gandee lateralled to Verdova for the final score of 35 to 13.

A rejuvenated Buckeye eleven came back after a terrific pasting by the Boilermakers of Purdue to down the Minnesota Gophers. In the first quarter a fumble set the scene for Daugherty to pass to Fisher on the two. Cline went over to score. In the second frame Cates took a reverse from Kulbitski scoring for the Gophers. However, Fisher heaved a beautiful 50 yard pass to Kessler for a second touchdown. In the third canto the famous Ohio goal line stand took place. The ball was on the Ohio four with first down for Minnesota. Kulbitski and Cates failed. Ohio was penalized and again Vic Kulbitski failed to crack the Buckeye forward wall. Ohio took over and scored again in the last quarter when Cline and Daugherty drove to the 17 where Fisher cut off tackle to score. Ohio stayed in the race by downing Minnesota 20-to-7.

The Junior Bucks showed their fathers a game long to be remembered in the hearts of Buckeye fans. In the first quarter Farrar and Whan of Northwestern crashed through, over and around the Buckeye line with terrific speed. In the second quarter a long pass from Fisher to Kessler set up the first Buckeye touchdown. The third quarter was scoreless as the Buckeyes rebuilt their team. In the first minutes of the last quarter Cline and Sarringhaus drove in eight plays for the second touchdown. This run made the score 12 to 13, Northwestern. With a minute and a half to go "automatic" Max Schnittker kicked a field goal from a difficult angle on the 21 yard line. The final score was 14 to 13, Ohio.

Pittsburgh inspiration and muddy fields co-operated to hold Ohio State to a 14 to 0 win. During the morning, rain fell and continued throughout the game. The field was so muddy that only limited action could be taken. The first half was a duel between Pitt and Cline of Ohio. The third quarter was the same type of fumbling, sliding, and kicking. With Cline's efforts Verdova raced over after a 93 yard march. Later Cline scored on a 63 yard run.

HOME

Homecoming was again the peak of the football season as alumni as well as the students joined in at rallies and bonfires to bring back the memories of yesteryear. At the half time of the Illinois game the brown-eyed, brown-haired beauty, Mary Ann Thieman, was crowned queen to reign over the game and dance. With the queen was her vivacious court of Elizabeth Jean Peters, Naomi Tracht, June Perry, Donna Dill, and Barbara Jane Kenney. SAE and Tri Delt won the decorating contest. Later George Paxton played at a terrific Homecoming Dance.

The Homecoming was complete with a roaring win over Illinois. Hal Daugherty put the ball over the first time Ohio got the ball. In the fourth period Fisher kicked out on the Illinois 4 yard line. On the return kick Fisher took the ball on the dead run from the arms of Krall to Illinois' 3 yard line. Ollie Cline then took the ball over in three plays. Five minutes later the Bucks hammered to the Illinois 36 yard line where Cline broke off tackle for the second tally. The final score came when Gandee raced to the Illini 10 on an intercepted pass. Sarringhaus put the ball into Gandee's arms on a pass. The Illini scored in the second quarter when Ciszek pounced on Dove's fumble from center. The final score was 27 to 2.

The Ohio State football season was finished with a heartbreaking loss to its old rival, Michigan, to the tune of 7 to 3. During first quarter it was a driving battle up and down the gridiron. In the second quarter the Buckeyes forged from their seven to the Michigan twenty-nine where Kessler and Nussbaumer fought for the ball over the goal line. Michigan won the doubt for a touchback on its own twenty.

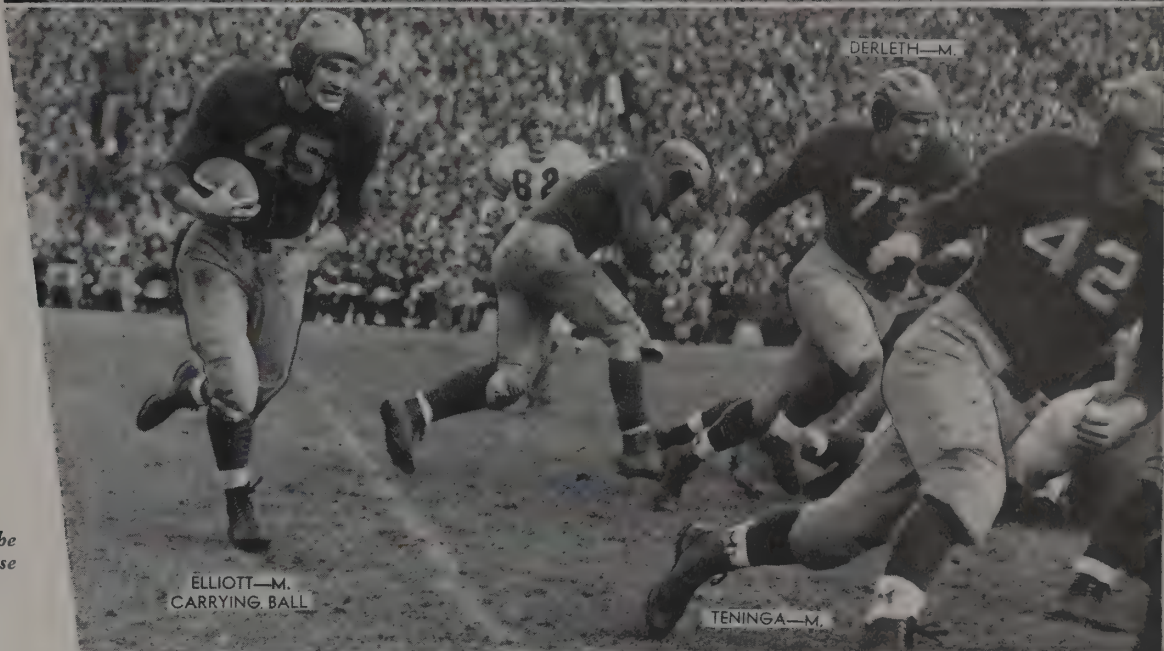

In the third stanza Watson made a sensational finger-tip catch on the Wolverine twelve yard line. After three attempts to cross, Schnittker split the posts for three points. Up until the closing minutes of the final period the game seemed to be Ohio's. Michigan drove to the Ohio seven where Fonde sliced end for the score, thus ending the '45 season with seven wins and two losses.

Warren Amling

All-American Guard

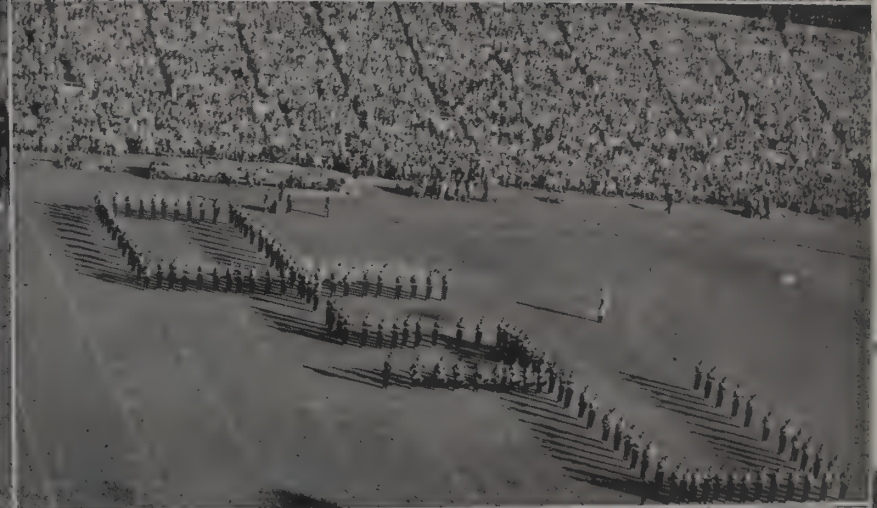

The one All-American player on this season's third place winner in the Big Ten was Warren E. Amling. Amling's name was found on every All-American team in the country at the tackle position. He played outstanding ball all season and at the season's end he was elected 1946 Captain by his teammates.

Most Valuable in the Big Ten

Ollie Cline

Ollie Cline, the Bucks' All-Big Ten fullback, was chosen as the Most Valuable Player in the Big Ten for the 1945 season. Whenever the team needed that extra yard it was Cline to whom the ball was entrusted and Ollie usually came through. Cline, who was only a sophomore, has two more years of Varsity competition to look forward to when he is released from the Armed Services into which he has recently been drafted.

MARCHING BAND

The 1945 Marching Band of Ohio State University put on its usual All-American performances throughout the football season. The Marching Band, which some say helps draw OSU's great football crowds, made trips to two away games, Pittsburgh and Michigan. Although handicapped considerably at times by bad weather and sudden illnesses, the Band always managed to come through with its usual high spirits and snappy drills. The normal strength of the Band is 120 men with about 10 men kept as alternates ready to step in in case of emergency. The Band was directed by Professor W. B. McBride and under the Military Leadership of Lt. Rupert Otto.

Basketball

The Ohio State basketball team concluded the 1945-1946 season by finishing in third place in the National Collegiate Athletic Association tournament held in New York's Madison Square Garden. In their first game, the Bucks, who were appearing for the third consecutive year in the NCAA tourney, clashed with Harvard University and came out victorious by the score of 46-38. The Scarlet and Gray's opponent in the finals of the Eastern Division was North Carolina University, victors over the favored New York U. team in their first game. In a close, hard-fought battle which went into an overtime period, the North Carolina cagers came out on top 60-57. The Bucks then clashed with the University of California Bears, runner-up in the Western Division, for consolation honors in the tourney and won quite easily to make their final season's record read 16 wins and 5 losses.

SEASON AT A GLANCE

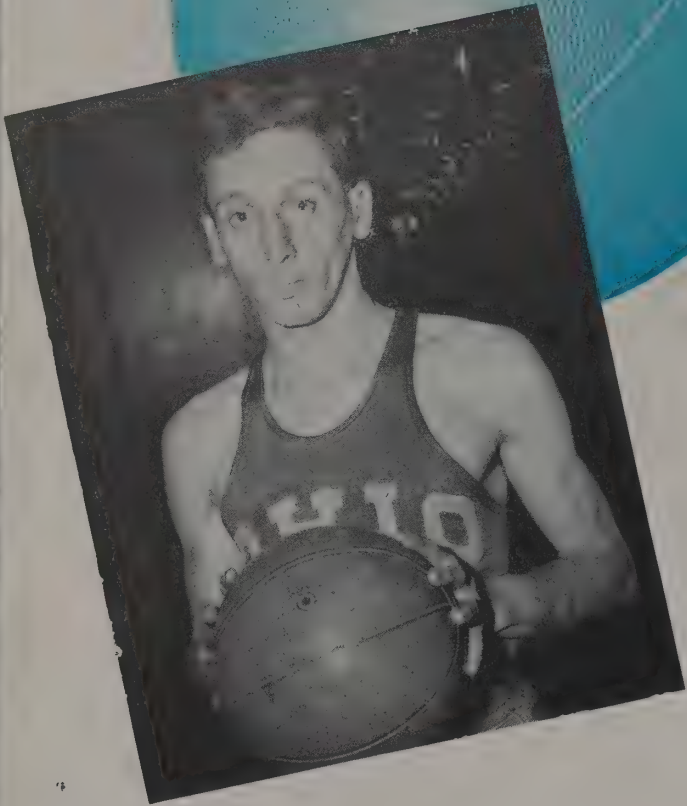

Coach Harold Olsen, rounding out his 24th year as Buckeye cage coach, produced another excellent basketball team, well balanced and well coached. The Scarlet and Gray cagers climaxed the season by winning their second Western Conference championship in the last three years and their fifth during Olsen's tenure. The OSU quintet also received its third consecutive bid to the NCAA tourney in New York. Coach Olsen was honored by being selected to coach the West in the first East-West basketball All-Star game. The season's record of 14 wins and 4 losses duplicated that of last season when the Bucks finished as runner-up to

Iowa in the Big Ten. For the past three seasons the cagers have had a Big Ten record of 10 wins and 2 losses. The two losses of this season were inflicted by Indiana and Michigan but the Bucks snapped back in championship style, winning the close ones and displaying good teamwork. The high spot of the season came in the final game with Northwestern's Wildcats which the OSU cagers won 53-46 before 22,822 spectators, the largest crowd ever to see a basketball game in the United States. Coach Olsen regards this game as one of the highlights of his coaching career.

Basketball Season

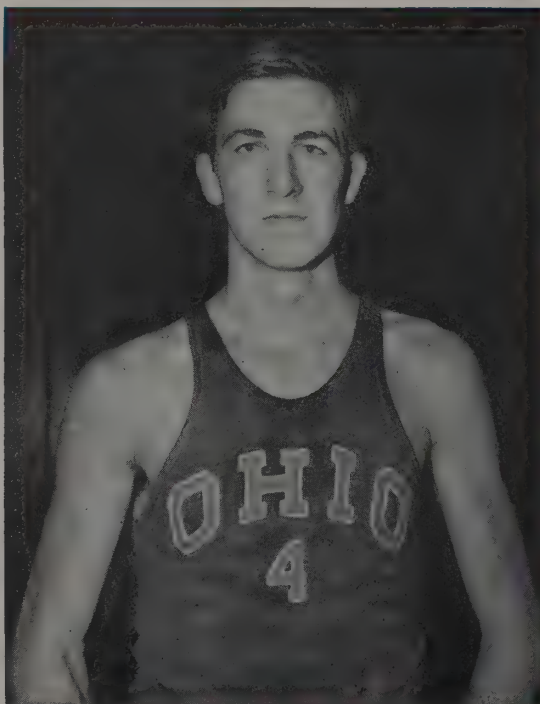

Ray Snyder, Captain

The loss of Captain-elect Arnold Risen due to scholastic deficiencies was a big blow to the Bucks but they came back with a capable replacement in big Jack Underman. The past season saw few substitutions with only six men seeing action in a majority of the games. Ray Snyder, who was elected Captain to succeed Arnold Risen, led the Big Ten champs in scoring with 179 points in 18 games. Close behind Snyder were Bob Bowen with 175 points and Jack Underman with 173. The back-court duo of Paul Huston and Warren Amling played great defensive ball all season and came through with valuable points when they were most needed. Wayne Wells was the number one replacement at both guard and forward and appeared in all 18 games. Prospects for next season appear bright with Snyder being the only one lost to the squad. The players were honored with a banquet at the close of the season at which time letter awards were presented to Bob Bowen, Ray Snyder, Warren Amling, Jack Underman, Paul Huston, Wayne Wells, Bill Biel, Clark Elliot, Wil-

Swimming Team

Coach Mike Peppe produced the finest swimming team in the country and one of the best in swimming history, in the 1946 season. The Bucks swept all honors in sight this year winning the Big Ten, NCAA, and National AAU championships in rapid succession. For the Buck mermen it was their third Big Ten crown, also the third NCAA title, and their sixth National AAU crown. It was the second "grand slam" in the last four years for Peppe's swimmers. This year's team was considerably bolstered by returning servicemen who seemed to retain their ability of previous years. The Scarlet and Gray tankers swept through the complete regular season and the championship competition without suffering a single defeat, usually winning by a wide margin. The Bucks won numerous individual crowns which include, Miller Anderson, Big Ten, NCAA, and AAU one meter and three meter diving; Jack Hill, Big Ten, NCAA, and AAU 440 free style and Big Ten and NCAA 220 yard free style; Halo Hirose, Big Ten and NCAA 100 yard free style; and Captain Jimmy Counsilman, Big Ten 220 yard breast stroke. The Bucks great team strength stood them in good stead and with most of this year's team expected back next season, Coach Peppe will no doubt produce another great team next year.

The Bucks best effort in an otherwise dismal season was the winning of the Ohio Amateur Athletic Union meet. At this meet John Schmidt tied the University record for the pole vault, vaulting 13' 10". Some of the scheduled meets for the season were called off because of transportation difficulties and other unforeseen obstacles. The Scarlet and Gray cinder men finished second in a triangular meet with Great Lakes and Michigan State and finished fourth in a quadrangular meet with Michigan, Illinois, and Great Lakes. The Buck's next meet was the Conference meet which Illinois won, and in which Ohio State came in fourth. In the Central Collegiate meet Dugger placed third in the shot put and second in the discus. In the NCAA Dugger was fifth in the shot put and third in the discus. Ten Varsity men will return for next season.

Wrigley finally formed a team that was able to keep the win-loss column even. The star battery for the Buckeyes was made up of Don Grate and Walter Ernst. Grate later received a contract from one of the major league teams. Walter Ernst won the favored Potters Run Maker Trophy not only for his great offensive work but also for his fine defensive work behind the plate. The Captain, Keo Nakama of swimming fame, played his final game before going back to his home in Hawaii. In Big Ten Competition Ohio State dropped five games and won four. In Conference standing the Bucks ended in the sixth bracket with Michigan on top for the title. Chances for next year's team looked slim with only the hopes of returning servicemen to fill the vacant spaces on the diamond. Returning players for next season will be Rance in left and Phelps on third base.

The Buckeye wrestling team under the guidance of Bernard "Spike" Mooney dropped Purdue and Michigan for their two wins, and they were dropped by Indiana, Michigan State, and Illinois. In the Big Ten Conference standings the Ohioans ended in the fourth place birth, as Illinois went on to win the title. However, individually the Buck wrestlers were near the top. Joseph Stora and Bruce Kesselring won seconds in the Big Ten in their respectful weights of 145 lbs. and 121 lbs., and George "Dreadnaught" Bollas captured the heavy title not only in the Big Ten but also in the NCAA. The only one to defeat Bollas during the season was Wilson of Illinois. The chief contenders during the season were Kesselring and Defenbaugh, 121 lbs.; Dieli, 128 lbs.; DeMora, 136 lbs.; Stora, 145 lbs.; Ardito, 155 lbs.; Wiltberger, 165 lbs.; Frettini, 175 lbs.; and Bolas, heavy. Bill DeMora, who was captain, will be replaced by Carl Defenbaugh and Bruce Kesselring as co-captains for the 1947 season. Ending their wrestling days at Ohio State will be William "Punch" Wiltberger, William DeMora, and Joseph Stora. Coach Mooney hopes to fill his vacancies with returning servicemen and freshman from high schools.

Ohio State again was the only Western Conference school to maintain a fencing team, as it had done during the war years. OSU is still the defending champion as they have continued to hold the National Collegiate Championship trophy.

Captain Mike Pavich led in the saber fields by winning fifteen and losing six matches, while Tom Spellerberg with fourteen wins and three losses and Dick Ireton with thirteen wins and four losses were impressive in epee. Eugene H. Jones took top honors with the foil with fifteen wins and six defeats. These men all won Varsity O's as well as Nyron Rawers.

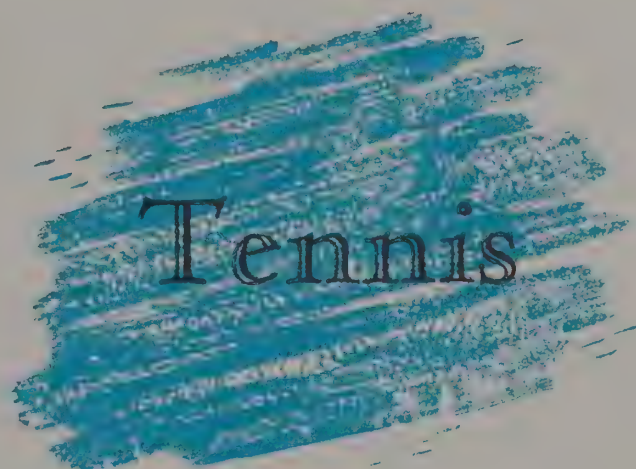

All of these lettermen will be out of competition next year. There will be, however, a promising group of underclassmen who will be on hand.

Coach Herman Wirthwein led the Buck netmen to another very successful season. The Buckeyes were downed only by a powerful Michigan squad, $7\frac{1}{2}$ to $11\frac{1}{2}$. Placing second in the Big Ten to the Wolverines of Michigan, the Buckeyes returned to recover their lost prestige by capturing four division crowns at Northwestern during the last week in May. This was the greatest number of titles taken by a single team. Aris Franklin won the singles championship in the first division. Later he paired off with his brother Alex to sweep the doubles championship. Bob Bowen of basketball fame won the singles championship in the first division, while Carriot, star from Venezuela, won the third division crown.

Division champs to return next year are the Franklin brothers, Alex and Aris, and Bob Bowen. Carriot returned to his home in South America. Ohio's tennis team will improve even more as the former stars return from service. The 1946 schedule starts here at the home court with Kalamazoo on April 8. The season will continue up to the Big Ten meet at Northwestern on May 30-31 and June 1. This ought to prove to be a very interesting season.

Coach Bob Kepler's Buckeye golfers climaxed a fine season by making a clean sweep of NCAA honors. The golfers took the team championship with a total of 602 which averages about 75 strokes per man for each 18 holes. Northwestern and Michigan were next, each with 621. It was the first NCAA golf title for the Bucks in the 48 year history of the event. Johnny Lorms won the national intercollegiate golf title with a four and three victory over John Jenswold of Michigan. To round out the sweep of honors, Howard Baker was the qualifying medalist with a 74-68—142 over the par 72 University course. During the regular season the Buckeye linksmen won nine consecutive matches before bowing to previously defeated Michigan in the final match. The NCAA championships concluded the greatest year in Ohio State golf, the Buckeyes having won the Big Ten crown by 23 strokes over Northwestern. Bob Kampfer and Dan Rocker were the other two members of OSU's greatest golf team.

Intramural Festival

This year's Intramural program was highlighted, as usual, by the annual Intramural Festival. Many varied sports are carried on under Leo G. Staley's thorough Intramural program. The purpose of Intramural athletics is to furnish healthy exercise and competition to the men students of the University. Some of the sports carried on by Staley's department are touch football, wrestling, volleyball, handball, basketball, tennis, softball, the sorority and fraternity sings, bowling, and many others. The detailed Intramural program is handled by a staff consisting of Mr. Staley, Carl R. Smith, the Intramural Secretary, and freshmen, sophomore, junior, and senior managers. The Intramural program of Ohio State is one of the best and most complete programs carried on in any college or university in the United States. This year's Intramural Festival, the 31st annual one, was highlighted by two championship basketball games, sorority and fraternity sings, a swimming meet, a diving exhibition, and an All-Campus dance in the Men's Gym. In the basketball championship games, Phi Kappa Sigma edged favored Phi Sigma Delta for the Fraternity Championship and Tower Club No. 1 came from behind to overwhelm the Eager Beavers 32-25 to take the Independent Championship. O'Dea led the Phi Kaps to their 26-24 victory over the Phi Sigs and Reynolds led the Tower boys with 21 points. Alpha Xi Delta won the sorority sing contest for the second straight year as did Alpha Kappa Kappa in the fraternity sing. Phi Gamma Delta swept both ends of the swimming relays to replace Phi Kappa Psi as swim champions. The festival was, as usual, well attended and quite enjoyable. During the war years, Intramural participation fell to an all-time low but this year things are beginning to get back on a normal basis and a steady rise is predicted.

The 1944-45 Swimming Meet, sponsored by the Intramural Department, was won by Phi Kappa Psi in the Fraternity Division and by Company B of the ASTP in the Independent Division. Phi Kappa Psi won by a margin of three points over Psi Omega, Phi Kappa Psi getting 28 points and Psi Omega 25. Delta Tau Delta took third place with eight points. Company D won the Independent Championship with 51 points and Company B was runner-up with 22 points. Thirty-one men participated in the meet.

A total of 66 teams and 402 men participated in the 1946 Intramural Bowling competition. There were 43 fraternity teams, composed of 269 men, and 23 independent teams, composed of 133 men. Meeting in the Independent Finals were Iuka Vets and Jersey Skeeters, with the Vets coming through to annex the championship. Delta Upsilon and Zeta Beta Tau met in the Frat Finals with the ZBT team winning. In an unofficial game for the University Championship, the ZBT's won in a close match.

Alpha Kappa Kappa, Medical Fraternity, won the Fraternity Sing Contest for the second consecutive year, with Delta Tau Delta taking second and Phi Gamma Delta third. There were four fraternities originally entered with one being eliminated in the preliminary eliminations. A crowd of 1500 people attended the finals of the contest and were not disappointed in the singing that they heard. All three finalists sang wonderfully.

Tower Club No. 1 team was the Independent Basketball Champ for the 1945-46 intramural season. The Tower Team won the championship by going through the regular season and the eliminations without defeat, and then besting the Eager Beavers in the Independent Finals. Phi Kappa Sigma won the Fraternity Championship by besting the Phi Sigma Delta team in the finals. A total of 102 teams, composed of 931 men, participated in the basketball season.

Phi Chi was the 1945 Intramural Touch Football Champion, beating Phi Sigma Delta in the championship game. Phi Chi advanced to the finals by besting Phi Kappa Sigma in the semi-finals while Phi Sigma Delta was beating Kooda Council. There were seven football leagues, comprised of 43 teams and 659 players. Of these seven league two were independent, comprising 13 teams, and five were fraternity, comprising 30 teams.

For the second consecutive year the Sorority Sing Contest was won by the Alpha Xi Delta Sorority. The margin of victory for Alpha Xi Delta was very narrow, for all three finalists sang beautifully and the judges had difficulty in reaching a decision. Chi Omega was second and Delta Gamma took third honors. There were originally 11 sororities entered, with eight being eliminated previous to the finals. Judges for the Contest were Mr. Herman Gunter and Mr. Aimo Kiviniemi.

Women's Sports

The Women's Physical Education Department may well be proud of its varied and complete facilities which have expanded to meet the demands brought by the increased interest in physical education for women.

During the past year over eight thousand women were enrolled in the three coordinating programs of the department: the extensive intramural program; the service courses, which include all women's outdoor and indoor sports; and the teacher-training courses, which offer practice and evaluation of group instruction and practical experience in organizing summer recreational programs for playgrounds and summer camps.

The department also sponsors many student-faculty functions and social activities to promote friendships and closer association among those in the department.

The recreational program for women was planned at a meeting attended by sports representatives from clubs, sororities, dorms, and University houses. Challenge swimming meets, open-hour and mixed swims, tryouts for sports clubs, all-campus basketball, bowling, and swimming meets, and Funscapades were the events slated on the Intramural calendar.

Swan Club is an honorary society of the Women's Physical Education Department, and its purpose is to promote interest and skill in all aquatic activities. The girls chosen for membership must have special ability in swimming and water skills. Once each quarter the club entertains Funscapeades with a short program of swimming and diving. Usually Swan Club gives one big performance in the Natatorium during the spring quarter. Members are frequently chosen to represent Ohio State University in intercollegiate swimming meets.

Miss Evelyn Rupert

The Women's Recreation Association is an organization established to co-ordinate all the women's sports clubs—Orchesis, Tennis Club, Golf Club, Foil and Mask, Swan Club, Rifle Club, Hockey Club, Bowling Club, Boot and Saddle Club, Badminton Club, Outing Club, Archery Club, and the Physical Education Club.

Membership to most of these clubs is through proficiency and interest in the various sports. Members of any of these sports clubs are automatically members of WRA. The WRA Board consists of an elected upperclassman and freshman representative from each of the sport clubs.

Two mass meetings are held every quarter to discuss policies and projects for WRA. A Christmas party for under-privileged children from several settlement houses in Columbus was given during the latter part of fall quarter, and in March, WRA sponsored the Snowball Prom where the Makio queen was formally introduced.

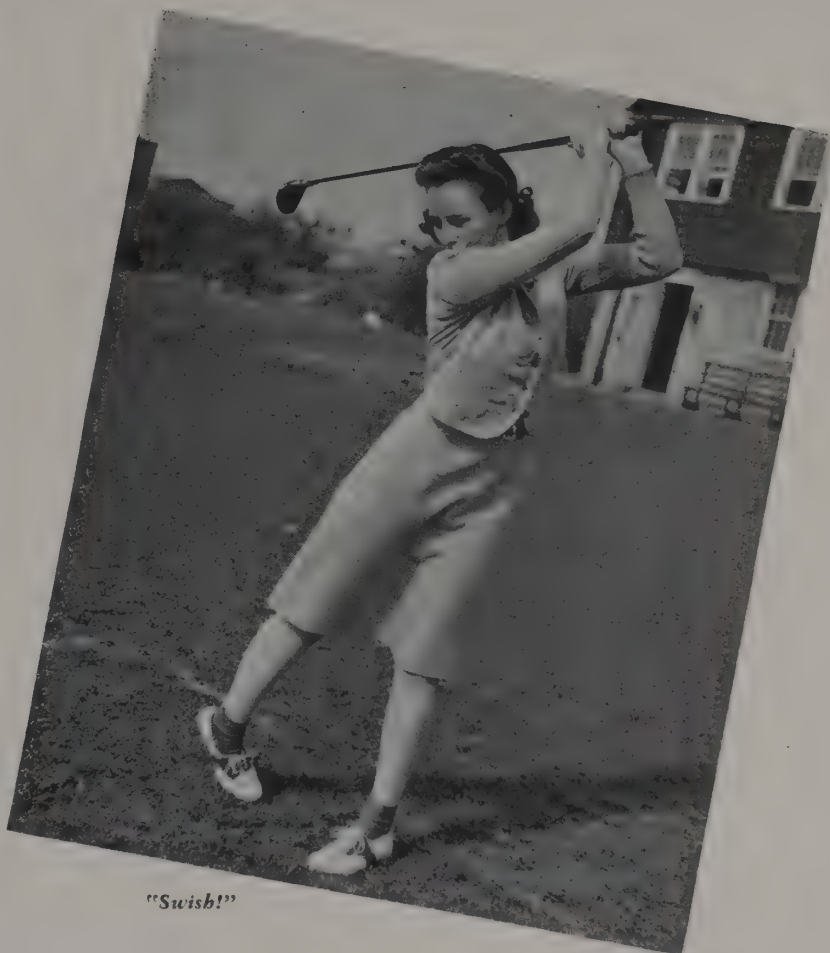

The vice-president of WRA is Chairman of all arrangements for "Funsapades", the Friday-Night Open House held at Pomerene Hall which features dancing, ping-pong, badminton, refreshments, and an intermission program planned by one of the sports clubs.

TOP ROW: Anderson, Wyler, Kublman, Tift, Vannorsdale, Delaney, Crider, Moore, Myers. ROW TWO: Eberhardt, Fatcho, Reynolds, McGreevy, Hanlin, Postle, Owen, Hageman, Oston. ROW ONE: Miss Rupert, Weinman, DePalma, Shrerrets, McOsker, Lightner, Smith.

Women's Physical Education Club

The purposes of the Physical Education Club are to further the interest in physical education; to promote social activities on campus; to promote greater understanding between the

physical education students and faculty; and to promote an interest in the bright future in the field of women's physical education instruction.

TOP ROW: DePalma, Barrows, Wagner, Goreman, Burge, Reynolds, Hanlin. ROW ONE: Manning, Weinman, Smith, Dolby, Davidson.

AMERICAN TRADITION

● Quality, Integrity and Dependability have established themselves as a definite tradition with Pontiac. We have been constantly on the alert for new and improved procedures in yearbook designing and service. Our modern precision equipment is concrete evidence of adherence to this policy. Our experienced craftsmen and servicemen are carefully supervised by experts in the field of distinctive school publications. We are proud to have played a part in the publishing of this book in the capacity of official photo engravers. Our entire personnel congratulate the staff for their splendid work and cooperation.

Campus TO Career

EACH YEAR many college women seek business futures in telephone work. In Ohio Bell offices, these ambitious girls find opportunities for steady advancement in a far-seeing, long-reaching industry. They find stimulating work to challenge their abilities, maintain their interest and develop their full potentialities. In telephone offices, too, these women find others of their own ages and interests, working in the same friendly atmosphere that cemented campus friendships.

When you step from campus to career, you'll find that telephone employment is a step in the right direction.

1. Grandpa had a dirty face —
His photograph, I mean . . .
2. A spray of Windex on the glass
Made Grandpa Shining-clean!
3. Mother's lipstick's such a mess!
At least, it used to be . . .
4. Till Windex made her mirror bright
So she could really see!
5. Finger marks upon the pane
Speak of Little Brother . . .
6. Windex whisks 'em right away,
"It's wonderful!" says Mother.

THE LAST WORD

And so, the finishing touch. . . . Upon the closing of this book comes the closing of a host of wonderful memories, not only for the students of Ohio State which it represents, but especially for the members of the staff of the 1946 Makio. This book, to me, will always be a symbol of the finest that a university can offer: friendship, loyalty, devotion, service and the close co-operation of a group of fine people working toward a common goal. . . . And, it was fun.

No one person can be singled out and praised as being responsible for this effort, but, to Norma McPherson, just "Mac" to all of us who had the pleasure of working with her, a lion's share of the credit must be given. Mac's boundless energy, ever-ready wit and real sincerity, proved an inspiration to the other staff members.

How well we all remember those rush orders of pictures to meet that certain deadline. Hugh Flanagan, the Makio's chief photographer, was always on the spot to handle the situation. Hugh, with the co-operation of Bill Hersey and Dick Nunnemaker, Bob Neal and Bill Slatzer, did a grand job on the pictorial side of the Makio. My sincerest thanks, also, to the House of Portraits, the Columbus Citizen, the Columbus Dispatch and Dick Taylor.

Without the tenacity and ambition to see the job through, exhibited by our "always eager" Sophomore staff, the 1946 Makio would be only a dream and not the tangible memory that it is. To Bettylou Merrill, Maryellen Haddox, Milly Smit, Gloria Smith, Bobby Trimmer, Marilyn Beck, Karl Hay, Joel Freedman and Bud Freedman — thanks.

To the business staff goes the credit for the extensive promotion plans which resulted in the sale of more Makios than ever before. This was done under the able leadership of "Skeeter" Wolfe, dynamic business manager, and her associate, Enid Collins, and the sophomore business staff of Fitz Meyers, Bill Zurcher, Pat Redman and Shirley Cooper.

This book could not have gone to press without the assistance of Don Young of the Pontiac Engraving Company, Mr. Scheibel and Jack Svec of the Heer Printing Company, and, last, but not least, Art Tammadge of the Weinlein Typesetting Company. These are the men publicly unnoticed and unsung, but they, truly, are the backbone of the yearbook.

The magnificent drawing of the Main Library, with its new additions, which was used on the cover and the foreword of the 1946 Makio, was drawn by Howard Dwight Smith, the University Architect. It is my hope that this building will emerge from the drawing-board stage to an edifice which will be a real testimonial to Mr. Smith's talent.

It would never do to let Ann Cheney go unnoticed. Her interest in the publication was reflected by an excellent job of keeping the Makio in the public eye with interesting stories and articles in the Lantern.

The deepest note of thanks and gratitude goes to Wayne V. Harsha, publications adviser for the 1946 Makio. Without his sage advice and patience, the Makio could not have grown from an idea to a mirrored vision of campus life and activities.
